decide between what is right and what feels right **FORGIVE: AT LAST, IT'S ALL ABOUT MERCY** Fr. Stanley K. Ihuoma SSJ, 2025-09-08 The book FORGIVE AT LAST IT S ALL ABOUT MERCY is in response to the voices of so many whom I have been privileged to minister to in the course of my preaching Retreats Missions and Revivals Many have asked that the topic of forgiveness and mercy which I lay great emphasis on be made available in the form of a book Undeniably Life is all about relationships firstly with God oneself and other human beings The underlying purpose for being in relationship is HAPPINESS These relationships are like networks where one flows into the other Thus Whoever claims to love God yet hates a brother or sister is a liar For whoever does not love their brother and sister whom they have seen cannot love God whom they have not seen 1John 4 20 I have encountered very unhappy and angry people The book exposes the sad reality that we get trapped in a jail cell of bitterness serving time for someone else s crime and offense against us when we don t forgive The unwillingness to practice and offer forgiveness to one another holistically affects our relationships When we refuse to forgive it is likened to one being eating up by a poisonous energy The book highlights that forgiveness is one of the most beautiful forms of love we can give to another and which in return brings us peace and happiness Obviously forgiveness is not like a rocket science very difficult neither is it like a cakewalk very easy but the work of the Holy Spirit in us Thus The weak can never forgive It takes a strong person to face pain head on forgive and release it The book therefore offers us the impetus and courage to call on God for the Grace to do that which seems impossible forgiving one s enemy What we need and receive from God most often is Mercy not what we deserve We are cautioned in this book to avoid hearing at the end of our life You wicked servant He said I canceled all that debt of yours because you begged me to Shouldn t you have had mercy on your fellow servant just as I had on you FORGIVE AT LAST IT S ALL ABOUT MERCY Love Is Pain Kelvin (Dr. Love) Pickett, 2017-12-11 Love is the greatest emotion of all but how can we deal with the pains that come with it Love Is Pain A Self Help Motivational Recovery Book on Emotional Pain is based on the concept that healing the pains that come with seeking and sustaining intimate love is possible This inspired self help guide provides many useful tips on how to conquer the pain associated with loving relationships Someone who has experienced the pains of love himself Dr Love learned to develop a method to overcome those pains and the hurts that can arise with intimate dealings The author is now ready to share his advice with others suffering though the pains involved with loving another He explains that pain can overtake the mind and the ability to love again Love Is Pain will help those who suffer from loving pains to stay strong *Forgiving Philosophy* Daniel R. Esparza, 2024-09-02 This book explores forgiveness as a philosophical matter Responding to the curious omission of forgiveness in much of Western philosophy it examines common themes and divergences on forgiveness in the works of Augustine Kierkegaard and Arendt These writers understood forgiveness as a paradox it must be contained to be given Augustine granted yet not granted Kierkegaard and forgotten the moment it is given as if never given at all Arendt Drawing on these insights can forgiveness be then thought of as a hidden existential capacity and not as a magnanimous display of

mercy Can we imagine forgiveness as undoing the transgression we see and secretly engaging with the imperceptible impossibility of undoing what has indeed been done *The Sunrise of the Soul* Gerard Thomas Straub,2020-07-21 The Sunrise of the Soul is the fruit of the last 24 years of an unexpected new life and a journey of transformation that took Gerry Straub from the glamour of Hollywood to the horror of the worst slums on earth Straub s journey began in an empty church in Rome during a moment of grace in which the hard shell of his ardent atheism was penetrated by a spark of light allowing him to see that God was real and loved him just as he was Eventually Straub felt God telling him to stop filming the poor and to go live among the poor He now lives in a crowded slum in Haiti where he operates a home of hope and healing for 69 abandoned kids 24 of whom are still in diapers Straub says his journey is far from over and will never be finished As Karl Rahner reminded us In the torment of the insufficiency of everything attainable we ultimately learn that here in this life all symphonies must remain unfinished Living in a home with 69 kids in Haiti means that the stillness and silence needed for contemplation are virtually nonexistent After more than four years of intense work in Haiti Gerry began to commit himself to the rejuvenating power of authentic solitude in order to turn his attention to his own inner spiritual poverty In the silent predawn darkness of each Haitian morning he waits reflects and prays This book emerged slowly from those many lonely hours of silence **The Heart of Islam** Seyyed Hossein Nasr,2009-03-17 As the specter of religious extremism has become a fact of life it can be very easy to believe that the evil actions of a minority stand for the values of an entire tradition Recently there has been much confusion in the Western world concerning distorted portrayals of Islam s core values Drawing on Islamic scripture teaching and tradition Seyyed Hossein Nasr presents the true spiritual and social values of Islam such as peace compassion social justice and tolerance Nasr calls fellow members of the Abrahamic religions Judaism Christianity and Islam to a new future of mutual respect and common global purpose as he portrays the beauty and appeal of a faith that is embraced by more than a billion people Professor Seyyed Hossein Nasr was born in Tehran Iran in 1933 He received his advanced education at M I T and Harvard University returning to teach at Tehran University from 1958 1979 where he also served as Dean of the Faculty of Letters and Vice Chancellor He founded the Iranian Academy of Philosophy and served as its first president and was also for several years president of Aryamehr University Since 1984 he has been University Professor of Islamic Studies at George Washington University in Washington D C and President of the Foundation for Traditional Studies At a time when Islam is frequently misunderstood and often maligned this sensitive insightful and beautifully written book comes as a ray of sunshine Mark Juergensmeyer author of *Terror in the Mind of God* *The Book Of Love* Clive Alando Taylor,2012-08-28 I mean what is Love and what are we with it and what are we without it as even I have been challenged to open up this the book of love with such curiosity and with such sincere intensity so as to attempt to defy all reason and logic to tell you that I Love you and whether you believe it or not or whether you accept this statement as having any real meaning or impact upon you or not or if indeed you view this statement as being non personal in relation and reference to you or not

or as to whom I should be or could be addressing if not you and whether these words really connect or reflect or affect you in any way as you read this the book of love **The Sabbath Recorder** ,1929 **Interpreting the Bible and the Qur'an through Love** Tareq Hesham Moqbel,2025-10-16 This book investigates the role of love as an exegetical resource for interpreting the Bible and the Qur'an Through surveying the ways in which love was used to make sense of the Jewish Christian and Muslim Scriptures this book advocates and argues for a hermeneutical approach that reads the Bible and the Qur'an through the lens of love Engaging various exegetical authorities from the Jewish Christian and Muslim traditions Tareq Hesham Moqbel identifies numerous cases of love informed exegesis covering diverse themes and exegetical techniques The exegetical dialogue presented in this book shows that the idea of love takes on greater meaning when studied from the standpoint of comparative exegesis Moreover by analysing this topic through a comparative lens the book argues for a novel conceptualisation of love as an exegetical tool and a reading ethic that connects the Abrahamic scriptural traditions and can be applied beyond them **Titan** ,1856 Forgiveness: Promise, Possibility, & Failure ,2020-05-18 This interdisciplinary collection explores the wealth of nuances surrounding the concept and practice of forgiving The essays within this work ask what it means to forgive what constitutes an appropriate space to forgive what is to be expected of the victim and wrongdoer what actions must be connected to political forms of forgiveness In Praise of Forgiveness Massimo Recalcati,2020-05-19 Relationships fall apart marriages fail couples break up it happens to us all Time corrodes passion and the routines of daily life kill the excitement that surrounds the emotion of the first encounter The difficulty of uniting sexual pleasure with love which Freud considered to be the most common neurosis in any love life has become emblematic of a truth that seems undeniable desire is destined to die if its object is not constantly renewed if we do not change partner if it is closed for too long in the restrictive chamber of the same bond And yet what happens to these bonds when one of the two partners betrays the other when the promise fails when there is another emotional experience cloaked in secrecy and deceit What happens if the traitor then begs forgiveness Are they asking to be loved again and having declared that it is not like it used to be now want everything to go back to how it was Should we make fun of lovers in their attempts to make love last Or should we try to face up to the experience of betrayal with the offence caused by the person we love most Should we not perhaps attempt to praise forgiveness in love **Forgiveness for the Soul** Beth Freeman,2022-05-11 Yes we can forgive others Yes others can forgive us But the most powerful forgiveness of all is the forgiveness we give to ourselves It is the language of self love and it is why we are here to heal from our past to learn to love ourselves and to serve others with our gifts In *Forgiveness for the Soul* The Five Steps to Self Forgiveness author Beth Freeman guides us on a journey to self forgiveness that she herself continues to follow As she shares her personal journey she also provides us with the steps and tools necessary to forgive ourselves When we forgive ourselves we learn to have compassion for who we were leading us to love and accept ourselves as we are When we do so we are then able to share that love and acceptance to those around us co

creating a path to peace for us all Forgiveness for the Soul is meant for anyone who wants guidance on the path to self acceptance and self love The five steps to self forgiveness outlined in this book provide the framework to understand practice and actively work towards self forgiveness in our own lives **Forgiven and Forgiving** L. William Countryman,1998-03-15

Only the strong can forgive God who is strongest forgives best writes Dr L William Countryman in this fresh look at forgiveness Unlike most books on the subject Forgiven and Forgiving is not about a step by step process Rather it is about conversion Once we truly understand the depths of God s love for us and know deep down that we are forgiven we begin to see the world anew through God s eyes Only when we are able to accept God s forgiveness for ourselves can we offer forgiveness to others Biblically based with sound academic research yet written in a conversational style Forgiven and Forgiving offers valuable insights for clergy laity and church study groups *To Bare Witness to the Truth* Scott Dalton Myers,2021-03-16

If God does exist why is there so much evil in the world Why do bad things happen to good people Why do we suffer so many trials and tribulations in our lives These difficult questions that nonbelievers often use to deny God s existence are addressed in this book with the biblical and religious references and answers Proof and evidence of God s existence surround us everywhere we go if we simply open our eyes and our minds to the truth The miracles and incredible balance in nature the wonder of the human body the intricate structure of our eyes and ears cellular complexity molecular genetics DNA the wonders of the Earth and our universe all point to intelligent design It is beyond belief and comprehension that all of these things could have simply evolved from some freak accident of nature The watchmaker s analogy for intelligent design is a good one and is certainly applicable to the creationism versus the evolution and randomness arguments discussed in this book Jesus performed many miracles that were seen by a multitude of people and recorded by eyewitnesses But there are also records of modern day medical miracles that non Christian doctors cannot explain Additionally thousands of people have chosen to share their near death experiences with a research foundation and virtually all of them reported that they came back with a profound understanding of God s love In an interesting 1982 blind prayer study conducted by the San Francisco Medical Center data suggests that the intercessory prayer to the Judeo Christian God had a beneficial therapeutic effect in patients who were admitted to a critical care unit Although there are many biblical and religious documents that recorded events in Jesus s life there are well over ten independent accounts from outside the biblical record that identify over sixty life events and beliefs about Jesus s life Finally we must look to human nature itself for evidence of the existence of God and his son Jesus Christ Many Christians including Jesus and all but one of his disciples were persecuted horribly tortured and died excruciating deaths because of their belief in God Many people throughout history have been willing to die for what they truly believed in but no one willingly dies for what they know to be a lie Finally how do you approach a nonbeliever and talk with them about faith This is difficult for most people as they feel that they must have some specialized training in order to do so One does not need a special gift to evangelize The mandate to be a witness

applies to every follower of Christ This book can help you be a true witness Invitation to Joy John Murray, 2023-12-15 This world would be a better place if we had more love kindness and generosity Invitation to Joy encourages just that It demonstrates with warm true life stories that by reaching out to others with love and kindness the reciprocal returns are multiplied However the book also points to a deeper purpose a more lasting joy which has a spiritual component and will see you through the darkest of life s valleys If you want to be encouraged and uplifted then this is the book for you Praise for the book In Invitation to Joy author John Murray offers winsome insights into navigating with grace and empathy the complexities of our world John has written with wisdom this heartfelt call to action urging us to prioritize love kindness and respect in our interactions In a fractured world Invitation to Joy shows us the path to a life of purpose meaning and hope Dr Ron Unruh Author and Artist This book Invitation to Joy is a thoughtful honest practical and highly inspirational overview of the realities of life on earth and beyond Tough issues and hard questions are not avoided providing credibility authenticity substance encouragement joy and hope Dr Norman Ickert In a convulsing world of pain and sorrow inequality injustice violence and corruption John Murray invites us to pursue joy filled purposeful living John s insightful reflections help us see the positives in all too often negative circumstances David Daniels Freelance Writer and Reviewer Invitation to Joy by its very title invites us reminds us that the choice is ours as to how we respond to what life throws at us The words contained within this book are encouraging supporting and uplifting Oh how we need these words today Rob Ogilvie Executive Minister Canadian Baptists of Western Canada
