characters who thrive within our persona The shadow is saboteur martyr victim addict sadist masochist or tyrant all the dark figures that prey on the lighter qualities of the human personality The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path artistic musical athletic or creative talents An undeveloped ability a dream that has gone unexpressed a fantasy of what might have been these too make up the personal shadow the lost parts of ourselves Tarot Shadow Work shows you how to free yourself from the shackles of the shadow's power Through tarot work journaling meditation creative visualization and dream work you will bring the shadow into the light This book is ideal for those who are in recovery from a serious addiction or illness as well as any person seeking a deeper understanding of his or her true self By exploring the dark and uncharted territory of the unconscious mind you will work towards understanding and integrating the shadow No prior knowledge of the tarot is required You will learn to use the cards as a tool to help you break free from negative patterns and self destructive behavior Once we realize that we are made of both light and darkness life will start to make sense When we accept our dual natures we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves Celebrate the Earth Laurie Cabot, 2014-02-05 Create a

Penczak, 2006 THE PRACTICAL FOUNDATIONS OF MODERN MYSTICISM Yes Mysticism is both Modern and Practical Too often the Mystical is seen as airy fairy and disconnected from the Real World What is this so called Real World You think you know it as that which you can touch and feel the world you plant your feet on and that feeds you You think it's really solid stuff The Real World You're wrong The Real World isn't really solid stuff and the Mystical is actually the very stuff of reality the far bigger reality that is as modern as tomorrow and as practical as money in the bank The Mystical is about actually understanding how things really work and how you can benefit from personal exploration and experience in what some people refer to as the Magical Universe where truly real things happen and affect you in this world you thought was such a

solid thing This Magical Universe where real things happen is the same universe studied by modern scientists at the cutting edge of quantum physics and consciousness and that has been studied for ages by mystics philosophers Kabbalists shamans hermeticists yogis alchemists all scientists exploring those dimensions lying behind below inside and above what you once thought of as the only real world Using Esoteric Technology It is by means of various esoteric technologies that you can actually reach in behind the scenes so to speak to touch work with or even change the inner reality that manifests in the outer world These technologies have been developed out of many differing perceptions of the inner reality that are as equally true and valid as are the many ways to describe the glory of a sunset the beauty of a rose or the glow of love Scientists and Mystics have developed many models to understand explore and relate to this hidden world each as different and yet the same as the brilliant facets on a cut diamond These have names and their validity is enhanced by their attraction to you and the beauty you find in them Certain of them speak to you as others do not and it is your choice and your opportunities to work with those that strike the right cord within you The Many Pathways to Enlightenment In this concise yet deep and insightful book many Pathways to Enlightenment are explored and their inner reality models described illustrated with diagrams and charts Alchemy Ascension Buddhism Christianity Druidism Hermetic Ceremonial Magic Hinduism Judaism Martial Arts Paganism Shamanism Shinto Sufism Thelema Theosophy Witchcraft Yoga and more accompanied by many practical exercises sacred texts and rituals for you to fully experience their power to move you between the worlds An extensive glossary of mystical terms facilitates your understanding across these many systems to build your personal realization What You Will Learn You will understand the Powers of Creation the Elements behind all Manifestation the Fundamental Forces and the Energy Centers within each person the Structure of the Inner Worlds the Spiritual Entities inhabiting other Dimensions the Nature of Sacred Spaces Time Techniques of Meditation Intuition Psychic Development the Foundations of Magic and Methods of Energy Healing You will learn both Eastern and Western Systems understand Initiation and choose the Path that is right for you You will practice Meditation Chakra Balancing Aura Cleansing Rising on the Planes Speak with Spirit Guides Dowsing the Lesser Banishing Ritual of the Pentagram Psychic Travel the Magic Circle Ritual and Explore the Symbols used by Magicians to interact with the inner dimensions **Forthcoming Books** Rose Arny, 2003
