Love And Other Thoughts:

Love and Other Thought Experiments Sophie Ward, 2021-09-28 This impressive debut novel longlisted for the 2020 Booker Prize takes its premise and inspiration from ten of the best known thought experiments in philosophy the what ifs of philosophical investigation and uses them to talk about love in a wholly unique way Married couple Rachel and Eliza are considering having a child Rachel wants one desperately and Eliza thinks she does too but she can't quite seem to wrap her head around the idea When Rachel wakes up screaming one night and tells Eliza that an ant has crawled into her eye and is stuck there Eliza initially sees it as a cry for attention But Rachel is adamant She knows it sounds crazy but she also knows it's true As a scientist Eliza is skeptical Suddenly their entire relationship is called into question What follows is a uniquely imaginative sequence of ten interconnecting episodes each from a different character's perspective inspired by some of the best known thought experiments in philosophy Together they form a sparkling philosophical tale of love lost and found across the universe

Wondrous Love, and other Gospel addresses Dwight Lyman Moody, 2019-12-03 In *Wondrous Love and other Gospel addresses* Dwight Lyman Moody presents a series of passionate and fervent sermons that illuminate the core tenets of Christian faith The book showcases Moody's distinctive literary style characterized by its simplicity accessibility and emotive power allowing the profound spiritual truths to resonate with a broad audience Rooted in the 19th century revivalist movement the addresses are deeply personal yet doctrinally rich embodying a yearning for evangelical fervor and the transformative power of love in the believer's life Dwight Lyman Moody a prominent evangelist and publisher played an influential role in the American religious landscape during his time His own spiritual journey marked by a deep desire to reach the unchurched and bring them to salvation is vividly reflected in these addresses Moody's experiences with social reform and his founding of the Moody Bible Institute were likely pivotal in shaping the themes of love grace and redemption present in this work This collection is highly recommended for readers seeking to deepen their understanding of Christian love and its implications in everyday life Moody's heartfelt eloquence and pastoral care invite readers to explore the profound connection between faith and love making this volume an essential addition to the library of anyone interested in the transformative power of the Gospel In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different works' strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand-picked Memorable Quotes distill pivotal lines and turning points serving as

touchstones for the collection's central themes

Gay Love and Other Big Disasters Dylan James, Jordan and Benjamin's love story has always been like a fairy tale. What they don't realize is that old fairy tales often have a bad ending. Freshly home from their first year of university, Jordan and Benjamin are looking forward to reconnecting with family and friends and growing even closer as a couple. But Jordan's parents are fighting like they've never fought before; their friends are moving forward in their relationships in ways that make Jordan doubt his own; and all the subtle differences between straight and gay relationships start to become loud warning signs that his fairy tale love with Benjamin is headed toward disaster. There's one thing that can get him through all of this: opening up to Benjamin and telling him his deepest fears, but Jordan is too afraid to do so. If he exposes the cracks in their relationship, will Benjamin conclude it's unsalvageable?

Physiology of Love and Other Writings Paolo Mantegazza, 2008-02-16. Physician, anthropologist, travel writer, novelist, politician. Paolo Mantegazza (1831-1910) was probably the most eclectic figure in late nineteenth-century Italian culture. A prolific writer, Mantegazza can be seen as a forerunner of what has come to be known as cultural studies on account of his interdisciplinary approach, his passionate blend of scientific and literary elements in his writings, and his ability to transcend the boundaries between high and low culture. Though extremely popular during his lifetime both in Italy and abroad, Mantegazza's works have not been made available in a significant English language compilation. This volume is a representative overview of Mantegazza's key works, many of them translated into English for the first time. In addition to the unabridged *Physiology of Love* (1873), a veritable best-seller at the time of its initial publication, this compilation features selections from Mantegazza's writings on medicine, his travelogues, his epistolary novel *One Day in Madeira* (1868), and his treatise on materialistic aesthetics. Replete with an extensive and informative introduction by the editor, *The Physiology of Love and Other Writings* also excerpts Mantegazza's works of science fiction, memoir, and social and cultural criticism. As an anthology of the works of Paolo Mantegazza, a writer of diverse topical orientations, this volume is also an account of the circulation of ideas and cross-fertilization of disciplines that defined a crucial period of Italian and European cultural life.

The Being, Love, and Other Attributes of God; as Our Creator, Redeemer, and Sanctifier. Illustrated in Twelve Sermons ... The Second Edition, Etc William Beveridge, 1709

Love, and other poems William BAXTER (of Glasgow.), 1843

Life, Love and Other Mysteries Point of Grace (Musical group), 1996. The country's #1 Christian music group delivers an inspirational message about the faith in God and themselves that propelled them to the top of the charts. Point of Grace is perhaps the hottest act to come out of the Christian music market, which accounts for 12 percent of American popular music sales. Now the four women who comprise this phenomenal group share their message through the printed word with their first book. Includes a 16-page color photo insert.
