The Public Schools Battalion in the Great War Steve Hurst, 2007-07-01 The experience of combat was never more horrific than on the Western Front come to life in this notable addition to the literature of war Washington Examiner Founded in August 1914 with the principle that recruiting would be restricted to public school old boys the volunteers gathered at Hurst Park racecourse in a spirit of youthful enthusiasm A more somber mood soon set in Despite many of the original volunteers leaving to take commissions in other regiments the battalion now officially the 7th Middlesex remained an elite until its disbandment in 1917 The climax of the Battalion's war came on 1 July 1916 Close to the Hawthorn Redoubt Crater are two cemeteries sited on either side of the Auchonvilliers Beaumont Hamel road They contain row upon row of stones marking the graves of members of the Public Schools Battalion The author shocked by this discovery has spent ten years researching the history of the Battalion and the events of that fateful day as they affected it The result is a fascinating and moving record of a very uniquely British battalion It is eminently readable and the personal reminiscences of those who were there add a great deal to its appeal My main interest and fascination with the Great War is to do with the experiences of those who fought and this book gives a great insight into that Steve Hurst wanted to tell the story of the men who were there he has done it very well World War One Battlefields

[War Through Italian Eyes](#) Alexander Henry, 2021-07-18 There is a popular notion that the Italian armed forces of the Second World War were an inferior fighting force Despite the vast numbers taken prisoner detailed studies of the experiences of these soldiers remain relatively uncommon and the value of this group to furthering our understanding of the Italian experience of war under Fascism is also rarely acknowledged The existence in the National Archives of hundreds of pages of transcripts of covert British surveillance of Italian POWs has made it possible to engage with their experiences and opinions in much greater depth The euphemistically termed Special Reports present historians with a unique insight into how all levels of Italian soldiery viewed Fascist Italy's experience of war 1940 1943 This book examines reactions to Italian political leadership the progress of the war as well as Italian soldiers everyday views on sex war the enemy death food their allies bravery race and killing These fascinating documents reveal the complexity of the outlook of these men which persistent and influential national stereotypes and historiographical trends fail to acknowledge
