Turning Points Russell Shaw, 2025-02-26 This book examines how thirteen extraordinary men and women from apostolic times to the present most of them canonized saints came to see how God wanted them to organize their lives and seeing that set out to shape their lives accordingly It adopts a new and illuminating approach to a familiar literary genre the lives of the saints and what the turning points were in their dedicating themselves to God Instead of concentrating on the question of vocation the book situates the thirteen notable men and women in the context of their lives as a whole and profiles them in this broader framework Turning Points probes the stories of highly motivated individuals who in a variety of ways committed their lives to wholeheartedly following Christ and it discusses a number of issues as timely for the Church now as they were then It is engagingly written for all who are interested in serious religious ideas as well as in the inspiring stories of thirteen outstanding people whose lives shed fresh light on living the faith in their times and our own Among those whose stories are told are Saint Paul the Apostle Saint
