Love by Design OJ LEIGH, 2023-09-11 In the bustling cityscape where creativity meets functionality and dreams are built with steel and stone, a tale of unlikely love unfolds. Welcome to Love by Design, a captivating story that takes you on a journey through the world of architecture and interior design, where two distinct minds clash and intertwine, and where the foundations of love are forged. Meet Rory Francisco, a man of exacting precision and restrained emotions, a highly logical architect whose creations are admired for their elegance and efficiency. In contrast, there's Alora Harlow, an effervescent and free-spirited interior designer whose vivid imagination and artistic flair breathe life into spaces, turning them into living works of art. When fate throws these two polar opposites together on a prestigious project, The Grandview Tower, their professional worlds collide with a force that threatens to unravel the delicate threads holding them together. With divergent design philosophies and contrasting approaches, Rory and Alora find themselves at odds, unable to see eye to eye on anything related to the project. But amidst the clashing blueprints and the swirl of emotions, something remarkable starts to happen. As Rory and Alora navigate the maze of their differences, they begin to realize that love, like architecture, is not just about cold calculations or flamboyant aesthetics; it requires balance, compromise, and a deep understanding of the very foundations on which it is built. As the project progresses and the walls of their hearts slowly crumble, Rory and Alora find

themselves entangled in a dance of attraction and resistance They must learn to see beyond the surface to embrace each other's vulnerabilities and strengths and to discover the beauty in the harmonious blend of their ideas Through unexpected mentorships breathtaking designs and tender moments of vulnerability Love by Design explores the intricacies of relationships the power of compromise and the undeniable truth that love is an art to be mastered just like architecture So come along on this enchanting journey of creativity and connection as two souls strive to find balance between their hearts and their crafts Join us in exploring the art of love where blueprints are drawn not on paper but in the depths of the soul and where the lines between passion and profession blur in a symphony of emotions Welcome to Love by Design **Love By**
