Love Canal Pollution Crisis Bryan Nichol Environmental Disasters:

Love Canal Nichol Bryan, 2004 What looked like the perfect neighborhood was really a toxic graveyard In 1978 Americans were shocked to learn about pools of poison waste bubbling up from a long forgotten buried canal Schools closed down and people fled their homes Learn how tons of toxic chemicals buried at Love Canal became an enormous environmental disaster that caused cancer and other medical problems for nearby residents Discover what has been done to make the chemical industry safer and what dangers remain Book jacket

Historical Dictionary of Environmentalism Peter Dauvergne, 2016-09-09 To capture the diversity within environmentalism this dictionary takes a global tack with a focus on ideas events institutions initiatives and green movements since the 1960s It strives to avoid a common error in many histories of environmentalism to exaggerate the input of the wealthy countries of Europe and North America and understate the influence of Africa Asia South and Central America and the Polar Regions It aims as well for a more comprehensive analysis than most histories of the modern environmental movement understanding environmentalism as emerging not only from grassroots and formal nongovernmental associations but also from corporate governmental and intergovernmental organizations and initiatives This assumes the ideas and energy infusing environmentalism with political purpose arise from hundreds of thousands of sources from corporate boardrooms to bureaucratic policies to international negotiations to activists Thus environmentalists are not only indigenous people blocking a logging road Greenpeace activists protesting a seal hunt or green candidates contesting an election an equal or larger number of environmentalists are working within the Japanese bureaucracy to implement environmental policies within the World Bank to assess the environmental impacts of loans within Wal Mart to green its purchasing practices or within intergovernmental forums to negotiate international environmental agreements This second edition of Historical Dictionary of Environmentalism contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important events issues organizations ideas and people shaping the direction of environmentalism worldwide This book is an excellent access point for students researchers and anyone wanting to know more about environmentalism

99 Jumpstarts for Kids' Science Research Peggy Whitley, Susan Williams Goodwin, 2005-12-30 This third entry in the Jumpstarts series focuses on Science topics for upper elementary and middle school students Maintaining the 99 Jumpstarts format of the two previous books 99 Jumpstarts for Kids Science Research is divided into ten broad topical sections Each topic is arranged in alphabetical order under its section Topics include Body Parts Energy Animals Heavens Weather Matter Medicine Technology Environment and Geology This pathfinder approach aides students in the research process helping them define important terms offer beginning questions to help narrow their topic furnish source ideas and some fun activities to explore each topic Grades 4 8
