An Introduction to the Poems of Tennyson Henry Van Dyke, 1903

Flannery O'Connor Preston M. Browning, 2009-08-18 When Flannery O Connor began writing in the early 1950 s many reviewers assumed that she was little more than a talented female Erskine Caldwell writing in the Southern gothic mode And indeed her work was filled with freaks one armed con men and pathological killers By the time she died in 1964 serious readers of her fiction knew there was much more involved in her stories What that extra was she called the added dimension that is the spiritual depth which she

believed was as an ineluctable part of human life Her stories dramatize the ways in which the holy or the sacred break into human life with the result of shocking readers out of their spiritual somnolence using characters who appear to be possessed by the Devil and who commit acts of terrifying violence Browning bases his study of the works of O Connor on the centrality of the yoking of opposites at the point where the opposites coincide where violent crime and attraction for the Holy are held in tension suggesting that out of this tension grew O Connor s extraordinary creative power and unique vision From this point of departure Browning offers a detailed analysis of four O Connor books *Wise Blood* *A Good Man Is Hard to Find* *The Violent Bear It Away* and *Everything That Rises Must Converge* *Quenched* Jessica Harris,2023-01-31 Lust is a man s problem right Wrong When we see lust as an exclusively male issue it leaves Christian women with nowhere to turn when they struggle with the same things They suffer silently and feel like they will never be free Jessica Harris has been there and she has made it her mission to break the silence banish the shame and bring women s struggles into the light of God s grace and forgiveness She understands that when you suffer in silence you are building a wall of shame between yourself and God that God does not desire for you In this authentic and honest book she shows women a road map for restoration that answers the question Is there grace left for me with a resounding and emphatic Yes For any woman who desires to escape the pull of lust pornography and sexual shame this book is a refreshing drink of water that will quench the fire within and point the way toward freedom **Ainslee's** ,1906
