Love Goes A Long Way:

A Little Goes a Long Way Rachael Adams,2022-10-04 A significant life is more simple than you think In a culture where bigger is seen as better it s easy to wonder if your quick prayer between errands or the short note you text a friend means anything in God s kingdom Contrary to how you may feel every little thing you do can go a long way in God s hands Partnering with God unlocks the eternal significance of the smallest act In fifty two devotions Rachael Adams exemplifies this empowering truth and shares personal stories of how God values each deed practical actions for lasting impact and encouraging prayers that reveal how much your contributions matter Watch God take your everyday actions and transform them for his eternal purposes

HIMMELGEIST Frank Luger,2007-11-08 Himmelgeist German for Spirit of Heaven is subtitled A Poetry of Divine Agony Why Because it is devoted to one theme only an uncompromisingly honest search for God not as a truth of any organized religion or individual belief but as a fact of the same indisputable kind as gravitation or electromagnetism However except for a few poems science as such is absent from this volume and the operational framework is still the God of the Bible i e the kind of Heavenly Father that most people still associate with the concept of God The search herein is not unlike an intellectual moral Odyssey which shows a kind of evolutionary pattern from some initially gloomy imagery to the cautious optimism of the closing poems The pen name Felix of the previous volume is replaced by Dr Mir in fact this book contains every poem written by him over a 21 month period This is an original literary work written from June 1987 until March 1989 first published in 2007
