Judgments of Love in Criminal Justice Farhad Malekian, 2017-03-31 This volume is a new chapter in the future history of law Its general perspective could not be more original and its critical ethical edge on the state of international law could not be timelier It explores a compassionate philosophical approach to the genuine substance of law criminal procedure international criminal law and international criminal justice It divides law into three interrelated disciplines i.e. legality morality and love The norm love is derived from human reason for man's advancement and the securing of natural law It is more than a mere mandatory norm Its goal is to generate a normative and positive powerful result therefore avoiding any impurity that may exist in the application of other norms because of political or juridical pressures a one-eyed justice The norm love also renders justice with the principles of legal accountability transparency and the high moral authentic values of humanity The notion of justice cannot be trusted in the absence of the norm love The volume indicates the conditions of its efficiency by proving the reasons for its existence in the context of fairness objectivity and concern for all individuals and

entities The concept of the norm love should be the core academic corpus for lecturing law in all faculties of law It is simply the enlightenment of the 21st century A lawyer with requisite knowledge and skill is not a lawyer if he cannot understand that the law does not need a lawyer with ethical competence in its provisions for income purposes but one with knowledge of its essence for the advanced morality of justice and the sheer essence of love for justice Rhythms of Love - Jasmuheen's Travel Journal Jasmuheen,2012-12-06 As a commitment to witness stimulate and record humanity's co creation of paradise on earth Jasmuheen shares her experiences and insights on this as she travels the globe during 2006 to 2012 From Russia and the Eastern Bloc countries through Europe to the jungles of Colombia and India Jasmuheen reports on her work with many open hearted groups that gather with her In this journal the reader gains insight on what life is like for someone who is in full time service with this paradise co creation agenda Spending nearly half of each year on the road living in hotel rooms airports and seminar halls constantly adjusting to continually changing weather patterns all the while being nourished only by prana Jasmuheen manages to keep herself healthy and happy regardless of the many challenges she faces for despite all of this she grows and learns and thoroughly enjoys meeting with all the beautiful light filled people that she now constantly meets in this world
