(FACILITATOR) Hermann Eben, **Out of the Darkness into the Light** Uzziah Anthony Harris,2010-12-30 Out of the Darkness Into the Light is a cognitive and emotional snapshot that chronicles a mans life during a period of great emotional loss and upheaval It shares the common struggle of our humanity and frailty that is oftenmost present during times of what some would call depression From cover to cover it highlights a journey of self discovery and takes you from the pits of despair disillusionment and self pity to a place of triumph and victory The transparency of this piece is eye opening and comforting while the victory inherent within these short anecdotal essays is to say the least inspiring Some will laugh others will cry but all will in some way shape or form relate to and be impacted by the trials as well as the resolutions illustrated within these pages If one has ever experienced pain or loss and if one has ever searched for answers and not them through their own introspective moments then this book may be of sound assistance to you If you know anyone who is struggling to come to grips with themselves or simply in need of a new birth a new direction and new possibility then have them try this rejuvenating series of life lessons and experience If all seems dark or even dim help them turn on the light this book can help them can help you turn life around Haunted by Paradise James Bernard Murphy,2021-01-07 The Bible today is

weaponized by both liberals and conservatives each side cherry picking their favorite verses Have you ever wondered why the Bible lends itself to supporting contradictory positions in moral debates why even the devil quotes Scripture If so you will enjoy this book Haunted by Paradise reveals the unity and coherence of the Bible in the light of paradise The Bible begins in Eden and ends in the new Jerusalem in between the Bible is haunted by the memory of paradise lost and the hope for
