Love Is Fire:

I Love a Fire Fighter Ellen Kirschman, 2021-06-24 This second edition of *I Love a Fire Fighter* is like the first intended to raise awareness of the psychological consequences of being a fire service family. It is my objective to describe the subtle and obvious ways the demands of this unique occupation spill over to home and to suggest strategies that you as a parent, a child, a sibling, a spouse, a friend, or a significant other can use to manage the spillover and/or learn to live with it. *Love is a Fire* Llewellyn Vaughan-Lee, 2001-07-15 Based on live talks and meetings with Llewellyn Vaughan Lee, this is an introduction to the passion and wisdom of the Sufi path of love. The call of the heart and how it draws us back to divine union is one of mankind's greatest secrets, and for the Sufi, this love is a fire that burns away all traces of separation. Vaughan Lee teaches how to live this burning and describes stages of the path of love on the soul's journey home. *Love Is a Fire* includes descriptions of the friends of God, early Sufi saints who burned with the fire of divine love, including Rumi, Ibn Arabi, and Rabi'a. It also introduces elements of the path and important tools that purify the wayfarer: *tauba*, the moment of the turning of the heart when the soul remembers its divine origin; *dhikr*, the central Sufi practice of remembrance of God through repetition of the name of God or a sacred phrase; meditation; a way of drowning thoughts in the fire of love; and dreamwork, a way of listening and attuning to the mystery of what is hidden within us, the stories of our deeper selves. This book is also available as an audio recording. *Love is a Fire* and *I am Wood*, published by Sounds True, forged in the fire of the heart; this is a book for all those who are looking for the direct way to connection with the Eternal Now. Simply to read this fine expression of a lifetime's longing is to feel aligned with the Divine Ground. Anne Baring, coauthor *The Divine Feminine*, a gift to all seekers whatever path they are on. Andrew Harvey, author *Light Upon Light: A Celebration of Rumi*. *Love's Fire Works* Andrew Carey, 2015-12-15 *Loves Fire Works* The Rule Breaker is an explosive, power-packed work that communicates boldly about God's fiery works to birth love's greater mysteries. The author shares his journey to overcome panic attacks and marital fireworks, and his personal stories offer hope and perspective for those struggling with relationships, anxiety, depression, hopelessness, or identity issues. This challenging yet grace-filled work is a refuge and light for connecting with God during trials. This work cries out with a tenacious, ever-pursuing love beyond the rules and ways of this earth, and yet with a divine justice that feeds and gathers the poor, afflicted, and outcast. Going further with God means breaking our rules, burning away the old to awaken us to know God's perfect love that casts out fear and judgment. This ground-breaking thought-provoking work will stir the Spirit to greater life within you for a long time to come. **The Transforming Fire of Divine Love** John H. Armstrong, 2025-03-01 Most Bible readers know God is love. 1 John 4:8, 16. And most have heard the words of John 3:16. God so loved the world, perhaps the best-known verse in the entire Bible. But few readers realize that these are perhaps the most daring verses in all the Scripture. Why? They tell us who God is and why we can trust him. Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love. How did this happen? What

can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe

Fire of Love Jean-Marie de la Trinite,2001-06 Fire Of Love is the song of songs of the soul s ascent to God and mystical transformation into God It is the universal story of human emergence into Divine Consciousness seen through the eyes of Curtis Lowe a contemporary mystic who happens to be gay

Reading the Song of Songs with St. Thomas Aquinas Serge-Thomas Bonino,2022-08-24 St

Thomas Aquinas never commented on the Song of Songs The purpose of this book is to demonstrate however that he meditated on it and absorbed it so that the words of the Song are for him a familiar repertoire and a theological source His work contains numerous citations of the Song not counting his borrowings of vocabulary and images from it In total there are 312 citations of the Song in Aquinas s corpus along with citations of the Song that are found in citations that Aquinas makes of other authors as for example in the Catena aurea Understanding the purpose and placement of these citations significantly enriches our understanding of Aquinas as a theologian biblical exegete and spiritual master The book contains an Appendix listing and contextualizing each citation The study of the citations of the Song especially illuminates Aquinas s spiritual doctrine By citing the Song Aquinas emphasizes the spiritual life s path of dynamic ascent through an ever increasing participation in the mystery of the nuptial union of Christ and the Church through love The Song also highlights the eschatological tension or yearning present in the spiritual life which is ordered to the fullness of beatific vision Although Aquinas s theology is highly intellectual by citing the Song he brings out the affective character of the spiritual life and conveys the centrality of love in the soul s journey toward Christ He also draws together contemplation and preaching through his use of the Song
