On Freedom, Love, and Power Jacques Ellul, 2015-01-01 One of the most important and original thinkers of the twentieth century Jacques Ellul 1912 1994 was a noted sociologist historian law professor and self described Christian anarchist At the University of Bordeaux Ellul taught and wrote extensively on the relationship between technology and contemporary culture the tenets of the Christian faith and the principles of human freedom and responsibility On Freedom Love and Power is the transcription of a series of talks given by Ellul in 1974 in which he refines and clarifies some of his most controversial insights on the Jewish and Christian Bibles and their relevance to contemporary society This expanded edition of Ellul s talks features additional material previously unavailable that focuses on Christianity s potential service to humanity as a community that exemplifies a society where people are reconciled with one another and with God

Cosmos and Image in the Renaissance Kathryn Banks, 2017-07-05 Renaissance images could be real as well as linguistic Human beings were often believed to be an image of the cosmos and the sun an image of God Kathryn Banks explores the implications of this for poetic language and argues that linguistic images were a powerful tool for rethinking cosmic conceptions She reassesses the role of natural philosophical poetry in France focusing upon its most well known and widely read exponent Guillaume de Saluste Du Bartas Through a sustained analysis of Maurice Sceve s Delie Banks also rethinks love lyric s oft noted use of the beloved as image of the poet Cosmos and Image makes an original contribution to our understanding of Renaissance thinking about the cosmic the human and the divine It also proposes a mode of reading other Renaissance texts and reflects at length upon the relation of literature to history to the history of science and to political turmoil

A Theology of Disagreement Christopher Landau, 2021-05-31 Even the most casual contemporary observer of Christianity must recognise that the notion of Christian community being identifiable through the mutual love of its members John 13 35 is difficult to reconcile with the schismatic reality of current ecclesial life Nonetheless disagreement remains an ethical subject neglected by theologians A Theology of Disagreement New Testament Ethics for Ecclesial Conflicts examines how New Testament texts inform Christian approaches to disagreement Drawing on New Testament themes the book explores the nature of an ethic of disagreement and its practical implications for the church s public theological witness as well as its liturgy

Love Objects Anna Moran, SORCHA O'Brien, 2014-08-28 How are love and emotion embodied in material form Love Objects explores the emotional potency of things addressing how objects can function as fetishes symbols and representations active participants in and mediators of our relationships as well as tokens of affection symbols of virility triggers of nostalgia replacements for lost loved ones and symbols of lost places and times Addressing both designed things with attitude and the wild things of material culture Love Objects explores a wide range of objects from 19th century

The Living Image in the Middle Ages and Beyond Kamil Kopania, Henning Laugerud, Zuzanna Sarnecka, 2025-02-25 This edited volume discusses images that bleed, speak, cry, move, and behave in ways we usually attribute to living creatures. Living images have been the object of devotion as well as targets of destruction, and they have been marginalised in both culture and cultural studies for their ambivalence as well as their transgressive nature. But what is it that makes images the loci of such powerful properties? The present volume is an attempt to recuperate the living image, draw it from the margins, and re-illuminate its importance for cultural history. The title of this book reflects the ambition of the contributions to navigate between the Middle Ages of the past and the Middle Ages of the present. Our aim is to provide new theoretical reflections and methodologies concerning the study of material agency and living images, both historically and today. The chapters include close examination of surviving objects and archival research, as well as theoretical reflections and span chronologically and geographically across Europe from North to South, medieval to modern. The book will be of interest to scholars working in art history, medieval studies, material culture, theatre studies, and religious history.

The Godly Image Romanus Cessario, 2020-06-19 Christian satisfaction stands at the center of the Church's teaching about salvation. Satisfaction pertains to studies about Christ, redemption, the Sacraments, and pastoral practice. The topic also enters into questions about God and the creature, as well as about the divine mercy and providence. Somewhat neglected in the period after Vatican II, satisfaction now appears to scholars as the forgotten key to entering deeply into the mystery of Christ and his work. Seminarians especially will benefit from studying the place satisfaction holds in Catholic life. Further ecumenical work requires a proper understanding of the place that satisfaction holds in Christian theology. Various factors operative since the sixteenth century have worked to displace satisfaction almost entirely from reformed practice and theology. To address such concerns, *The Godly Image* has over the past several decades and more done a great deal to put satisfaction within its proper context of image restoration. That is to interpret satisfaction within the context of the divine mercy, and not the divine justice. This unique contribution to satisfaction studies owes a great deal to the achievement of Saint Thomas Aquinas. In this sense, the book enacts a retrieval of the theology of the high classical period. Like much of Aquinas's refined teaching, a proper understanding requires appeal to the commentatorial tradition that follows him. Interested students will find in this study the touchstones for further studies of these authors. *The Godly Image* I aims also to distinguish the theology of Aquinas from that of the medieval author with whom the notion of satisfaction remains mostly identified: that is, Anselm of Canterbury. Although not a developed focus of the book's contents, the attentive reader will recognize that Aquinas treats Saint Anselm with a reverential reading, even as the Common Doctor moves significantly away from interpretations of satisfaction that suggest that an angry God exacts from his innocent Son a painful substitutional penalty for a fallen human race.

The Life and Photography of Doris Ulmann Philip Walker Jacobs,2014-10-17 Doris Ulmann 1882 1934 was one of the foremost photographers of the twentieth century yet until now there has never been a biography of this fascinating gifted artist Born into a New York Jewish family with a tradition of service Ulmann sought to portray and document individuals from various groups that she feared would vanish from American life In the last eighteen years of her

life Ulmann created over 10 000 photographs and illustrated five books including Roll Jordan Roll and Handicrafts of the Southern Highlands Inspired by the paintings of the European old masters and by the photographs of Hill and Adamson and Clarence White Ulmann produced unique and substantial portrait studies Working in her Park Avenue studio and traveling throughout the east coast Appalachia and the deep South she carefully studied and photographed the faces of urban intellectuals as well as rural peoples Her subjects included Albert Einstein Robert Frost African American basket weavers from South Carolina and Kentucky mountain musicians Relying on newly discovered letters documents and photographs many published here for the first time Philip Jacobs s richly illustrated biography secures Ulmann s rightful place in the history of American photography

The Image of Modern Man in T. S. Eliot's Poetry Mariwan Nasradeen Hasan Barzinji,2012 A Synopsis of The Image of Modern Man in T S Eliot s Poetry The book presents an original understanding of The Image of Modern Man in T S Eliot s complex and difficult poems in an easy and understandable way Eliot s vision of the Modern Man and the modern world is depicted throughout Eliot s most well known poems Eliot was criticized by some critics for the quality of his work The aim of this book is to show what an excellent and successful writer he is to reveal the value and the contemporaneity of his work His poetry is highly evaluated for its unique way of depicting the Modern human by realizing their problems as well as finding solutions for them The book is a great help not only for students but also for researchers as the writer has spent much time in reading Eliot s Poems He has also written an ample introduction about modernism modernity modern literature and modern poetry which might be enough to understand the rise of modern poetry All of Eliot s poems especially The Waste Land has presented readers with all the aspects of the modern life Life is depicted as a mirror broken and shattered into pieces as it is clear in the different parts of the poem Eliot unlike many poets did not leave the modern man lost in despair but he finds them their peace of mind by having a true and stable faith as well as their turning to God The only solution for the entire problems of modern man is to turn to God and neglect the world that completely occupied them spiritually Modern man lost has lost his values especially women by only looking after children many of them turned to prostitution because they did not have any source of income therefore they used that as a way to earn money to maintain life These are the characteristics of the modern city which are shared by all the countries especially Europe Eliot insists on the necessity of turning from world to God He believed that God can solve their problems because man or any other earthly power could not change that gloomy and aimless life which modern man complained against **It**
