Various Artists' Red Hot + Blue John S. Garrison,2024-09-19 Red Hot Blue is a meditation on music s capacity to find us transform us and help us make sense of our historical moment Blending memoir and cultural history Garrison recalls his coming out at the height of the AIDS crisis alongside the music industry s first major response to the epidemic In 1990 a groundbreaking effort by musical artists sought to combat the silence and stigma about the disease The resulting tribute album to legendary composer Cole Porter was evocatively titled Red Hot Blue capturing both the joy and melancholy that accompany love during turbulent times It re imagined those iconic songs including Don t Fence Me In Every Time We Say Goodbye Night and Day not just to celebrate the composer but also to offer a shared vision for survival In this book Garrison

reflects on his own life story through the lens of Porter's life and music to illuminate the emotional landscape we all navigate in the search for love. *Red Hot Blue* returns us to the early 1990s to reveal how the love songs of the past can be revived to speak to new audiences in times of need. The book is the portrait of an album, a pandemic, and a young gay man's coming of age in the era of both.

Tasting Blue Laura Francis, 2020-11-16. The prophetic church is on the rise to bring a hope reformation to the world. The Hope Diamond is the largest blue diamond on Earth, and it is the heavenly symbol of this hope reformation. The Hope Diamond has a voice. It carries a message from God that can be heard by those who understand the scriptural meaning of jewels and color. In this book, the Hope Diamond's true identity and heavenly message are revealed. Five physical senses help people interpret the material world: sight, smell, touch, taste, and sound. Each of these senses has a greater spiritual match. Once awakened, these senses defy the limits of what could formerly be perceived and engage us with reality on a whole new level. The spiritual dimension earnestly awaits each individual awakening. *Tasting Blue* is a collection of prophetic writing that cultures and nurtures the spiritual senses. It beckons each reader beyond the mental confines of worldly perspective and helps us to interpret reality through a different kind of sight. Ephesians 1:17 says that Jesus opens our eyes. The surprise lies in the set of eyes that Jesus comes to open. Laura Francis writes in poems and parables, a form of prophetic language seen often within the Scriptures. She writes to accelerate our understanding of spiritual realities. Using scriptural references, her work helps reveal the treasure found within the pages of the Holy Bible: precious words given by God to edify, encourage, and comfort humanity.
