Making Country Furniture:

Making Country Furniture Edward A. Baldwin, Stevie Baldwin, 1986-09-01 **Making Swedish Country Furniture and Household Things** Hans Keijser, 2008-10-01 The 35 woodworking projects in this book come directly from Sweden's past and the original pieces can be seen in Swedish museums. Many of the pieces evoke familiar early American styles but with a distinctive Swedish touch. The projects include small and easy to make things such as a plate rack, child's stool, tray and simple cutting boards. Others are larger and more challenging like the stepladder, the armchair with turned arms and legs, the shelf with built-in drawers and the sturdy country bed. Each piece is photographed and every detail is accurately described. Step by step instructions and expertly drawn how-to diagrams are given for every project. There are also instructions for traditional Swedish finishing, painting and staining methods.

Making Country Furniture George Buchanan, 1997 George Buchanan shows you how to create 15 pieces of country furniture that include a trinket box, a sleigh bed, a corner cupboard, a child's chair and a trestle table. Basic woodwork tools and skills are all you need as the step by step instructions and illustrations help you through all the making stages from preparation of timber to marking out, from cutting joints to assembly. The techniques are made easier with problem solving sections and helpful hints and tips. Each project highlights key subjects such as finishing, ebonising, panelling or dovetailing. Fully dimensioned plans and cutting lists complete this comprehensive and inspirational guide.
