Medical Law And Moral Rights

Fred Rosner

Medical Law And Moral Rights:

Medical Law and Moral Rights Carl Wellman, 2005-10-26 Do patients undergoing intolerable irremediable suffering have a moral right to physician assisted suicide Ought they to have a comparable legal right Do the moral duties of a mother to care for and not abuse her child also apply to her fetus This work provides an examination of court cases that shows how US law answers these questions

Medical Law and Moral Rights Carl Wellman, 2005-12-29 Medical Law and Moral Rights discusses live issues arising in modern medical practice Do patients undergoing intolerable irremediable suffering have a moral right to physician assisted suicide Ought they to have a comparable legal right Do the moral duties of a mother to care for and not abuse her child also apply to her fetus Ought fetuses to be given legal rights requiring pregnant women to submit to medical treatment without their consent Ought single women homosexual couples or persons carrying serious genetic defects to have a legal right to procreate Ought a physician to perform an abortion requested for some frivolous reason Ought physicians to be permitted to refuse to provide medically futile treatment demanded by their patients An examination of relevant court cases shows how United States law answers these questions The author then advocates improvements in the law to make it respect our moral rights more fully To justify his conclusions he proposes original conceptions of the human rights to life procreational autonomy privacy equitable treatment and personal security Thus these essays test the usefulness of the theory of rights explained and defended in *An Approach to Rights* and elsewhere

Issues in Medical Law and Ethics Derek Morgan, 2012-12-06 Thirty years ago English jurist Patrick Devlin wrote Is it not a pleasant tribute to the medical profession that by and large it has been able to manage its relations with its patients without the aid of lawyers and law makers Medical interventions at the beginnings and the endings of life have rendered that assessment dated if not defeated This book picks up some of the most important of those developments and reflects on the legal and social consequences of this metamorphosis over the past ten years and will be of interest to students of law sociology and ethics who want a considered and critical introduction to and reflection on key issues in these pivotal moments of human life

Medical Law Jo Samanta, Ash Samanta, 2015-05-28 The second edition of a major text provides a thorough exploration of medical law and ethics written from the perspective of authors who are medical and health care practitioners as well as law lecturers This unique combination of academic knowledge and professional experience provides a unique perspective through which the subject is examined with academic rigour underpinned by practical insights The text features an innovative series of scenarios threaded through each chapter to illustrate the practical realities behind the rules and concepts discussed The format also includes mind maps key terms end of chapter summaries self test exercises and suggestions for further reading

Disability, Health, Law, and Bioethics I. Glenn Cohen, Carmel Shachar, Anita Silvers, Michael Ashley Stein, 2020-04-23 Historically and across societies people with disabilities have been stigmatized and excluded from social opportunities on a variety of culturally specific grounds In this collection the authors explore the impact

that the philosophical framing of disability can have on public policy questions in the clinic in the courtroom and elsewhere They examine the implications of this understanding for legal and policy approaches to disability strategies for allocating and accessing health care the implementation of the Americans with Disabilities Act health care rights and other legal tools designed to address discrimination This volume should be read by anyone seeking a balanced view of disability and an understanding of the connection between the framing of disability and policies that have a real world impact on individuals

Medical Ethics and Law Dominic Wilkinson, Julian Savulescu, Tony Hope, Judith Hendrick, BA, LLM, 2008-03-06 This is a short textbook of ethics and law aimed primarily at medical students The book is in two sections The first considers general aspects of ethics in the context of medicine the second section covers the topics identified in the consensus agreement The content of medical law is not intended to be comprehensive and relates very much to the ethical issues The law will be updated throughout including consent in light of Mental Capacity Act mental health law in light of Mental Health Act end of life depending on outcome of Burke case and the passage of the Joffe Bill assisted reproduction in light of expected changes in HFEA New guidelines to be added the guidelines and processes around medical research are under review and likely to develop and change GMC guidelines are under continual revision the Burke case in particular may have direct impact but it is also likely that the confidentiality guidelines will undergo revision particularly in view of the increasing importance of genetic data The new legal aspects outlined above will require some changes to the ethical analysis the ethical issues of new technology will be included cloning transgenesis and chimera i e forming organisms from more than one species and stem cells resource allocation ethics is moving on to examining a wider range of issues than covered in the first edition and this will be discussed the whole area of mental disorder and capacity to consent is an active area of ethical research and the second edition would cover some of this new work

Medical Ethics Today British Medical Association, 2012-01-31 This is your source for authoritative and comprehensive guidance from the British Medical Association BMA Medical Ethics Department covering both routine and highly contentious medico legal issues faced by health care professionals The new edition updates the information from both the legal and ethical perspectives and reflects developments surrounding The Mental Capacity Act Human Tissue Act and revision of the Human Fertilisation and Embryology Act

Routledge Handbook of Medical Law and Ethics Yann Joly, Bartha Maria Knoppers, 2014-09-19 This book explores the scope application and role of medical law regulatory norms and ethics and addresses key challenges introduced by contemporary advances in biomedical research and healthcare While mindful of national developments the handbook supports a global perspective in its approach to medical law Contributors include leading scholars in both medical law and ethics who have developed specially commissioned pieces in order to present a critical overview and analysis of the current state of medical law and ethics Each chapter offers comprehensive coverage of longstanding and traditional topics in medical law and ethics and provides dynamic insights into contemporary and emerging issues in this heavily debated field Topics covered include

Bioethics health and human rights Medical liability Law and emerging health technologies Public health law Personalized medicine The law and ethics of access to medicines in developing countries Medical research in the genome era Emerging legal and ethical issues in reproductive technologies This advanced level reference work will prove invaluable to legal practitioners scholars students and researchers in the disciplines of law medicine genetics dentistry theology and medical ethics **The Moral Dimensions of Human Rights** Carl Wellman,2011-02-03 In The Moral Dimensions of Human Rights Carl Wellman takes a broad approach to human rights by discussing all three types moral international and national at length At the same time Wellman pays special attention to the moral reasons that are relevant to each kind of human rights

Exploitation, Ethics and Law Suzanne Ost,Hazel Biggs,2021-08-25 Focusing on a matter of continuing contemporary significance this book is the first work to offer an in depth exploration of exploitation in the doctor patient relationship It provides a theoretical analysis of the concept of exploitation setting out exploitation s essential elements within the authors account of wrongful exploitation It then presents a contextual analysis of exploitation in the doctor patient relationship considering the dynamics of this fiduciary relationship the significance of vulnerability and the reasons why exploitation in this relationship is particularly wrongful Two case studies sexual exploitation and assisted dying are employed to assess what the appropriate legal ethical and regulatory responses to exploitation should be to identify common themes regarding the doctor s behaviour such as the use of undue influence as a conduit through which to take advantage of and misuse patients and to illustrate the effects of exploitation on patients A recurring question addressed is how exploitation in the doctor patient relationship is and should be dealt with by ethics regulators and the law and whether exploitation in this relationship is a special case The book provides a critical interdisciplinary evaluation of exploitation in the doctor patient relationship that will be of interest to health care lawyers bioethicists legal academics and practitioners health care professionals and policymakers Law and Nursing E-Book Jean McHale,John Tingle,2007-05-29 This title is directed primarily towards

health care professionals outside of the United States The new and fully updated edition of this leading textbook places law in the context of nursing practice today Recent developments examined include the Human Tissue Act 2004 which regulates the use of human material for research and transplantation purposes the Mental Capacity Act 2005 which regulates treatment concerning patients lacking mental capacity new developments in patient safety and risk management and the revised NHS patient complaints system Up to date information on The revised NHS patient complaints system Human Tissue Act 2004 Mental Capacity Act 2005 and Developments in patient safety and risk management Accessible up to date account of the law and its application to nursing practice Coverage of controversial subject areas such as assisted suicide Information on nurse prescribing Up to date information on Human Tissue Act 2004 Mental Capacity Act 2005 Developments in patient safety and risk management The revised NHS patient complaints system **Parental Responsibility, Young Children and Healthcare Law** Jo Bridgeman,2007-04-19 This book provides a comprehensive examination of the legal regulation of

the provision of healthcare to young children in England and Wales A critical analysis is given on the law governing the provision of healthcare to young and dependent children identifying an understanding of the child as vulnerable and in need of protection including from his or her own parents The argument is made for a conceptual framework of relational responsibilities which would ensure that consideration is given to the needs of the child as an individual to the experiences of parents gained as they care for their child and that the wider context such as attitudes towards disability public health issues or the support and resources available is examined This book makes an important contribution to understanding the law regulating the provision of healthcare to young and dependent children and to the development of a discourse of responsibility

The Proliferation Of Rights Carl Wellman,2018-02-07 The Proliferation of Rights explores how the assertion of rights has expanded dramatically since World War II Carl Wellman illuminates for the reader the historical developments in each of the major categories of rights including human rights civil rights women s rights patient rights and animal rights He concludes by assessing where this proliferation has been legitimate and helpful cases where it has been illusory and unproductive and alternatives to the appeal to rights

Medical Law And Moral Rights Introduction

In the digital age, access to information has become easier than ever before. The ability to download Medical Law And Moral Rights has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medical Law And Moral Rights has opened up a world of possibilities. Downloading Medical Law And Moral Rights provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medical Law And Moral Rights has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medical Law And Moral Rights. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medical Law And Moral Rights. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medical Law And Moral Rights, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Medical Law And Moral Rights has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Medical Law And Moral Rights Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
