

A photograph of a lush green forest. Tall, slender trees with dark trunks stand closely together. The canopy is thick with vibrant green leaves, and sunlight filters through in dappled patterns, creating a serene and peaceful atmosphere. The forest floor is covered in a layer of green moss and ferns.

Meditate Upon These Things

Prophet Paul L. Brantley

Meditate Upon These Things:

The Epistles of St. Paul to the Colossians, Thessalonians, and Timothy Michael Ferree Sadler, 1890 **Bible PerVERSIONS** Eric Neumann, 2014-07-03 Since holy means perfect sinless perfection there can only be one Holy Bible in each language With hundreds of English translations available which one is God's Holy Bible Bible PerVERSIONS How Satan Changes God's Word To Lead You Astray starts with a ten page introduction concluding that the King James Version is God's only English Holy Bible today It then gives over 200 pages of quotations from the four most popular English translations KJV NIV NKJV and NLT detailing what the modern versions have changed and what those changes mean doctrinally If that is too much detail 20% of the passages are highlighted as being the worst perVERSIONS of God's Holy Bible **Meditation** Kelly Chance Beckman, 2011 **Notes, Explanatory and Practical, on the Epistles of Paul to the Thessalonians, to Timothy, to Titus, and to Philemon. By Albert Barnes. With the Text**, 1852 Top Secrets of Life Warren Reid, 2020-01-23 I cannot make much claim about this book All the honour must go to God When I have written a chapter of the book and read it over I said this is not I it must be God God is the inspirational writer of this book and whosoever reads it reads the book of God God wants to reach out to all of His children so this book is for everyone The book will guide you into great truths so that you can overcome the evil one It is the truth when applied to man sets him free God has said For lack of knowledge my people are destroyed Hosea 4:6 KJV God does not want His children to be destroyed so He sent His servants to give them knowledge It is essential that you study and apply the teachings of Top Secrets of Life for through it you can find the knowledge of God One of our great mistakes is doing our own things and not allowing God to work through us Now let me leave you with this saying and please keep it in memory at all times Man must cease from his own works and let God work through him **Shut-Up! I'm Thinking** Prophet Paul L. Brantley, 2018-03-19 Be careful of what you think about what you are thinking about will mess with where you're going As you recognize that your mind is full always defend yourself out loud That means speaking to Satan and the evil forces out loud binding them in the Name of Jesus and forbidding them to lie to you and to use your mind When you catch a lie to your mind use this prescription regularly and you will regain peace your memory restful nights and the ability to concentrate and comprehend *The Philosophy of the Upanishads and Ancient Indian Metaphysics* Archibald Edward Gough, 1882 The Philosophy of the Upanishads and Ancient Indian Metaphysics Archibald Edward Gough, 2013-11-05 First Published in 2000 This is volume IX of 10 in the Oriental Series based on India and its language and literature and is concerned with a collection of the philosophy of the Upanishads and the ancient Indian metaphysics Those interested in the general history of philosophy will find in this book an account of a very early attempt on the part of thinkers of a rude age and race to form a cosmological theory The real movement of philosophic thought begins it is true not in India but in Ionia but some degree of interest may still be expected to attach to the procedure of the ancient Indian cosmologists The Upanishads are so many songs before sunrise spontaneous effusions of awakening reflection half

poetical half metaphysical that precede the conscious and methodical labour of the long succession of thinkers to construct a thoroughly intelligible conception of the sum of things For the general reader then these pages may supply in detail and in the terms of the Sanskrit texts themselves a treatment of the topics slightly sketched in the third chapter of Archer Butler's first series of Lectures on the History of Ancient Philosophy *People's Christian Bulletin*, 1917 **THE BEST OF THE KAMBULOW** walter kambulow, 2003-06-01 As for God His way is perfect The word of the LORD is proven He is a shield to all who trust in Him For who is God except the LORD And who is a rock except our God It is God who arms me with strength And makes my way perfect He makes my feet like the feet of deer And sets me on my high places He teaches my hands to make war So that my arms can bend a bow of bronze You have also given me the shield of Your salvation Your right hand has held me up Your gentleness has made me great Psalm 18 30 35 The book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote **Sermons by the Rev.
