

The background of the cover features a 3D ball-and-stick model of a molecular structure. It consists of several red spheres (likely representing oxygen or sulfur atoms) and blue spheres (likely representing nitrogen or carbon atoms) connected by thin, light-colored rods representing chemical bonds. The structure is complex and branching, with some atoms appearing to be part of a ring system. The overall aesthetic is scientific and modern, with a soft, out-of-focus effect.
