Mexicos External Relations In The 1990s:

Mexico's External Relations in the 1990's Riordan Roett, 1991 Examining the various components of Mexico's external relations both political and economic the authors explore possible scenarios for the country in the changing global environment of the 1990s

The United States and Latin America in the 1990s Jonathan Hartlyn, Lars Schoultz, Augusto Varas, 2014-03-30 A comprehensive examination of both unresolved tensions in inter American relations and the specific problems facing U S and Latin American policymakers in the 1990s American Political Science Review These well integrated essays analyze the key issues in contemporary inter American relations very clearly The authors address their themes with subtlety and insight in this first overall assessment of North South relations in the Western Hemisphere during the post Cold War period Christopher Mitchell New York University A superb contribution At a time when U S Latin American relations face a critical turning point policymakers would benefit from a careful reading of this fine book Eduardo A Gamarra Florida International University

Role Theory and Mexico's Foreign Policy Omar A. Loera-González, 2023-10-06 Role Theory and Mexico's Foreign Policy examines why Mexico has an unusual foreign policy for a middle power country Using a series of case studies to show how role conflict has operated in Mexico's foreign policy Omar Loera Gonz lez studies three specific settings where Mexico could have displayed middle power behaviour First he analyses Mexico's controversial membership and performance in the Iraq crisis within the Security Council of the United Nations from 2002 to 2003 The second case study examines Mexico's ambition to display a regional leadership role in regional multilateral bodies like the Community of Latin American and Caribbean States CELAC and the Pacific Alliance PA In the third and final case study Loera Gonz lez focuses on Mexico's engagement in human rights and democracy promotion Conflicting expectations from several actors domestic and external have led to a foreign policy contradictory to what is expected for a country with Mexico's material capabilities and its foreign policy objectives This book will be of interest to graduate students and researchers who work on and with foreign policy analysis and role theory or to those with a research interest on Mexico
