

He's in a cage, I reminded myself, but the words meant nothing to me, because I just couldn't stop staring into his wild eyes and playing the last words he'd said before he Shifted, over and over again.

At the age of four, Bryn watched a rogue werewolf brutally murder her parents. Alone in the world, she was rescued and taken in by the mysterious Callum, the alpha of his werewolf pack. Now fifteen, Bryn's been raised as a human among werewolves, adhering to pack rule (mostly). Little fazes her.

But the pack's been keeping a secret, and when Bryn goes exploring against Callum's direct orders, she finds Chase, a newly turned teen Were locked in a cage. Terrifying memories of the attack on her mom and dad come flooding back. Bryn needs answers, and she needs Chase to get them. Suddenly, all allegiances to the pack no longer matter. It's Bryn and Chase against the werewolf world, whatever the consequences.

An exciting paranormal adventure, with a heroine who rivals Buffy. *Raised by Wolves* will leave you howling for more.
