This handbook provides a comprehensive guide to methods terms and concepts used by biblical interpreters It offers students and non specialists an accessible resource for understanding the complex vocabulary that accompanies serious biblical studies Articles arranged alphabetically explain terminology associated with reading the Bible as literature clarify the various methods Bible scholars use to study biblical texts and illuminate how different interpretive approaches can contribute to our understanding Article references and topical bibliographies point readers to resources for further study This handbook now updated and revised to be even more useful for students was previously published as *Interpreting the Bible A Handbook of Terms and Methods* It is a suitable complement to any standard hermeneutics textbook **Saul, Doeg, Nabal, and the "Son of Jesse"** Joseph Lozovyy,2009-01-01 This work examines some of the stories in 1 Sam 16-25 with the particular focus placed on Saul Doeg Nabal and the son of Jesse It seeks to discover new meaning in the structure as well as in the characters functions in the narratives by studying the stories synchronically and diachronically One of the mysterious characters in 1 Samuel that has puzzled many a scholar is Nabal the Calebite This study scrutinizes the elements of his characterization in 1 Sam 25 and considers his abuses of the son of Jesse the contextual role of the geographic setting and political environment during King Saul's reign Similarly this volume studies the function of the character of Doeg the Edomite in 1 Sam 21 and 22 regarding his Edomite origin his particular business in Nob and his official status in Saul's court The phrase the son of Jesse is quite important in 1 Samuel and serves a particular purpose in the thematic development in the second half of the book Viewed against the background of the Saul David relationship it underscores the superiority of the Davidic person in

advancing the divine plan for the nation of Israel The determination of the book s historical context is the key to understanding the multilayered messages The roles of history and ideology in making these stories are also considered with the proposal that the making of the book s of Samuel after the Exile 5th c B C might have been instigated by the writer s desire to create the context needed for further development of the messianic ideas **NLT Parallel Study Bible**
