Soul of the Sword Robert L. O'Connell, 2002 In an elegantly illustrated volume a noted historian reveals culture society and history through the saga of war and its implements from the claws and horns of our evolutionary antecedents to today's nuclear MIRV missiles 150 illustrations throughout **Casualties of the New World Order** M. Wesley, 1997-07-14

**Casualties of the New World Order** contends that the high rate of failure among post Cold War UN missions are attributable to common weaknesses which are vulnerable to civil war dynamics These mission weaknesses derive from the high level of control over the missions mandates and operations wielded by combinations of self interested and distracted UN member states The effects of these weaknesses are examined in the failed missions in Bosnia Somalia and Angola while their absence is observed in the successful missions to El Salvador Mozambique and Cambodia **Eyewitness Korea** James

Goult, 2018-11-30 Today the Korean War of 1950 1953 is overshadowed by later twentieth century conflicts in Vietnam and the Middle East yet at the time it was the focus of international attention It threatened to lead to a third world war and although fought on a limited scale it still involved over a million men under UN command and even more on the Communist side It left the American and British troops who took part with a range of intense recollections that often marked them for the rest of their lives and it is these experiences that James Goult draws on in this eyewitness history of the conflict He uses official documents letters diaries regimental histories memoirs oral histories and correspondence to show what the war was like for those who took part Their accounts vividly contrast the American and British experience as seen through the eyes of individual servicemen and they throw fresh light on the relations between the UN forces on their different attitudes tactics training and equipment and on the tensions that developed between them Hiding in Plain Sight Christian P.

Potholm, 2021-10-22 Hiding in Plain Sight Women Warriors throughout Time and Space takes the many long standing dimensions of military history including the various modalities of warfare across cultures and periods and integrates them with the more recent and very substantial contributions of social history women's history black history feminist theory LGBTQ community and other perspectives By providing an extensive annotated bibliography of the new findings the work provides the reader with an exciting compilation of new knowledge placed within a longstanding military historical framework one which provides a broader study and understanding of warfare into which to put the very recent disparate findings culled from many disciplines The book reaffirms that women have long been deeply embedded in the practice of warfare not simply as victims or minor curiosities but as important actors tactically strategically in combat and directing warfare from afar just as their male counterparts The concomitant amalgam also shows that certain types and patterns of warfare such as the defense of castles and fortresses commanding a ship or a fleet revolutionary warfare and today's drone and cyber forms of warfare have been more conducive to female activity than other forms of warfare even as women are also present in a wider variety of other broader temporal and geographical dimensions of the history of warfare Hiding in Plain

Sight is the only extensive annotated bibliography currently available which provides such a holistic overview of recent scholarship by grounding that scholarship in the existing military canon and history

*Prince of Sparta* Jerry Pournelle, S. M. Stirling, 1993-03-01 THE HELOT WAR PART II Together the new Royal Spartan Army and its instructors the 5th Battalion of Falkenberg's Mercenary Legion have defeated the initial assault of Grand Senator Bronson's terrorist hordes and their techno ninja allies But Bronson's hatred of Sparta and the Legion was as strong as ever thanks to his limitless wealth and high office the Helots were able to reform retreat and fight again This time they are doing better Besieged within blockaded by the CoDominium without Sparta grimly fights to preserve its precious experiment in liberty But just as it seems that the Spartans and their allies might prevail Bronson has supplied his minions with a battle plan that will bring something worse than a Helot victory Codename Endlösung Final Solution At the publisher's request this title is sold without DRM Digital Rights Management

Shaw and Other Matters Stanley Weintraub, 1998 Demonstrating the influence of scholar teacher Stanley Weintraub on his students Shaw and Other Matters reflects the scope of that influence in its concern with a variety of literary figures from Shaw to Joe Orton and of topics such as war memoirs and golem robots The variety is there as well in the approaches to the subjects Rodelle Weintraub's dream analysis of Arms and the Man Julie Sparks's comparison of Shaw with Bellamy Morris and Bulwer Lytton as world betterers Michael Pharand's evaluation of Shaw's changing views of Napoleon Kinley Roby's tracing of Shaw's exchanges of views on playwriting with Arnold Bennett and Kay Li's archetypal exploration of characters in Heartbreak House

*On the Napoleonic Wars* David G. Chandler, 1994 The diverse array of subjects covered include the British campaign in Egypt in 1801 the battle of Maida Napoleon's decisive victories at Marengo and Austerlitz the Peninsular War the Russian Army at war in 1807 and 1812 and the retreat from Moscow The collection spans the entire career of Dr Chandler and demonstrates the depth of his research Publisher

**The Mexican-American War Experiences of Twelve Civil War Generals** Timothy D. Johnson, 2024-10-23 Long overshadowed by the American Civil War the Mexican American War 1846-1848 has received significantly less attention from historians partly because of its questionable origin and controversial outcome Rather than treat the conflict with a form of historical amnesia the contributors to this volume argue that the Mexican American War was a formative experience for the more than three hundred future Civil War generals who served in it as lower grade officers The Mexican War was the first combat experience for many of them a laboratory that equipped a generation of young officers with practical lessons in strategy tactics logistics and interpersonal relationships that they would use later to command forces during the Civil War

*The Pacific Campaign in World War II* William Bruce Johnson, 2006-05-02 This is a fascinating new account of how diplomacy and politics gave way to military strategy and warfare in the Pacific Presenting previously unpublished documents this book freshly examines the key events in the fight for the Pacific

The Seaforth Bibliography Eugene Rasor, 2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the

naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side

Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Mhq Winter 1993 Volume 5 No 2 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Mhq Winter 1993 Volume 5 No 2 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
