Mi Madrina Es La Muerte:

Momentos Mágicos/Magic Moments Olga Loya, 1997 A bilingual collection in English and Spanish of folklore from Latin America including Mayan and Aztec versions of the creation of the world **The Mexican Filmography, 1916 through 2001** David E. Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date This comprehensive filmography helps fill the need Arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film Inclusion criteria a film must be a Mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release *Hasta no verte, Jesús mío* Elena Poniatowska, 1969 **Creep \ Creep (Spanish edition)** Myriam Gurba, 2024-06-25 De la aclamada autora de *Mean Mala onda* una de las escritoras que con m s ferocidad han explorado la identidad latinx desde una perspectiva interseccional llega esta implacable e incisiva colección de ensayos que confronta la opresión dominante e insidiosa y la toxicidad que se ha colado en la sociedad tanto en los libros las escuelas y los hogares como en los sistemas que la perpetúan Un creep puede ser una figura singular un villano que obliga a las cosas a hacer ruido por la noche Pero creep es también lo que hace la niebla acecha para realizar su trabajo sucio silenciar los gritos ocultar la verdad y encubrir a aquellos que rondan en su interior Creep es la sociología informal de Gurba sobre los creeps una profunda exploración dentro de los oscuros recovecos de las tradiciones t xicas que asolan a los Estados Unidos y dan vida a los agresores que invaden nuestros libros escuelas y hogares A través de una crítica cultural a modo de ensayos personales Gurba explora las formas en las que la opresión se propaga colectivamente y sostiene ecosistemas que distribuyen de manera injusta el sufrimiento y la muerte prematura de los m s vulnerables Sin embargo identificar individuos grupos sociales y culturas creep es s lo la mitad del proyecto de este libro la otra mitad consiste en examinar cómo nosotros en tanto individuos comunidades e instituciones podemos desafiar los creeps y deshacer la niebla que pretende cegarnos Con implacable agudeza humor spero y un estilo atrevido y despiadado Gurba implica a todos y todo desde Joan Didion hasta su antiguo agresor desde los estereotipos mexicanos hasta el sistema carcelario nadie saldrá indemne From talented Mexican American writer story teller and visual artist Myriam Gurba comes a brand new collection of essays that seek to redefine what a creep is via cultural criticism disguised as personal essays and seek to redefine accountability illuminating how social groups create strengthen perpetuate and protect hierarchies which ensnare harm and sometimes even kill the subjugated Myriam's new book is an essay collection entitled *CREEP and Other Essays* which aims to be an informal sociology of creeps Though the term may instantly evoke images of the Harvey Weinstens of the world and they are by no means outside of

Myriam's scope these essays range far and wide to zero in on lesser known and unexpected creeps like William Burroughs Joan Didion the criminal justice system the public education system and yes even our own publishing industry Each essay a bullet Myriam targets and identifies individual creeps creepy social groups and creepy cultures But that's only half of the book's taxonomic project The other half is examining how individuals communities and institutions challenge creeps and creepiness The essays in CREEP cultural criticism disguised as personal essay seek to redefine accountability illuminating how social groups create strengthen perpetuate and protect hierarchies which ensnare harm and sometimes even kill the subjugated The collection also maps oppression not as an act but as an environment the very water we're swimming in the air we breathe that unfairly distributes suffering and premature death to those minoritized by gender sexual orientation race ethnicity immigration status age poverty and other exploitable differences Of course Myriam does it all in the distinctive campy style for which she has become known propelled by aggressive Chicana wit and an insatiable urge to tip sacred cows
