Mibion Paradigm In The New Millennium:

The Bible onscreen in the new millennium Wickham Clayton, 2020-01-17 The remarkable commercial success of Mel Gibson's *The Passion of the Christ* in 2004 came as a surprise to the Hollywood establishment particularly considering the film's failure to find production funding through a major studio Since then the Biblical epic long thought dead in terms of mainstream marketability has become a viable product This collection examines the new wave of the genre which includes such varied examples as Darren Aronofsky's *Noah* 2014 and Ridley Scott's *Exodus: Gods and Kings* 2014 along with the telenovelas of Latin America Such texts follow previous traditions while appearing distinct both stylistically and thematically from the Biblical epic in its prime making academic consideration timely and relevant Featuring contributions from such scholars as Mikel J Koven Andrew B R Elliott and Martin Stollery and a preface from Adele Reinhartz the book will be of interest to students and scholars of film television and religion *Beyond Modernism and Postmodernism* Maurice R. Berube, 2001-11-30 Berube examines the political matrix of intellectual and cultural America In a wide ranging series of essays from the rise of the postmodern intellectual to a modernist appreciation of the spiritual quality of the paintings of Jackson Pollock Berube stakes out his claim that all areas of human endeavor are rooted in a politics of culture The essay collection is divided into three sections The first two essays deal with the postmodern intellectual and the corporate university the second section plumbs the depth of a conservative school reform movement and asks whether we have not reached an end to education reform The last section contains essays pertaining to precarious state of arts education in the schools reflections on a modernist literary canon the contribution of Pollock and plumbing alternative views of Jesus as the penultimate revolutionary Of particular interest to scholars students and other researchers involved with cultural studies and education *Stikeman Elliott* Richard W. Pound, 2013-01-01 In its sixty year existence the Stikeman Elliott firm has played a role in many of the most significant transactions in Canadian business history appearing before the major courts of the country in precedent setting litigation Its members are at the top of the legal profession and its reach is global Clients include major foreign investors requiring advice for entry into Canada as well as for investments in many other parts of the world In *Stikeman Elliott: The First Fifty Years* Richard Pound recounted how Heward Stikeman and Fraser Elliott developed their small law practice into a national and global organization Here Pound details the firm's global expansion at a time of worldwide economic uncertainty Embracing both diversity and corporate social responsibility the organization's unwavering commitment to client confidentiality knowledge management and recruiting and retaining lawyers and staff of the highest quality has helped Stikeman Elliott retain its place as one of the preeminent business law firms in the country An insightful look at recent innovations put into practice Stikeman Elliott New Millennium New Paradigms offers an insider's view of a firm which has carved out an important role in Canadian legal and business history **Feminist Periodicals**, 2005
