Series (Book 3) William Mierzejewski,2025-08-20 Two years have passed since Liam and Boo s first encounter with the beast in Iron River Michigan A year later they were lucky to survive the ghastly and elaborate trap which awaited them inside the ruinous hallways of the Elk s Estate in Pennsylvania After nothing but horrible experiences over the past two consecutive summers away the family decides to spend their entire summer vacation close to home Summer in their hometown of Chicago Illinois is going well Until something evil descends into their backyard This time Liam and Boo will discover their hidden family legacy Most importantly they will learn that the last line of defense is self defense **The Reception of Byzantine Culture in Mediaeval Russia** Francis J. Thomson,2024-12-11 It is a truism that Russian culture is based upon the reception of Byzantine culture However the question of what was in fact received is the task that Professor Thomson has set in these studies by means of a detailed examination of the corpus of translations Down to the 17th century this corpus was essentially made up of works required for the liturgy and the monastic life Few works of dogmatic theology and virtually no classical or philosophical works were translated neither was a knowledge of Greek which would have provided access to the originals widespread The result was an unreasoning adherence to ritual forms Western ideas which began to penetrate into Muscovy in the 17th century were not absorbed by Russian culture but fundamentally reshaped it and the result led to a schism within the Church Russia today is Orthodox by religion but Byzantine culture disappeared with Byzantium A major section of addenda takes into account the advances in scholarship since the articles were first published
