The Playground ,1928 **Proceedings of the ... Annual Playground Congress ... and Year Book** National Recreation Association,1909 More Stories of Life and Tales of the Korean War Edward John Mastronardi,2016-09-23 The tales in parts one and two are a continuation of those found in the authors book *Stories of Life and Tales of the Korean War* dealing with the human condition in peace and war Although fictionalized in general as in the first book the stories that follow are largely based on observation and sometimes shocking reality A few in part one are highly imaginative perhaps appearing to a reader as adult fairy tales The motivation for writing part two was a stirring article the author read entitled *Swiftly* written by Chuck Yeager a well known and respected retired US general and is referred to in its epilogue The stories presented here although written in a fictionalized format are largely based on the experiences and actions involving real people and events The subject matter is not always nice or inspirational neither is life or war It would be surprising if readers are unable to find elements in some stories relevant to their own experiences in life **Proceedings of the ...
