today Community Leaders and Activists Individuals involved in social justice efforts who wish to draw inspiration from biblical narratives General Readers Anyone interested in moral and ethical discussions rooted in historical contexts and spiritual teachings Overall this book serves as a valuable resource for anyone looking to navigate the complexities of life through the lens of faith and biblical principles Respectfully Introduce Pastor Cao Hoang Cung Vietnam Evangelical Holiness Church *The Founding Myth* Andrew L Seidel, 2019-05-14 Do In God We Trust the Declaration of Independence and other historical evidence prove that America was founded on Judeo Christian principles Are the Ten Commandments the basis for American law A constitutional attorney dives into the debate about religion s role in America s founding In today s contentious political climate understanding religion s role in American government is more important than ever Christian nationalists assert that our nation was founded on Judeo Christian principles and advocate an agenda based on this popular historical claim But is this belief true The Founding Myth answers the question once and for all Andrew L Seidel a constitutional attorney at the Freedom from Religion Foundation builds his case point by point comparing the Ten Commandments to the Constitution and contrasting biblical doctrine with America s founding philosophy showing that the Bible contradicts the Declaration of Independence s central tenets Thoroughly researched this persuasively argued and fascinating book proves that America was not built on the Bible and that Christian nationalism is in fact un American

Holiness and Ministry Thomas B Dozeman, 2008-07-10 The World Council of Churches has called for renewed theological reflection on the biblical roots of ordination to strengthen the vocational identity of the ordained and to provide a framework for ecumenical dialogue This book is a response to that call It is grounded in the assumption that the vocation of ordination requires an understanding of holiness and how it functions in human religious experience The goal is to construct a biblical theology of ordination that is embedded in broad reflection on the nature of holiness Dozeman s study of holiness and ministry interweaves three methodologies The first from the History of Religions describes two theories of holiness in the study of religion as a dynamic force and as a ritual resource Both play a central role in biblical literature and establish the paradigm of ordination to Word and Sacrament in Christian tradition Second the study of the formation of the Mosaic Office illustrates how the two views of holiness model ordination to the prophetic word and to the priestly ritual Third Canonical Criticism provides the lens to explore the ongoing influence of the Mosaic Office in the New Testament literature Holiness and Ministry will assist candidates for ordination to discern their call experience and establish professional identity within individual traditions of Christianity while also providing a resource for ecumenical dialogue on the nature and purpose of Christian ordination **The Christian Delusion** John W. Loftus, 2010-04-20 In this anthology of recent criticisms aimed at the reasonableness of Christian belief a former evangelical minister and apologist author of the critically acclaimed *Why I Became an Atheist* has assembled fifteen outstanding articles by leading skeptics expanding on themes introduced in his first book Central is a defense of his outsider test of faith arguing that believers should test their faith with the same skeptical

standards they use to evaluate the other faiths they reject as if they were outsiders Experts in medicine psychology and anthropology join Loftus to show why when this test is applied to Christianity it becomes very difficult to rationally defend Collectively these articles reveal that popular Christian beliefs tend to rely on ignorance of the facts Drawing together experts in diverse fields including Hector Avalos Richard Carrier David Eller and Robert Price this book deals a powerful blow against Christian faith **Lockdown Lunches** Madhulika Liddle,2022-11-28 This book is all about how my little family I my husband and our daughter who turned six in January 2020 did a culinary trip around the world sitting at home We ate food from twenty six different countries one country a week for fifty two weeks and each time we virtually visited a country we also explored it in other ways by listening to its music by talking about its history and so on Why am I focusing on the food Because after all all said and done it was the food that spurred each of these twenty six parties While we discussed politics and history while we listened to music the central focal point of the party was always the food Mercer Dictionary of the Bible Watson E. Mills,Roger Aubrey Bullard,1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus **BLACK** James M.
