

A scenic landscape at sunset or sunrise. The sky is filled with warm, golden light from the low sun, casting a glow over the scene. In the foreground, a dirt road or path leads towards the water. The water reflects the warm light of the sun. In the background, a forested hillside rises, its trees silhouetted against the bright sky. The overall mood is peaceful and contemplative.

I made a prosperous voyage
when I suffered shipwreck."
– Zeno of Citium.

Most Prosperous Voyage:

New England Encounters Alden T. Vaughan, 1999 The essays which were originally published in *The New England Quarterly* A Historical Review of New England Life and Letters consider a wide range of areas in Native American white relations from Abenaki territory in northern Maine to Pequot lands in southern Connecticut from profitable commerce to devastating warfare from religious persuasion to labor exploitation from cultural mixing to non violent resistance from literary representation to political argumentation A comprehensive and insightful introduction by the editor places the richly diverse topics and perspectives within the broader context of New England ethnohistory Most of the authors have added postscripts to their original essays commenting on recent scholarship and interpretations *Prosperous Voyage* Most *Prosperous Voyage* A. Lamont, 2014-10-03 The names Jamestown and Plymouth have become synonymous for most students of American history with founding and birth both of the American nation and of freedom and democracy themselves In this book author Ted Lamont asks us to reconsider our country's formative years and explore the stories lives achievements and failures of America's earliest founding fathers those who paved the way for the Colonial Era and the American Revolution They were explorers investors passionate religious leaders and determined developers who struggled for generations to successfully plant the English flag in this strange new soil Lamont deftly details the ways in which the stories and struggles of figures like Sir Walter Raleigh Bartholomew Gosnold Richard Hakluyt Sir Ferdinando Gorges and Captain John Smith were not just related but connected in ways that help us better understand the colonies and culture born of their efforts The infancy of America from Roanoke's founding in 1585 through the firm establishment of Jamestown and Plymouth in 1625 is where we first see planted the seeds of the rest of America's colonial economic political and cultural history that was the immensely difficult and often overlooked first step toward the New World we are still working to perfect
