

Motel In America

**John A. Jakle, Keith A. Sculle, Jefferson
S. Rogers**

Motel In America:

The Motel in America John A. Jakle, Keith A. Sculle, Jefferson S. Rogers, 1996 In the second volume of the acclaimed Gas Food Lodging trilogy authors John Jakle Keith Sculle and Jefferson Rogers take an informative entertaining and comprehensive look at the history of the motel From the introduction of roadside tent camps and motor cabins in the 1910s to the wonderfully kitschy motels of the 1950s that line older roads and today s comfortable but anonymous chains that lure drivers off the interstate Americans and their cars have found places to stay on their travels Motels were more than just places to sleep however They were the places where many Americans saw their first color television used their first coffee maker and walked on their first shag carpet Illustrated with more than 230 photographs postcards maps and drawings The Motel in America details the development of the motel as a commercial enterprise its imaginative architectural expressions and its evolution within the place product packaging concept along America s highways As an integral part of America s landscape and culture the motel finally receives the in depth attention it deserves **Motel America** Andrew Wood, Jenny L. Wood, 2004 A guide to funky retro and off the beaten path motels around the United States from the author of ROAD TRIP AMERICA Featured motels include one where the windows face a working drive in theater making your bed the best seat in the house and another where each room is an individual teepee Learn the inspiring stories of owners maintaining impossible to duplicate motels in the face of cookie cutter chains **Home Away from Home** John Margolies, 1995 In lively text and more than 200 photos most in color the bestselling author of Pump and Circumstance brings to life the weird and wonderful world of American roadside lodging Packed with fascinating trivia and rare motel ephemera 225 photos 175 in color **The American Motel** Michael Karl Witzel, 2000 Renowned pop culture historian Witzel examines the evolution architecture and decor of the American motel in all its forms from the traditional motor court to gimmicks such as miniature log cabins cement teepees and more 200 photos 150 in color Motels in America: A Visual Journey Pasquale De Marco, 2025-07-10 From the early days of the automobile to the present day motels have been a ubiquitous part of the American landscape They have provided a place to rest for weary travelers a place to conduct business and a place to create memories In this book Pasquale De Marco takes readers on a journey through the history of the American motel We will explore the different types of motels that have been built over the years from the simple roadside cabins of the early 20th century to the luxurious resorts of today We will also learn about the people who have owned and operated motels from the immigrant families who started out with nothing to the corporate giants who now dominate the industry Along the way we will discover the many ways that motels have played a role in American culture They have been the setting for countless movies TV shows and songs They have also been a place where people from all walks of life have come together to share stories make new friends and experience the American dream Whether you re a lifelong fan of motels or you re just curious to learn more about this fascinating part of American history this book is for you Join us on a journey through the history of the American motel and discover the many

ways that these roadside havens have shaped our culture About the Author Pasquale De Marco is a lifelong fan of motels He has traveled extensively throughout the United States staying in motels of all shapes and sizes He has written numerous articles about motels and he is the author of several books on the subject If you like this book write a review **Sleeping Around in America** Andrew Beattie,2020-03-16 Explore 50 of America s remaining iconic roadside motels Admire the magical allure of their neon signs unique architecture and their beautiful design that beckon you off the highway through a collection of astonishing photographs Meet the moteliers creating the experience for a new generation to enjoy The stories and photographs in *Sleeping Around in America* give readers an opportunity to rekindle fond memories of family vacations road trips and childhood experiences while providing a roadmap of motels where they can travel to today A book to satisfy armchair travellers American pop culture enthusiasts and nostalgia seeking adventure romantic explorers *Sleeping Around in America* Andrew Beattie,2020 Explore 50 of America s remaining iconic roadside motels Admire the magical allure of their neon signs unique architecture and their beautiful design that beckon you off the highway through a collection of astonishing photographs Meet the moteliers creating the experience for a new generation to enjoy The stories and photographs in *Sleeping Around in America* give readers an opportunity to rekindle fond memories of family vacations road trips and childhood experiences while providing a roadmap of motels where they can travel to today Publisher s description

Hotel America Lewis Lapham,1995-10-17 Winner of the 1995 National Magazine Award for Essays and Criticism this work observes the spectacle of democratic life and values in our time and asks who is signing in and who is checking out of the American experiment at the fin de si cle Culled from Lewis Lapham s monthly Notebook column for Harper s magazine these essays describe the period between the winter of 1989 and the spring of 1995 in which the American explaining classes were casting around for a national folktale to take the place of the communist conspiracy In this book Lewis Lapham draws a portrait of a society at a loss to know what to think or make of itself at the end of a century once defined as America s own His observations speak to the moral and intellectual confusions visited upon the American ruling elites in the media and the universities as well as in business and government during the years 1989 1995 The spectacle is both comic and sad a march of folly that calls forth Lapham s range as an essayist Lapham s sketches take as their occasions events as different from one another as the wars in Panama and the Persian Gulf the apotheosis of Richard Nixon and the transfiguration of O J Simpson the grim inspections of the American soul conducted by the agents of both the pious left no smoking cigarettes no dirty water in the swimming pools condoms in the schools and the zealous right no serial murders in the movies no lesbians in the army prayer in the schools the media s use of history as wallpaper and elevator music the dwindling significance of President Clinton vanishing as mysteriously as the Cheshire cat and the bombastic arrival of Newt Gingrich a man for all grievances the practice of swindling the stockholders and the art of changing gossip into news *Exiled in America* Christopher P. Dum,2016-10-04 Residential motels have long been places of last resort for many vulnerable Americans released prisoners

people with disabilities or mental illness struggling addicts the recently homeless and the working poor Cast aside by their families and mainstream society they survive in squalid unsafe and demeaning circumstances that few of us can imagine For a year the sociologist Christopher P Dum lived in the Boardwalk Motel to better understand its residents and the varied paths that brought them there He witnessed moments of violence and conflict as well as those of care and compassion As told through the voices and experiences of motel residents Exiled in America paints a portrait of a vibrant community whose members forged identities in response to overwhelming stigma and created meaningful lives despite crushing economic instability In addition to chronicling daily life at the Boardwalk Dum follows local neighborhood efforts to shut the establishment down leading to a wider analysis of legislative attempts to sanitize shared social space He also suggests meaningful policy changes to address the societal failures that lead to the need for motels such as the Boardwalk The story of the Boardwalk and the many motels like it will concern anyone who cares about the lives of America's most vulnerable citizens

Remembering Roadside America John A. Jakle, Keith A. Sculle, 2011-09-30 The use of cars and trucks over the past century has remade American geography pushing big cities ever outward toward suburbanization spurring the growth of some small towns while hastening the decline of others and spawning a new kind of commercial landscape marked by gas stations drive in restaurants motels tourist attractions and countless other retail entities that express our national love affair with the open road By its very nature this landscape is ever changing indeed ephemeral What is new quickly becomes old and is soon forgotten In this absorbing book John Jakle and Keith Sculle ponder how Roadside America might be remembered especially since so little physical evidence of its earliest years survives In straightforward and lively prose supplemented by copious illustrations historic and modern photographs advertising postcards cartoons roadmaps they survey the ways in which automobility has transformed life in the United States Asking how we might best commemorate and preserve this part of our past which has been so vital economically and politically so significant to the cultural aspirations of ordinary Americans yet so often ignored by scholars who dismiss it as kitsch they propose the development of an actual outdoor museum that would treat seriously the themes of our roadside history Certainly museums have been created for frontier pioneering the rise of commercial agriculture and the coming of water and steam powered industrialization and transportation especially the railroad Is now not the time the authors ask for a museum forcefully exploring the automobile's emergence and the changes it has brought to place and landscape Such a museum need not deny the nostalgic appeal of roadsides past but if done properly it could also tell us much about what the authors describe as the most important kind of place yet devised in the American experience John A Jakle is Emeritus Professor of Geography at the University of Illinois Urbana Champaign Keith A Sculle is the former head of research and education at the Illinois Historic Preservation Agency They have coauthored such books as America's Main Street Hotels Transiency and Community in the Early Automobile Age Motoring The Highway Experience in America Fast Food Roadside Restaurants in the Automobile Age and The Gas Station in

Motel In America Introduction

In today's digital age, the availability of Motel In America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Motel In America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Motel In America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Motel In America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Motel In America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Motel In America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Motel In America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Motel In America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Motel In America books and manuals for download and embark on your journey of knowledge?

FAQs About Motel In America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
