Our Sexuality Text Pb:

Women over 50 Varda Muhlbauer, Joan C. Chrisler, 2007-08-18 This book analyzes the challenges benefits coping strategies problems and accomplishments associated with the midlife experience of women Ten chapters present the state of research and correct longstanding myths regarding significant aspects of middle aged women s lives The book bridges a major knowledge gap in the feminist psychology literature It balances optimism and realism about older women s lives and younger women s futures

Sexuality in America Robert T. Francoeur, Patricia Koch, David Weis, 1999-08-01 Now available in a new paperback edition this survey is different in both breadth and scope from all other reports on sexuality in the United States It covers every topic imaginable from a multicultural point of view in order to reflect fully the complex society in which we live the biological psychological social and spiritual aspects of our sexual lives

The Continuum Complete International Encyclopedia of Sexuality Robert T. Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language

Women and Aging Varda Muhlbauer, Joan C. Chrisler, Florence L. Denmark, 2014-10-20 These are paradoxical times to be an older woman As individual older women take the stage as role models in the arts and the public sphere female elders as a group are marginalized as dependent declining and unimportant Women and Aging surveys the evolving sociopolitical landscape in an era still struggling with gender and age discrimination This insightful volume recasts familiar concepts such as social roles appearance health sexuality and transition through the related lenses of empowerment restraint and quality of life well being for a deeper understanding of the disparities that exist both with men and within their own gender Two especially relevant questions emerge from this framework how women over 60 are contributing to the current climate of societal change and how these positive developments can improve the lives of older women as a whole Featured topics analyze the wider implications of older women s experiences as family members sensual and sexual beings drivers of economies and members of a diverse population worldwide Older women power and the body Older women economic power and consumerism The impact of multiple roles on older women Strain or enrichment Older women leadership and encore careers Sexuality in older women Desirability and desire Lesbians over 60 Newer every day Clinical interventions to empower older women A significant advance in feminist research Women and Aging brings path breaking perspectives to scholars in women s studies gerontology psychology sociology social work and human development whether they study women who have overcome barriers or those who need support in changing the rules

The Dark Fantastic Ebony Elizabeth Thomas, 2020-09-22 Winner 2022 Children s Literature Association Book Award given by the Children s Literature Association Winner 2020 World Fantasy Awards Winner 2020 British Fantasy Awards Nonfiction Finalist Creative Nonfiction IGYTE Award given by FIYACON for BIPOC in Speculative Fiction Reveals the diversity crisis in children s and young adult media as not only a lack of representation but a lack of imagination Stories provide portals into other worlds both real and imagined The promise of escape draws people from all backgrounds to speculative fiction but when people of color seek passageways into the fantastic the doors are often barred This problem lies not only with children s publishing but also with the television and film executives tasked with adapting these stories into a visual world When characters of color do appear they are often marginalized or subjected to violence reinforcing for audiences that not all lives matter The Dark Fantastic is an engaging and provocative exploration of race in popular youth and young adult speculative fiction Grounded in her experiences as YA novelist fanfiction writer and scholar of education Thomas considers four black girl protagonists from some of the most popular stories of the early 21st century Bonnie Bennett from the CW s The Vampire Diaries Rue from

Suzanne Collins's *The Hunger Games* Gwen from the BBC's *Merlin* and Angelina Johnson from J K Rowling's *Harry Potter* Analyzing their narratives and audience reactions to them reveals how these characters mirror the violence against black and brown people in our own world In response Thomas uncovers and builds upon a tradition of fantasy and radical imagination in Black feminism and Afrofuturism to reveal new possibilities Through fanfiction and other modes of counter storytelling young people of color have reinvisioned fantastic worlds that reflect their own experiences their own lives As Thomas powerfully asserts we dark girls deserve more because we are more *Legalizing LGBT Families* Amanda K. Baumle, D'Lane R. Compton, 2017-11 In depth interviews examine the role of the law in the lives of LGBT parents The decision to have a child is seldom a simple one often fraught with complexities regarding emotional readiness finances marital status and compatibility with life and career goals Rarely though do individuals consider the role of the law in facilitating or inhibiting their ability to have a child or to parent For LGBT individuals however parenting is saturated with legality including the initial decision of whether to have a child how to have a child whether one's relationship with their child will be recognized and everyday acts of parenting Through interviews with 137 LGBT parents Amanda K Baumle and D Lane R Compton examine the role of the law in the lives of LGBT parents and how individuals use the law when making decisions about family formation or parenting Baumle and Compton explore the ways in which LGBT parents participate in the process of constructing legality through accepting modifying or rejecting legal meanings about their families They conclude that legality is constructed through a complex interplay of legal context social networks individual characteristics and familial desires Ultimately the stories of LGBT parents in this book reflect a rich and varied relationship between the law the state and the private family goals of individuals *Wannabe - Choose Your Own Celebrity Adventure* Tessa Clayton, 2015-04-02 Congratulations It's an Essex girl Those were the auspicious words that heralded the birth of whirlwind superstar diva Shampayne Sullivan in other words you An irreverent twist on the boy's own adventures of yore like *You Are A Shark* and *The Cave of Time* for the modern age *Wannabe* launches you into a glittery g stringtastic life as Shampayne What happens in her story You decide The twists and turns of her rise to fame all depend on the choices you make Should you sleep with Crispin dump Dean have Reece's baby or date Kyle Is a sex tape a good idea or should you just take your clothes off OMG so many decisions to make Wedlocked Katherine Franke, 2017-10-03 Compares today's same sex marriage movement to the experiences of black people in the mid nineteenth century The staggering string of victories by the gay rights movement's campaign for marriage equality raises questions not only about how gay people have been able to successfully deploy marriage to elevate their social and legal reputation but also what kind of freedom and equality the ability to marry can mobilize *Wedlocked* turns to history to compare today's same sex marriage movement to the experiences of newly emancipated black people in the mid nineteenth century when they were able to legally marry for the first time Maintaining that the transition to greater freedom was both wondrous and perilous for newly emancipated people Katherine Franke

relates stories of former slaves involvements with marriage and draws lessons that serve as cautionary tales for today's marriage rights movements. While be careful what you wish for is a prominent theme they also teach us how the rights bearing subject is inevitably shaped by the very rights they bear often in ways that reinforce racialized gender norms and stereotypes. Franke further illuminates how the racialization of same sex marriage has redounded to the benefit of the gay rights movement while contributing to the ongoing subordination of people of color and the diminishing reproductive rights of women. Like same sex couples today, freed African American men and women experienced a shift in status from outlaws to in laws from living outside the law to finding their private lives organized by law and state licensure. Their experiences teach us the potential and the perils of being subject to legal regulation rights and specifically the right to marriage can both burden and set you free.

A Body, Undone Christina Crosby, 2017-10-03 Shortly after her 50th birthday in 2003 Crosby was in a bicycle accident that paralyzed her and here shares her experience of living her new life.

We Are Data John Cheney-Lippold, 2018-11-06 Algorithms are everywhere organizing the near limitless data that exists in our world. Drawing on our every search like click and purchase algorithms determine the news we get, the ads we see, the information accessible to us, and even who our friends are. These complex configurations not only form knowledge and social relationships in the digital and physical world but also determine who we are and who we can be. Algorithms use our data to assign our gender, race, sexuality, and citizenship status. In this era of ubiquitous surveillance, contemporary data collection entails more than gathering information about us. Entities like Google, Facebook, and the NSA also decide what that information means, constructing our worlds and the identities we inhabit in the process. We have little control over who we algorithmically are. Through a series of entertaining and engaging examples, John Cheney Lippold draws on the social constructions of identity to advance a new understanding of our algorithmic identities. *We Are Data* will educate and inspire readers who want to wrest back some freedom in our increasingly surveilled and algorithmically constructed world. The International Encyclopedia of Sexuality: Spain to the United States Robert T. Francoeur, 1997 Recipient of the Citation of Excellence for an Outstanding Reference Work of Sexology awarded by the American Foundation for Gender and Genital Medicine and Science at the Thirteenth World Congress of Sexology, Valencia, Spain.

After Marriage Equality Carlos A. Ball, 2019-05-01 Examines the impact of marriage equality on the future of LGBT rights. In persuading the Supreme Court that same sex couples have a constitutional right to marry, the LGBT rights movement has achieved its most important objective of the last few decades. Throughout its history, the marriage equality movement has been criticized by those who believe marriage rights were a conservative cause overshadowing a host of more important issues. Now that nationwide marriage equality is a reality, everyone who cares about LGBT rights must grapple with how best to promote the interests of sexual and gender identity minorities in a society that permits same sex couples to marry. This book brings together 12 original essays by leading scholars of law, politics, and society to address the most important question facing the LGBT

movement today What does marriage equality mean for the future of LGBT rights After Marriage Equality explores crucial and wide ranging social political and legal issues confronting the LGBT movement including the impact of marriage equality on political activism and mobilization antidiscrimination laws transgender rights LGBT elders parenting laws and policies religious liberty sexual autonomy and gender and race differences The book also looks at how LGBT movements in other nations have responded to the recognition of same sex marriages and what we might emulate or adjust in our own advocacy Aiming to spark discussion and further debate regarding the challenges and possibilities of the LGBT movement s future After Marriage Equality will be of interest to anyone who cares about the future of sexual equality *Beyond Trans* Heath Fogg Davis,2018-09-18 Introduction sex stickers The sex markers we carry sex marked identity documents Bathroom bouncers sex segregated restrooms Checking a sex box to get into college single sex admissions Seeing sex in the body sex segregated sports Conclusion silence on the bus [The Tolerance Trap](#) Suzanna Danuta Walters,2016-06-07 From Glee to gay marriage from lesbian senators to out gay Marines we have undoubtedly experienced a seismic shift in attitudes about gays in American politics and culture Our reigning national story is that a new era of rainbow acceptance is at hand But dig a bit deeper and this seemingly brave new gay world is disappointing For all of the undeniable changes author Walters argues the plea for tolerance has sabotaged the full integration of gays into American life Same sex marriage is unrecognized and unpopular in the vast majority of states hate crimes proliferate and even in the much vaunted gay friendly world of Hollywood and celebrity culture precious few stars are openly gay She maintains that we are not almost there but on the contrary have settled for a watered down goal of tolerance rather than a robust claim to full civil rights After all one tolerates unpleasant realities medicine with strong side effects a long commute an annoying relative Tolerance is not the end goal but a dead end From publisher description **Fundamentals - A Guide for Parents, Teachers and Carers on Mental Health and Self-Esteem** Natasha Devon,Lynn Crilly,2015-01-08 In what can be an incredibly toxic and frightening modern culture young people in particular are struggling to gain some vestige of self esteem and are subsequently battling myriad mental and physical health issues This guide will give you pragmatic relevant advice on how to nurture self esteem and discuss and deal with mental health issues delivered with positivity humor and realism *The Wicked Mr Hall - The Memoirs of the Butler Who Loved to Kill* Roy Archibald Hall,2015-02-02 Growing up in Glasgow in the 1930s Roy Archibald Hall was a natural thief After moving down to London Hall who was bisexual became a familiar figure in the capital s glitzy underground gay scene Due to his lucrative criminal career he led an extravagant lifestyle Eventually the law caught up with him and he was arrested He spent the majority of the next two decades of his life in a cell Upon release from prison in 1975 he returned to Scotland and found employment with Lady Margaret Hudson working as a butler at Kirtleton House David Wright a former lover from his time in jail arrived on the scene and was hired as a gamekeeper The two men fell out over the theft of a diamond ring and a vicious argument ensued They went on a shooting trip to clear the air a walk from which Wright

would never return After the killing Hall moved back to London where he teamed up with small time criminal Michael Kitto Working again as a butler he and Kitto then murdered Hall s new employers an aged former Labour MP and his wife But it did not end there by the time he was finally arrested he had carried out two more brutal murders including that of his own half brother Considering the nature of his crimes it was obvious that Hall would never be released Before he died however he decided to set the record straight and write his memoirs This honest harrowing and chilling book is the result By Any Media Necessary Henry Jenkins,Sangita Shresthova,Liana Gamber-Thompson,Neta Kligler-Vilenchik,Arel Zimmerman,2016-05-03 The participatory politics and civic engagement of youth in the digital age There is a widespread perception that the foundations of American democracy are dysfunctional public trust in core institutions is eroding and little is likely to emerge from traditional politics that will shift those conditions Youth are often seen as emblematic of this crisis frequently represented as uninterested in political life ill informed about current affairs and unwilling to register and vote By Any Media Necessary offers a profoundly different picture of contemporary American youth Young men and women are tapping into the potential of new forms of communication such as social media platforms spreadable videos and memes remixing the language of popular culture and seeking to bring about political change by any media necessary In a series of case studies covering a diverse range of organizations networks and movements involving young people in the political process from the Harry Potter Alliance which fights for human rights in the name of the popular fantasy franchise to immigration rights advocates using superheroes to dramatize their struggles By Any Media Necessary examines the civic imagination at work Before the world can change people need the ability to imagine what alternatives might look like and identify paths by which change can be achieved Exploring new forms of political activities and identities emerging from the practice of participatory culture By Any Media Necessary reveals how these shifts in communication have unleashed a new political dynamism in American youth Read Online at connectedyouth.nyupress.org Screw the Fairytale - A Modern Girl's Guide to Sex and Love Helen Croydon,2014-02-03 In Screw the Fairytale Helen Croydon traces the history of relationships in an immersive first person account She shows how marriage was never supposed to be about love anyway She investigates the prevalence of mistresses across different eras and cultures to see what we can learn from infidelity and explores the science of falling in love Highlights of her mission take in a polyamorous commune in the Scottish Highlands where she has to carry out a sexual pact a wife finding tour to the Ukraine and infiltrating a network of single professional women who ve chosen to give up on finding love and get a sperm donor instead Interviews with psychologists evolutionists asexuals swingers philanderers long term marrieds mistresses and 40 year old virgins all combine to break new ground in this humorous and insightful guide to sex and love for the modern girl **Fragmented Citizens** Stephen M. Engel,2019-06-01 A sweeping historical and political account of how our present day policy debates around citizenship and equality came to be The landmark Supreme Court decision in June 2015 legalizing the right to same sex marriage marked a major victory in gay

and lesbian rights in the United States Once subject to a patchwork of laws granting legal status to same sex couples in some states and not others gay and lesbian Americans now enjoy full legal status for their marriages wherever they travel or reside in the country For many the Supreme Court's ruling means that gay and lesbian citizens are one step closer to full equality with the rest of America In *Fragmented Citizens* Stephen M Engel contends that the present moment in gay and lesbian rights in America is indeed one of considerable advancement and change but that there is still much to be done in shaping American institutions to recognize gays and lesbians as full citizens With impressive scope and fascinating examples Engel traces the relationship between gay and lesbian individuals and the government from the late nineteenth century through the present Engel shows that gays and lesbians are more accurately described as fragmented citizens Despite the marriage ruling Engel argues that LGBT Americans still do not have full legal protections against workplace housing family and other kinds of discrimination There remains a continuing struggle of the state to control the sexuality of gay and lesbian citizens they continue to be fragmented citizens Engel argues that understanding the development of the idea of gay and lesbian individuals as less than whole citizens can help us make sense of the government's continued resistance to full equality despite massive changes in public opinion Furthermore he argues that it was the state's ability to identify and control gay and lesbian citizens that allowed it to develop strong administrative capacities to manage all of its citizens in matters of immigration labor relations and even national security The struggle for gay and lesbian rights then affected not only the lives of those seeking equality but also the very nature of American governance itself *Fragmented Citizens* is a sweeping historical and political account of how our present day policy debates around citizenship and equality came to be
