

Religion And The New Republic

Herbert David Croly

Religion And The New Republic:

Religion and the New Republic James H. Hutson, 1999-12-15 A collection of the country's most respected historians, philosophers, and theologians examines the role of religion in the founding of the United States. This collection of never before published essays originally delivered at the Library of Congress presents the most original and recent scholarship on a topic that still generates considerable controversy. Anyone interested in colonial history, religion, and politics and the relationship between church and state will benefit by reading this important new book.

Religion and the New Republic James H. Hutson, 2000 A collection of America's historians, philosophers, and theologians examines the role of religion in the founding of the United States. These essays originally delivered at the Library of Congress present scholarship on a topic that still generates considerable controversy. Readers interested in colonial history, religion, and politics and the relationship between church and state should find the book helpful. Contributors include Daniel L. Driesbach, John Witte Jr., Thomas E. Buckley, Mark A. Knoll, Catherine A. Brekus, Michael Novak, and James Hutson.

The New Republic Herbert David Croly, 1928 **Sex and the Constitution: Sex, Religion, and Law from America's Origins to the Twenty-First Century** Geoffrey R.

Stone, 2017-03-21 A New York Times Book Review Editors' Choice Selection. A volume of lasting significance that illuminates how the clash between sex and religion has defined our nation's history. Lee C. Bollinger, president, Columbia University. Lauded for bringing a bracing and much needed dose of reality about the Founders' views of sexuality. New York Review of Books. Geoffrey R. Stone's *Sex and the Constitution* traces the evolution of legal and moral codes that have legislated sexual behavior from America's earliest days to today's fractious political climate. This fascinating and maddening Pittsburgh Post-Gazette narrative shows how agitators, moralists, and especially the justices of the Supreme Court have navigated issues as divisive as abortion, homosexuality, pornography, and contraception. Overturning a raft of contemporary shibboleths, Stone reveals that at the time the Constitution was adopted, there were no laws against obscenity or abortion before the midpoint of pregnancy. A pageant of historical characters including Voltaire, Thomas Jefferson, Anthony Comstock, Margaret Sanger, and Justice Anthony Kennedy enliven this commanding synthesis of scholarship. Publishers Weekly that dramatically reveals how our laws about sex, religion, and morality reflect the cultural schisms that have cleaved our nation from its founding.

Politics and Religion in the United States Michael Corbett, Julia Corbett-Hemeyer, J. Matthew Wilson, 2014-04-11 There is a complex relationship between religiosity and secularism in the American experience. America is notable both for its strict institutional separation of church and state and for the strong role that religion has played in its major social movements and ongoing political life. This book seeks to illuminate for readers the dynamics underlying this seeming paradox and to examine how the various religious groups in America have approached and continue to approach the tensions between sacred and secular. This much anticipated revision brings Corbett and Corbett's classic text fully up to date. The second edition continues with a thorough discussion of historical origins of religion in political life, constitutional matters, public

opinion and the most relevant groups all while taking theology seriously Revisions include fully updating all the public opinion data fuller incorporation of voting behavior among different religious and demographic groups enhanced discussion of minority religions such as Mormonism and Islam and new examples throughout *Shaping Modern Liberalism* Edward A. Stettner, 2021-10-08 American ideals liberty equality democracy national unity are bandied about by liberal politicians as a package deal inseparably intertwined But the words often flow together better as rhetoric than they mold together in theory But as Herbert Croly and his turn of the century contemporaries found jelling these appealing yet often conflicting concepts into a liberal philosophy was not nearly as easy as embracing them in a campaign speech In this first full length study of Herbert Croly s political theory Edward Stettner analyzes Croly s writings and examines the events experiences and people who influenced Croly s thinking In the process he reveals Croly s significant influence on modern liberalism as classical liberal theory merged with progressive philosophy Croly founder of The New Republic expounded on issues from the nationalization of railroads to the Espionage Act in his search for a middle way between socialism and capitalism Stettner illustrates how Croly s political theory influenced the editorial position of one of the leading liberal journals and how his thought in turn was modified in reaction to national and world events such as presidential elections and World War I Stettner portrays Croly as a modest and conscientious intellectual who wholeheartedly came to embrace the progressive movement and consequently helped establish the framework for modern liberalism In doing so Stettner emphasizes how Croly s philosophy evolved and how Croly was drawn to the conclusion that a strong national government and individual rights could indeed coexist if not always serenely in a democratic society *Randolph Bourne and the Politics of Cultural Radicalism* Leslie J. Vaughan, 1997 Reassesses the short life and career of American essayist critic and founder of cultural radicalism Bourne 1886 1918 known today mostly for his opposition to US military involvement in Europe and warnings about the military industrial complex Vaughan political science U of Minnesota Duluth argues that his stance from outside establishment perspectives was not a retreat from politics as many have claimed but a form of political engagement free from the suppositions that impede genuine debate and democratic change Annotation copyrighted by Book News Inc Portland OR

The Myth of American Religious Freedom David Sehat, 2011-01-14 In the battles over religion and politics in America both liberals and conservatives often appeal to history Liberals claim that the Founders separated church and state But for much of American history David Sehat writes Protestant Christianity was intimately intertwined with the state Yet the past was not the Christian utopia that conservatives imagine either Instead a Protestant moral establishment prevailed using government power to punish free thinkers and religious dissidents In *The Myth of American Religious Freedom* Sehat provides an eye opening history of religion in public life overturning our most cherished myths Originally the First Amendment applied only to the federal government which had limited authority The Protestant moral establishment ruled on the state level Using moral laws to uphold religious power religious partisans enforced a moral and religious orthodoxy

against Catholics Jews Mormons agnostics and others Not until 1940 did the U S Supreme Court extend the First Amendment to the states As the Supreme Court began to dismantle the connections between religion and government Sehat argues religious conservatives mobilized to maintain their power and began the culture wars of the last fifty years To trace the rise and fall of this Protestant establishment Sehat focuses on a series of dissenters abolitionist William Lloyd Garrison suffragist Elizabeth Cady Stanton socialist Eugene V Debs and many others Shattering myths held by both the left and right David Sehat forces us to rethink some of our most deeply held beliefs By showing the bad history used on both sides he denies partisans a safe refuge with the Founders *Liberty* ,1912 **We Gather Together** Neil J. Young,2015-10-01 The story of the birth of the Religious Right is a familiar one In the 1970s mainly in response to Roe v Wade evangelicals and conservative Catholics put aside their longstanding historical prejudices and theological differences and joined forces to form a potent political movement that swept across the country In this provocative book Neil J Young argues that almost none of this is true Young offers an alternative history of the Religious Right that upends these widely believed myths Theology not politics defined the Religious Right The rise of secularism pluralism and cultural relativism Young argues transformed the relations of America s religious denominations The interfaith collaborations among liberal Protestants Catholics and Jews were met by a conservative Christian counter force which came together in a loosely bound politically minded coalition known as the Religious Right This right wing religious movement was made up of Mormons conservative Catholics and evangelicals all of whom were united paradoxically by their contempt for the ecumenical approach they saw the liberal denominations taking Led by the likes of Jerry Falwell they deemed themselves the pro family movement and entered full throated into political debates about abortion school prayer the Equal Rights Amendment gay rights and tax exemptions for religious schools They would go on to form a critical new base for the Republican Party Examining the religious history of interfaith dialogue among conservative evangelicals Catholics and Mormons Young argues that the formation of the Religious Right was not some brilliant political strategy hatched on the eve of a history altering election but rather the latest iteration of a religious debate that had gone on for decades This path breaking book will reshape our understanding of the most important religious and political movement of the last 30 years **Nineteenth-Century American Women Writers and Theologies of the Afterlife** Jennifer McFarlane-Harris,Emily Hamilton-Honey,2021-07-12 This collection analyzes the theme of the afterlife as it animated nineteenth century American women s theology making and appeals for social justice Authors like Harriet Beecher Stowe Elizabeth Stuart Phelps Martha Finley Jarena Lee Maria Stewart Zilpha Elaw Rebecca Cox Jackson Catharine Maria Sedgwick Elizabeth Palmer Peabody Belinda Marden Pratt and others wrote to have a voice in the moral debates that were consuming churches and national politics These texts are expressions of the lives and dynamic minds of women who developed sophisticated systematic spiritual and textual approaches to the divine to their denominations or religious traditions and to the mainstream culture around them Women do not simply live out theologies authored by men Rather

Nineteenth Century American Women Writers and Theologies of the Afterlife A Step Closer to Heaven is grounded in the radical notion that the theological principles crafted by women and derived from women s experiences intellectual habits and organizational capabilities are foundational to American literature itself *Religion of White Rage* Stephen C.

Finley,2020-09-21 Critically analyses the historical cultural and political dimensions of white religious rage in America past and present This book sheds light on the phenomenon of white rage and maps out the uneasy relationship between white anxiety religious fervour American identity and perceived black racial progress Contributors to the volume examine the sociological construct of the e white labourere whose concerns and beliefs can be understood as religious in foundation and uncover that white religious fervor correlates to notions of perceived white loss and perceived black progress In discussions ranging from the Constitution to the Charlottesville riots to the evangelical community s uncritical support for Trump the authors of this collection argue that it is not economics but religion and race that stand as the primary motivating factors for the rise of white rage and white supremacist sentiment in the United States *The Spiritual-Industrial Complex* Jonathan P. Herzog,2011-08-05 In his farewell address Dwight D Eisenhower warned the nation of the perils of the military industrial complex But as Jonathan Herzog shows in this insightful history Eisenhower had spent his presidency contributing to another lesser known Cold War collaboration the spiritual industrial complex This fascinating volume shows that American leaders in the early Cold War years considered the conflict to be profoundly religious they saw Communism not only as godless but also as a sinister form of religion Fighting faith with faith they deliberately used religious beliefs and institutions as part of the plan to defeat the Soviet enemy Herzog offers an illuminating account of the resultant spiritual industrial complex chronicling the rhetoric the programs and the policies that became its hallmarks He shows that well known actions like the addition of the words under God to the Pledge of Allegiance were a small part of a much larger and relatively unexplored program that promoted religion nationwide Herzog shows how these efforts played out in areas of American life both predictable and unexpected from pulpits and presidential appeals to national faith drives military training barracks public school classrooms and Hollywood epics Millions of Americans were bombarded with the message that the religious could not be Communists just a short step from the all too common conclusion that the irreligious could not be true Americans Though the spiritual industrial complex declined in the 1960s its statutes monuments and sentiments live on as bulwarks against secularism and as reminders that the nation rests upon the groundwork of religious faith They continue to serve as valuable allies for those defending the place of religion in American life **The World's Moral Problems** ,1920 Record of Current Educational Publications ... Jan. 1912-Jan./Mar. 1932 United States. Office of Education,1921 **Bulletin** United States. Office of Education,1923 Bulletin ,1922 Statistics of Land-grant Colleges and Universities United States. Religion And The New Republic Introduction

In today's digital age, the availability of Religion And The New Republic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion And The New Republic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion And The New Republic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion And The New Republic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion And The New Republic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion And The New Republic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion And The New Republic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion And The New Republic books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion And The New Republic books and manuals for download and embark on your journey of knowledge?

FAQs About Religion And The New Republic Books

1. Where can I buy Religion And The New Republic books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Religion And The New Republic book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Religion And The New Republic books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Religion And The New Republic audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Religion And The New Republic books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
