

The Sixteenth and Seventeenth Centuries

Paul Bushkovitch

**Nancy Kollmann** 

Religion and Society in Russia Paul Bushkovitch, 1992 Bushkovitch's book traces the evolution of religious attitudes in this important transitional period in Russian history The sixteenth and seventeenth centuries in Russia saw the gradual decline of monastic spirituality the rise of miracle cults and ultimately the birth of a more personal and private faith that stressed morality instead of public rituals Bushkovitch not only skilfully reconstructs these rapid and fundamental changes in the Russian religious experience but also shows how they were influenced by Western European religious ideas and how they foreshadowed the secularization of Russian society usually credited to Peter the Great The Military and Society in Russia, 1450-1917 Eric Lohr, Marshall Poe, 2002-11-01 This book explores the interaction of the Russian military and society in the early modern and modern period In contrast to straightforward military histories the volume is concerned with the myriad political economic and cultural currents that shaped the Russian armed forces from their beginnings in Muscovite times to the end of World War I The book begins with an attempt by the editors to provide a large frame in which to place the various contributions What follows are three topical sections including 22 detailed often archival based monographic articles The first section concerns The Military and Society in Muscovy the second section focuses on The Military and Society in Imperial Russia The third part analyzes Patriotism Nationality Religion and the Military Musical Cultures in Seventeenth-Century Russia Claudia R. Jensen, 2009-10-05 Claudia R Jensen presents the first unified study of musical culture in the court and church of Muscovite Russia Spanning the period from the installation of Patriarch Iov in 1589 to the beginning of Peter the Great's reign in 1694 her book offers detailed accounts of the celebratory musical performances for Russia's first patriarch events that were important displays of Russian piety and power Jensen emphasizes music's varied roles in Muscovite society and the equally varied opinions and influences surrounding it In an attempt to demystify what has previously been an enigma to Western readers she paints a clear picture of the dazzling splendor of musical performances and the ways in which 17th century Muscovites employed music for spiritual enlightenment as well as entertainment The Literature of Roquery in Seventeenth- and Eighteenth-century Russia Marcia A. Morris, 2000 This study of the flowering and the antecedents of the picaresque in 17th century Russia seeks to offer new insight into both the genre and its broad appeal to Russian readers Morris resurrects 18th century picaresques revealing their fusion of Western and indigenous aesthetics

**Leaders of Russia and the Soviet Union** John Paxton, 2013-08-21 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and education of each ruler important legislation events and wars under each leader s rule and each leader s achievements and impact on Russia or the Soviet Union *Crime and Punishment in Early Modern Russia* Nancy Kollmann, 2012-10-11 A magisterial account of criminal law

in early modern Russia in a wider European and Eurasian context Proceedings, American Philosophical Society (vol. 141, The Russian Empire 1450-1801 Nancy Shields Kollmann, 2017 Modern Russian identity and historical experience has been largely shaped by Russia's imperial past an empire that was founded in the early modern era and endures in large part today The Russian Empire 1450 1801 surveys how the areas that made up the empire were conquered and how they were governed It considers the Russian empire a Eurasian empire characterized by a politics of difference the rulers and their elites at the center defined the state s needs minimally with control over defense criminal law taxation and mobilization of resources and otherwise tolerated local religions languages cultures elites and institutions The center related to communities and religions vertically according each a modicum of rights and autonomies but didn t allow horizontal connections across nobilities townsmen or other groups potentially with common interests to coalesce Thus the Russian empire was multi ethnic and multi religious Nancy Kollmann gives detailed attention to the major ethnic and religious groups and surveys the government's strategies of governance centralized bureaucracy military reform and a changed judicial system The volume pays particular attention to the dissemination of a supranational ideology of political legitimacy in a variety of media written sources and primarily public ritual painting and particularly architecture Beginning with foundational features such as geography climate demography and geopolitical situation The Russian Empire 1450 1801 explores the empire's primarily agrarian economy serfdom towns and trade as well as the many religious groups primarily Orthodoxy Islam and Buddhism It tracks the emergence of an Imperial nobility and a national self consciousness that was by the end of the eighteenth century distinctly imperial embracing the diversity of the empire s many peoples and cultures Companion to Russian History Abbott Gleason, 2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field

Orthodox Russia: Belief and Practice Under the Tsars , Good for the Souls Nadieszda Kizenko, 2021-04-22 From the moment that Tsars as well as hierarchs realized that having their subjects go to confession could make them better citizens as well as better Christians the sacrament of penance in the Russian empire became a political tool a devotional exercise a means of education and a literary genre It defined who was Orthodox and who was other First encouraging Russian subjects to participate in confession to improve them and to integrate them into a reforming Church and State authorities then turned to confession to integrate converts of other nationalities But the sacrament was not only something that state and religious authorities sought to impose on an unwilling populace Confession could provide an opportunity for

carefully crafted complaint What state and church authorities initially imagined as a way of controlling an unruly population could be used by the same population as a way of telling their own story or simply getting time off to attend to their inner lives Good for the Souls brings Russia into the rich scholarly and popular literature on confession penance discipline and gender in the modern world and in doing so opens a key window onto church state and society It draws on state laws Synodal decrees archives manuscript repositories clerical guides sermons saints lives works of literature and visual depictions of the sacrament in those books and on church iconostases Russia Ukraine and Orthodox Christianity emerge both as part of the Sir Jerome Horsey's Travels and European transatlantic religious continuum and in crucial ways distinct from it Adventures in Russia and Eastern Europe John Anthony Butler, 2018-10-29 This volume details Sir Jerome Horsey's account of his experiences in Russia and other countries Horsey who spent the better part of seventeen years in the country until leaving in 1591 was an employee of the Muscovy Company but also operated as an unofficial ambassador for both the English and Russian governments He was personally acquainted with such people as Ivan the Terrible Tsar Fyodor I and Boris Godunov and gives lively and interesting accounts of his interactions with them as well as with many other prominent people both Russian and English Horsey has been accused of exaggeration chicanery and self advertisement but his account is by far the most readable and enjoyable of the many books written by English people sojourning in Russia It has been published only twice both times in conjunction with Giles Fletcher's contemporary and more professional account of the Russian state this edition with a full introduction and extensive notes is the first to present Horsey's book on its own It is a travel book an adventure story and an autobiography of a controversial and significant figure Succession to the Throne in Early Modern Russia Paul Bushkovitch, 2021-03-18 This revisionist history of succession to the throne in early modern Russia from the Moscow princes of the fifteenth century to Peter the Great argues that legal primogeniture never existed the monarch designated an heir that was usually the eldest son only by custom not by law Overturning generations of scholarship Paul Bushkovitch persuasively demonstrates the many paths to succession to the throne where designation of the heir and occasional elections were part of the relations of the monarch with the ruling elite and to some extent the larger population Exploring how the forms of designation evolved over the centuries as Russian culture changed and in the later seventeenth century made use of Western practices this study shows how when Peter the Great finally formalized the custom in 1722 by enshrining the power of the tsar to designate in law this was not a radical innovation but was in fact consistent with the experience of the previous centuries Byzantium - Rus - Russia Simon Franklin, 2024-10-28 The Christian culture of Rus the medieval precursor of modern Russia Ukraine and Belarus is sometimes presented either as a reflection of an indigenous spirituality wrapped in borrowed Byzantine forms or by contrast as merely a provincial version of its Byzantine original The essays in this volume start from the premise that neither view is adequate The history of culture even of a self consciously imitative culture involves a continual process of inevitable mistranslation as the imported models are reshaped and

reinterpreted according to local resources circumstances and preconceptions These essays explore aspects of the translation of culture on several levels from the semantic processes of the actual translation of written texts from Greek into Slavonic through to larger issues of ideology and identity They consider both the initial stages of such translation from Byzantium to Rus and some of the subsequent retranslations of the Byzantine heritage in the culture of Rus and eventually of Russia

The Making of Holy Russia John Strickland, 2013-09-01 This book is a critical study of the interaction between the Russian Church and society in the late 19th and early 20th century While other studies exist that draw attention to the voices in the Church typified as liberal in the years leading up to the Revolution this work introduces a wide range of conservative opinion that equally strove for spiritual renewal and the spread of the Gospel Grounded in original research conducted in the newly accessible libraries and archives of post Soviet Russia this study is intended to reveal the wider relevance of its topic to an ongoing discussion of the relationship between national or ethnic identities on the one hand and the self understanding of Orthodox Christianity as a universal and transformative faith on the other Priest and Parish in Vienna William David Bowman, 1999 Priest and Parish in Vienna 1780 to 1880 details the social cultural and political transformation of the Austrian Catholic priesthood in nineteenth century Vienna It shows how priests a very important and influential group in Austria were changed from servants of the state into political activists working for the contentious Christian Social Party in fin de siecle Cartographies of Tsardom Valerie Ann Kivelson, 2006 By studying 17th century maps Kivelson sheds light on Vienna Muscovite Russia the relationship of state and society the growth of an empire the rise of serfdom and the place of Orthodox The Cambridge History of Christianity: Volume 5, Eastern Christianity Michael Christianity in society OCLC Angold, 2006-08-17 This volume encompasses the whole Christian Orthodox tradition from 1200 to the present Its central theme is the survival of Orthodoxy against the odds into the modern era It celebrates the resilience shown in the face of hostile regimes and social pressures in this often neglected period of Orthodox history Reformulating Russia Kåre Johan Mjør, 2011-05-06 Georgii Fedotov s Saints of Ancient Russia Georgii Florovskii s The Ways of Russian Theology Nikolai Berdiaev s The Russian Idea and Vasilii Zenkovskii s History of Russian Philosophy these are among the most well known and widely read historical studies of Russian thought and culture Having left their homeland after the Bolshevik Revolution these four authors aimed to present their readers with a common past and thus with a common identity and their historical works emerged out of the need for reorientation in a post revolutionary migr situation At the same time they were to elaborate highly contrasting versions of the Russian past By means of in depth narrative and contextual analyses Reformulating Russia provides a detailed examination of the visions of Russia contained in these four works Suicide and the Body Politic in Imperial Russia Susan K. Morrissey, 2007-01-04 In early twentieth century Russia suicide became a public act and a social phenomenon of exceptional scale a disguieting emblem of Russia's encounter with modernity This book draws on an extensive range of sources from judicial records to the popular press to examine the forms meanings and regulation of

suicide from the seventeenth century to 1914 placing developments into a pan European context It argues against narratives of secularization that read the history of suicide as a trajectory from sin to insanity crime to social problem and instead focuses upon the cultural politics of self destruction Suicide the act the body the socio medical problem became the site on which diverse authorities were established and contested not just the priest or the doctor but also the sovereign the public and the individual This panoramic history of modern Russia told through the prism of suicide rethinks the interaction between cultural forms individual agency and systems of governance

Unveiling the Magic of Words: A Report on "Religion And Society In Russia The Sixteenth And Seventeenth Centuries"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "Religion And Society In Russia The Sixteenth And Seventeenth Centuries," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

#### Religion And Society In Russia The Sixteenth And Seventeenth Centuries Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion And Society In Russia The Sixteenth And Seventeenth Centuries PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion And Society In Russia The Sixteenth And Seventeenth Centuries PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion And Society In Russia The Sixteenth And Seventeenth Centuries free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

#### FAQs About Religion And Society In Russia The Sixteenth And Seventeenth Centuries Books

What is a Religion And Society In Russia The Sixteenth And Seventeenth Centuries PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. How do I create a Religion And Society In Russia The Sixteenth And Seventeenth Centuries PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. How do I edit a Religion And Society In Russia The Sixteenth And Seventeenth Centuries PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. How do I convert a Religion And Society In Russia The Sixteenth And Seventeenth Centuries PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in

different formats. How do I password-protect a Religion And Society In Russia The Sixteenth And Seventeenth Centuries PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
