Religion And The Western Mind:

The Closing of the Western Mind Charles Freeman, 2007-12-18 A radical and powerful reappraisal of the impact of Constantine's adoption of Christianity on the later Roman world and on the subsequent development both of Christianity and of Western civilization When the Emperor Constantine converted to Christianity in 368 AD he changed the course of European history in ways that continue to have repercussions to the present day Adopting those aspects of the religion that suited his purposes he turned Rome on a course from the relatively open tolerant and pluralistic civilization of the Hellenistic world towards a culture that was based on the rule of fixed authority whether that of the Bible or the writings of Ptolemy in astronomy and of Galen and Hippocrates in medicine Only a thousand years later with the advent of the Renaissance and the emergence of modern science did Europe begin to free itself from the effects of Constantine's decision yet the effects of his establishment of Christianity as a state religion remain with us in many respects today Brilliantly wide ranging and ambitious this is a major work of history

Religion and the Western Mind Ninian Smart, 1987-03-15 Ninian Smart believes that the modern study of religion should occur in the context of a radical reappraisal of our educational system This is a worldview analysis of religion appropriate to today's global city It attacks narrowness whether found in Western philosophy or Christian theology and argues for a disestablishmentarian stance

Religion and the Western Mind Ninian Smart, 1987-03-15 Ninian Smart believes that the modern study of religion should occur in the context of a radical reappraisal of our educational system This is a worldview analysis of religion appropriate to today's global city It attacks narrowness whether found in Western philosophy or Christian theology and argues for a disestablishmentarian stance Religion and the Western Mind presents the explosive possibilities of religions of world views that have the power to shape history It offers a theory regarding the need of nations for religious justifications It examines three fundamental backlashes the Moral Majority the Muslim Brotherhood and Gush Emunim It looks at the contrasting Indian and Sri Lankan responses to Western influence and delineates the Indian tradition in a new way And finally it diagnoses the future exploring the ethical inferences of the worldview and supporting a position that runs like a thread through this book

Passion of the Western Mind Richard Tarnas, 2011-10-19 This magnificent critical survey with its inherent respect for both the West's mainstream high culture and the radically changing world of the 1990s offers a new breakthrough for lay and scholarly readers alike Allows readers to grasp the big picture of Western culture for the first time SAN FRANCISCO CHRONICLE Here are the great minds of Western civilization and their pivotal ideas from Plato to Hegel from Augustine to Nietzsche from Copernicus to Freud Richard Tarnas performs the near miracle of describing profound philosophical concepts simply but without simplifying them Ten years in the making and already hailed as a classic THE PASSION OF THE WESTERN MIND is truly a complete liberal education in a single volume

Islam for the Western Mind Richard Henry Drummond, 2005-01-01 Surveys the life and times of Muhammad and the rise of Islam including the prophet's visions and the politics that shaped his message Provided

by publisher *The Oneness of the Eastern Heart and the Western Mind* Sri Chinmoy, 2014-03-22 This historic collection of all of Sri Chinmoy's university lectures in eBook form has been released to commemorate the 50th anniversary of Sri Chinmoy's arrival in the West on 13 April 1964. Sri Chinmoy's very first university lecture was given at the University of the West Indies in Kingston, Jamaica, on 10 January 1968. It was entitled 'Spirituality: What It Is and What It Is Not'. This inaugurated a whole era of talks which saw Sri Chinmoy travelling ceaselessly across the length and breadth of America and around the world to address the youth of each country. He would spend countless hours travelling by car or train to reach far-flung universities, sometimes visiting two or even three in the course of a single day. After many of these sublimely inspiring discourses, he would answer questions from the audience or spend time instructing sincere seekers in the age-old practices of concentration, meditation, and contemplation. By the mid-seventies, Sri Chinmoy had spoken volumes, and he began to include longer and longer periods of silent meditation in his lectures. Then, in 1984, in a significant departure from the spoken word, he introduced the theme of Peace Concerts. At these concerts, Sri Chinmoy would play his own soulful and devotional compositions on a variety of instruments of both Eastern and Western origin, meditating between each instrument and sometimes giving aphorisms on peace and related themes. In 2003, yet another form of Sri Chinmoy's self-offering unfolded when he travelled to a number of universities to honour distinguished professors for their significant contributions to the betterment of humanity by physically lifting them overhead. This remarkable endeavour was part of his 'Lifting Up the World With a Oneness Heart' award programme. Thus, through words, silence, music, and a combination of physical and spiritual upliftment, Sri Chinmoy has shared his profound spiritual message with the aspiring Truth-seekers and God-lovers of the university world for four decades. Sri Chinmoy's words are mantras for the modern age, reverberating in our hearts with their timeless and truly life-transforming wisdom. In his exquisite prose, which is suffused with the very breath and cadence of poetry, Sri Chinmoy has revealed all the many stages of the seeker's journey towards the Golden Shores of the ever-transcending Beyond. For generations to come, these three volumes will awaken the inner mounting cry of seekers everywhere to achieve the highest Goal of Yoga: union with God in this life. [Eastern Light Shines on Western Minds](#)

Helena Petrovna Blavatsky, 2018-06-23 Eastern Psychology has given the West a clue to certain mysteries previously baffling, as for example in the departments of 1 Mesmerism and hypnotism 2 The supposed posthumous relations of the disincarnate entity with the living 3 The nature and relations of Force and Matter, capable of practical verification by whomsoever may learn and follow out the experimental methods of the Oriental Schools of Occult science. Eastern Occult Science and its complementary philosophy throws light upon some of the deepest problems of man and nature. But Occultism is colourless, cosmopolitan, unsectarian, sexless, unworldly, altruistic. [Psychology and Western Religion](#) C. G. Jung, 2020-09-01 Extracted from Volumes 11 and 18. This selection of Jung's writings brings together a number of articles that are necessary for the understanding of his interpretation of the religious life and development of Western man, views that are central to his

psychological thought **Ninian Smart on World Religions: Traditions and the challenges of modernity. I. Individual traditions. Buddhism. 'Mysticism and scripture in Theravāda Buddhism'** Ninian Smart, 2009 Ninian Smart came to public prominence as the founding Professor of the first British university Department of Religious Studies in the late 1960s His pioneering views on education in religion proved hugely influential at all levels from primary schools to academic teaching and research An unending string of publications many of them accessible to the general public sustained a reputation that became worldwide Here for the first time a selection of Ninian Smart's wide ranging writings is organised systematically under a set of categories which both comprehend and also illuminate his varied output over a career spanning half a century The editor John Shepherd was Principal Lecturer in Religion and Philosophy at the University of Cumbria He first met Smart as a postgraduate student and recently helped establish the Ninian Smart Archive at the University of Lancaster Eastern Religion for Western Gnostics Michael Faust, 2013-01-26 Is religion compatible with science The Tao of Physics by Fritjof Capra famously attempted to draw parallels between modern physics and Eastern mysticism What Capra conspicuously avoided was any comparison between the Abrahamic religions and physics These religions of faith have no scientific component The West has in the last few hundred years been the engine of scientific progress yet the dominant religions of the West are anti scientific This has led to a damaging dichotomy in the Western mind Doesn't the West have any enlightenment religions that might allow science and religion to find common ground This book compares and contrasts the Gnostic religion of Illumination the religion of the ancient secret society known as the Illuminati with the main Eastern religions of Hinduism Buddhism and Taoism and suggests that all four religions can be brought together under one banner Enlightenment that may stand in united opposition to Abrahamism knowledge against faith **The Japanese in the Western Mind** Perry Hinton, 2023-06-16 This fascinating book is an insightful exploration of Western perceptions and representations of Japanese culture and society drawing on social and cultural psychological ideas around stereotypes and intercultural relations Hinton considers how the West views the Japanese as an ideologically different other and proposes a cultural theory of stereotypes from which to explore Western observations of the Japanese The book explores Western socio cultural representations of the Japanese alongside Edward Said's well known theory of Orientalism It examines the West's intercultural relationship with Japan and how this has changed over time to show how the Japanese have been represented in the Western mind throughout history to the present day Hinton argues that our view of other cultures is based on our own cultural expectations which involve complex issues of meaning making and perceived cultural differences This book foregrounds the research through accounts of Westerners about the Japanese to reveal how cultural representations can influence the ways in which people from different cultures communicate in interaction and how intercultural understanding or misunderstanding can arise By reflecting on the changing Western representations of the Japanese and how and why these have emerged this book will be of interest to students academics and general readers interested in stereotypes cultural

psychology intercultural communication anthropology and Japanese culture and history **Religion, Materialism and Ecology** Sigurd Bergmann, Kate Rigby, Peter Manley Scott, 2023-05-31 This timely collection of essays by leading international scholars across religious studies and the environmental humanities advances a lively discussion on materialism in its many forms While there is little agreement on what materialism means it is evident that there is a resurgence in thinking about matter in more animated and active ways The volume explores how debates concerning the new materialisms impinge on religious traditions and the extent to which religions with their material culture and beliefs in the Divine within the material can make a creative contribution to debates about ecological materialisms Spanning a broad range of themes including politics architecture hermeneutics literature and religion the book brings together a series of discussions on materialism in the context of diverse methodologies and approaches The volume investigates a range of issues including space and place hierarchy and relationality the relationship between nature and society human and other agencies and worldviews and cultural values Drawing on literary and critical theory and queer philosophical theological and social theoretical approaches this ground breaking book will make an important contribution to the environmental humanities It will be a key read for postgraduate students researchers and scholars in religious studies cultural anthropology literary studies philosophy and environmental studies

Ninian Smart on World Religions: Religious experience and philosophical analysis. I. Autobiographical. 'Methods in my life' Ninian Smart, 2009 Ninian Smart came to public prominence as the founding Professor of the first British university Department of Religious Studies in the late 1960s His pioneering views on education in religion proved hugely influential at all levels from primary schools to academic teaching and research An unending string of publications many of them accessible to the general public sustained a reputation that became worldwide Here for the first time a selection of Ninian Smart's wide ranging writings is organised systematically under a set of categories which both comprehend and also illuminate his varied output over a career spanning half a century The editor John Shepherd was Principal Lecturer in Religion and Philosophy at the University of Cumbria He first met Smart as a postgraduate student and recently helped establish the Ninian Smart Archive at the University of Lancaster **Ninian Smart on World Religions** John J. Shepherd, 2017-11-30 Ninian Smart came to public prominence as the founding Professor of the first British university Department of Religious Studies in the late 1960s His pioneering views on education in religion proved hugely influential at all levels from primary schools to academic teaching and research An unending string of publications many of them accessible to the general public sustained a reputation that became worldwide Here for the first time a selection of Ninian Smart's wide ranging writings is organised systematically under a set of categories which both comprehend and also illuminate his varied output over a career spanning half a century The editor John Shepherd was Principal Lecturer in Religion and Philosophy at the University of Cumbria He first met Smart as a postgraduate student and recently helped establish the Ninian Smart Archive at the University of Lancaster *What Has Religion Studies in Africa*

Been Up To? Jaco Beyers, 2023-04-05 The purpose of the book is to provide a collection of perspectives from various parts of Africa on what scholars in religion studies are currently engaged with whether it refers to topics or methodology Each chapter is written from the perspective of a scholar working within a particular context on a particular theme or topic related to religion studies Several methodologies have been implemented in each contribution to the book Each contribution applies a different methodology for the purpose of investigating a specific topic or research theme In general the majority of the contributions follow a method of critical literature review as applied to a specific field The book is not intended to provide an exhaustive list of all possible topics and themes addressed in current research in Africa From a decolonized perspective the book gives voice to African scholars who exhibit their scholarly work as related to religion studies Topics addressed include curriculum design and pedagogical approaches in teaching religion studies the relation between religion and culture in an African context religion and health religion and gender interreligious relations in Africa religion and ecology and religion and mission

Plea in behalf of Western Colleges. A discourse delivered before the Society for promoting Collegiate and Theological Education at the West ... October 29, 1845, etc Albert Barnes, 1845 **An Informed Faith** R. J.

Rushdoony, 2017-07-11 Our faith should be an informed one because the God who created all things speaks to every sphere of life and all facts should be studied in light of the revelation of God in Scripture This is the foundation of Christian dominion For R J Rushdoony true government was the self government of the Christian life in terms of God s law so he wrote his position papers to better equip Christians to apply their faith to all of life His objective was not to empower the state or the organized church but rather to call every person and institution to God s Word which often put him at odds with both church and state This three volume collection of his position papers 1979 2000 are organized topically and are featured for the first time with an extensive index which will make this material far more accessible to the studious reader This beautiful three volume collection of hardback books topically organizes ALL of Rushdoony s position papers not only the 115 originally published in *Roots of Reconstruction* but also 118 later essays including six recently discovered unpublished papers

A Pictorial Description of the United States Robert Sears, 1854 **The World's Parliament of Religions** John Henry Barrows, 1893

Management, Spirituality and Religion Yochanan Altman, Kathryn Pavlovich, 2023-08-07 Celebrating a decade of progress in the fast developing field of management spirituality and religion this book provides the cr me de la cr me of academic scholarship in this crucial field of interest that lies in the intersection of religion spirituality with management and organization studies bridging the humanities the social sciences and business and management The very best articles that won the coveted best paper of the year award sponsored by the Sobey School of Business at Saint Mary s University in Halifax Canada and published in the top ranked interdisciplinary *Journal of Management Spirituality and Religion* illustrate the development of thinking over the past decade showcasing diverse theoretical orientations and methodological approaches written by the leading scholars in the field This authoritative collection will be a valued addition

to university libraries as much as to specialized interest groups The book will be serving as key text for teaching and a must read for anyone wishing to inform themselves of this growing field of scholarship
