When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program

all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars *Prison Religion* Winnifred Fallers Sullivan,2011-09-06 More than the citizens of most countries Americans are either religious or in jail or both But what does it mean when imprisonment and evangelization actually go hand in hand or at least appear to What do faith based prison programs mean for the constitutional separation of church and state particularly when prisoners who participate get special privileges In *Prison Religion* law and religion scholar Winnifred Fallers Sullivan takes up these and other important questions through a close examination of a 2005 lawsuit challenging the constitutionality of a faith based residential rehabilitation program in an Iowa state prison *Americans United for the Separation of Church and State v Prison Fellowship Ministries* a trial in which Sullivan served as an expert witness centered on the constitutionality of allowing religious organizations to operate programs in state run facilities Using the trial as a case study Sullivan argues that separation of church and state is no longer possible Religious authority has shifted from institutions to individuals making it difficult to define religion let alone disentangle it from the state *Prison Religion* casts new light on church state law the debate over government funded faith based programs and the predicament of prisoners who have precious little choice about what kind of rehabilitation they receive if they are offered any at all **Religion in Corrections** American Correctional Association,Harry R. Lloyd, 2020 Changes in the American religious landscape enabled the rise of mass incarceration Religious ideas and practices also offer a key for ending mass incarceration These are the bold claims advanced by *Break Every Yoke* the joint work of two activist scholars of American religion Once in an era not too long past Americans both incarcerated and free spoke a language of social liberation animated by religion In the era of

mass incarceration we have largely forgotten how to dream and organize this way To end mass incarceration we must reclaim this lost tradition Properly conceived the movement we need must demand not prison reform but prison abolition Break Every Yoke weaves religion into the stories about race politics and economics that conventionally account for America's grotesque prison expansion of the last half century and in so doing it sheds new light on one of our era's biggest human catastrophes By foregrounding the role of religion in the way political elites religious institutions and incarcerated activists talk about incarceration Break Every Yoke is an effort to stretch the American moral imagination and contribute resources toward envisioning alternative ways of doing justice By looking back to nineteenth century abolitionism and by turning to today's grassroots activists it argues for reclaiming the abolition spirit **American Prisons** SpearIt,2017-08-07 This book is a critical exploration of prisons in contemporary America Paying special attention to race and Islam the work draws on a range of data and sources including interviews and written correspondence with current and ex prisoners documentary research and congressional hearings on topics that include criminal justice and religion culture conversion radicalization and reform Keywords American Prisons Islam Muslim Conversion Culture Criminal Justice Race Religion Latinos Radicalization

Inmate Radicalisation and Recruitment in Prisons Clarke Jones,Raymund Narag,2018-12-07 It is traditionally viewed that vulnerable inmates form captive audiences for violent terrorist offenders who in turn are destined to turn prisons into training grounds for militant activities all the while forming alliances with more hardened criminals to produce an even greater threat However there is limited empirical grounding to underpin these assertions *Inmate Radicalisation and Recruitment in Prisons* challenges existing perceptions about prison radicalisation Whilst not downplaying the seriousness of the prison radicalisation threat it seeks a more balanced interpretation of current discussion Drawing on original research in the Philippines and case studies from Australia the US Canada Indonesia the UK France the Netherlands and Belgium the authors posit an alternative view that suggests that the imprisonment of a terrorist may mark the beginning of physical disengagement and psychological de radicalisation Offering evidence based insights to help determine how best to house terrorist offenders this volume will appeal to students and researchers interested in fields such as Criminology and Criminal Justice Terrorism Prisons and Organised Crime **Prison Chaplains on the Beat in US and UK Prisons** George Walters-Sleyon, PhD,2021-08-10 This book is about prison chaplains and their care for aging dying and dead prisoners in the penal systems of the United States and the United Kingdom Since the 18th century prison chaplains have served as priests and pastoral caregivers to prisoners and prison staff The book traces the historical roles of prison chaplains in developing the managerial aspects of prisons focusing on their presence best practices and ways of conceptualizing their prison experiences in the modern prison cultures of the United States and the United Kingdom While prison chaplains have historically provided care to prisoners prison chaplaincy after 1970 has transformed This book shows how prison chaplains face new challenges in caring for prisoners under the penal policies and practices of mass incarceration *Prison Chaplains on the Beat* demonstrates

how prison chaplains have conceptualized the practice of providing pastoral care to aging dying and dead prisoners in the United States and the United Kingdom through a person centered approach The book is both theoretical and empirical The empirical aspect focuses on the prison experiences of 31 prison chaplains from the United States and Scotland The theoretical aspect provides a conceptual understanding of the multi faceted roles of prison chaplains in the United States Scotland and England and Wales As a research in comparative criminal justice it argues that prison chaplains are fundamentally indispensable to prison management practices and managerial theories in the United States Scotland and England and Wales post 1970 Powerfully combines historical and empirical approaches to religion in prisons Brings new understanding of the pastoral and prophetic roles of prison chaplains and launches a searing ethical critique of mass incarceration The comparisons between the United States and Britain are instructive for current and future prison policy in both locations Dr David Grumett School of Divinity University of Edinburgh UK George Walters Sleyon s Prison Chaplains on the Beat offers a new perspective on the predicaments of contemporary penal politics and practices especially their racialized harms Chaplains are both observers of and participants in the contemporary prison scene and their perspective is a special but hitherto under reported one By reconsidering our carceral condition through this lens Walters Sleyon illuminatingly re states the moral and political challenges of mass incarceration Dr Richard Sparks School of Law University of Edinburgh UK Faith, Identity and Homicide Shona Robinson-Edwards,2021-10-09 This book explores the role that religion plays in the lives of imprisoned homicide offenders Drawing on interviews in an English prison the author examines how they narrate their life stories and how religion intersects with other categories to rebuild their personal identities after committing a crime and being labelled as murderers or killers This book seeks to bridge the gap between macro and micro phenomena examining religion as both a social institution and a personal experience It also explores the mediating role of institutions with regards to the nature and extent of their influence upon individual choices and actions and provides insights into the nature of the therapeutic prison It seeks to create some clarity of understanding the complex nature of religiosity narrative identity desistance and rehabilitation whilst critically examining elements of social identity that may restrict or enhance this process It provides a series of recommendations for organisations working with convicted homicide offenders offenders and speaks to academics and practitioners in the fields of criminology sociology psychology and religious theological studies **Religion, the Community, and the Rehabilitation of Criminal Offenders** Thomas P O'Connor,2013-01-11 Explore the relationship between faith based programs religion and offender rehabilitation This book reports on current research from several disciplines to help the reader understand the nature and impact of the relationship between faith based programs religion and offender rehabilitation Religion the Community and the Rehabilitation of Criminal Offenders is a unique resource there has been very little research published on this important topic President Bush s faith based initiative recognized that religion plays a role in the justice system and corrections that is overlooked but essentialit

increases the role of community and caring in the system in a unique and important way This pathbreaking book points the way toward a system of faith based programs that are not only effective but also economical as these programs are often staffed by volunteers Religion the Community and the Rehabilitation of Criminal Offenders addresses important questions regarding the importance and effectiveness of faith based rehabilitation programs including What is the relationship between prison religion and offender rehabilitation What motivates inmates to become involved with religious programs and activities What is the prison chaplain s role in rehabilitation Are certain religious denominations more effective than others in preventing crime delinquency and recidivism How does religious activity help inmates adjust to the prison environment What do inmates have to say about the religious programs they encounter within the system How did Islam develop within American correctional institutions and what changes has the movement gone through in recent years Why do female African American inmates tend to resist conversion to Islam while their male counterparts embrace the Muslim faith in increasing numbers How can sacred texts and social theory be utilized as teaching tools and intervention strategies in the transformation processes of men incarcerated for violent crimes A fascinating study from the Sing Sing prison and more

Catholic Social Thought and Prison Ministry Elizabeth Phillips,Férdia J. Stone-Davis,2024-03-29 This book explores how the themes and insights of official Catholic Social Teaching CST and broader Catholic social thought might illuminate and be illuminated by a deeper engagement with the context of prisons What resources might Catholic social thought bring to pastoral work in prisons And what might listening to the prison context bring to Catholic social thought The volume includes constructive proposals for the relationship between CST and prison ministry as well as critical questions about the role and shortcomings of prisons CST and chaplaincy It contains contributions by scholars and practitioners of theology criminology and prison chaplaincy from the UK US and Ireland and reflects on the inextricable relationship of social action and pastoral care in the work of prison ministry Religion and Crime: Theory, Research, and Practice Kent R.

Kerley,2018-11-15 This book is a printed edition of the Special Issue Religion and Crime Theory Research and Practice that was published in Religions *Therriault V. Federal Bureau of Prisons ,1974* **Down in the Chapel** Joshua

Dubler,2013-08-13 A bold and provocative interpretation of one of the most religiously vibrant places in America a state penitentiary Baraka Al Teddy and Sayyid four black men from South Philadelphia two Christian and two Muslim are serving life sentences at Pennsylvania s maximum security Graterford Prison All of them work in Graterford s chapel a place that is at once a sanctuary for religious contemplation and an arena for disputing the workings of God and man Day in day out everything is in its twisted way rather ordinary And then one of them disappears Down in the Chapel tells the story of one week at Graterford Prison We learn how the men at Graterford pass their time care for themselves and commune with their makers We observe a variety of Muslims Protestants Catholics and others at prayer and in study and song And we listen in as an interloping scholar of religion tries to make sense of it all When prisoners turn to God they are often scorned as con artists

who fake their piety or pitied as wretches who cling to faith because faith is all they have left Joshua Dubler goes beyond these stereotypes to show the religious life of a prison in all its complexity One part prison procedural one part philosophical investigation Down in the Chapel explores the many uses prisoners make of their religions and weighs the circumstances that make these uses possible Gritty and visceral meditative and searching it is an essential study of American religion in the age of mass incarceration
