Religions Of The Eastwest:

Literature, Religion, and East/West Comparison Anthony C. Yu, 2005 This book pays critical homage to the eminent comparatist of Chinese and Western literature and religion Anthony C Yu of The University of Chicago Broadly comparative cross cultural and interdisciplinary in scope the volume consists of an introductory essay on Yu s scholarly career and thirteen additional essays on topics such as literary texts and traditions of varying provenance and periods ranging from ancient Greece medieval Europe and nineteenth and twentieth century England and America to China from the classical to modern periods The disciplines and areas of research that the essays draw into constructive engagement with one another include comparative literature religion and literature history of religions or comparative religion religion and social thought and the study of myth Eric Ziolkowski is Professor and Head of the Department of Religious Studies at Lafayette College

Religions of the East Joseph Mitsuo Kitagawa, 1960 **Religions and Societies, Asia and the Middle East** Carlo Caldarola, 1982 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series [Bibliography on East Asian Religion and Philosophy](#), 2001 This comprehensive research bibliography compiles annotates indexes and cross references resources in the principal Western languages which focus on China Japan and Korea in the areas of philosophy and religious studies supporting resources in theology history culture and related social sciences A notable additional feature is the inclusion of extensive Internet based resources such as a wide variety of web sites discussion lists electronic texts virtual libraries online journals and related material **Eastspirit: Transnational Spirituality and Religious**

Circulation in East and West Jørn Borup, Marianne Qvortrup Fibiger, 2017-08-28 Mindfulness yoga Tantra Zen martial arts karma feng shui Ayurveda Eastern ideas and practices associated with Asian religions and spirituality have been accommodated to a global setting as both a spiritual religious and a broader cultural phenomenon Eastern spirituality is present in organized religions the spiritual New Age market arts literature media therapy and health care but also in public institutions such as schools and prisons Eastspirit Transnational Spirituality and Religious Circulation in East and West describes and analyses such concepts practices and traditions in their new Western and global contexts as well as in their transformed expressions and reappropriations in religious traditions and individualized spiritualities back in the East within the framework of mutual interaction and circulation regionally and globally **Man East and West** Howard L. Parsons, 1975 **Journeys East** Harry Oldmeadow, 2004-04-28 This is the first book to treat the impact of religious

philosophical and psychological traditions of the East on Western intellectuals artists travellers and spiritual seekers in the twentieth century Addressed to both general readers and scholars of religion it is especially valuable for its penetrating and inter religious analysis of two of the most compelling themes now facing the world the emergence of cross cultural religious understanding of the natural order and ecological crisis and the metaphysical basis for both the formal diversity and essential unity of religious traditions of both East and West The West has long romanticized the mysterious East but it has also judged its traditions as uncivilized Our notions about Eastern spirituality have been formed by a succession of travellers scientists artists intellectuals poets philosophers and missionaries as well as by Eastern travellers who have spent time in the West This book helps us to recognize the influence of Eastern ideas upon modern Western thought by tracing the history of engagements between East and West up until the present day It concludes with a section that helps us to perceive the timeless value of the many Eastern contributions to the West s current intellectual and spiritual state *Space and Time in the Religious Life of the Near East* Nick Wyatt,2001-12-17 Space and time are basic features of the world view even the theology of many religions ancient and modern How did the world begin and how will it end What is the importance of religious architecture in symbolizing sacred space Where and how do we locate the self The divine world Wyatt s textbook treats ancient Near Eastern religions from a perspective that allows us to access how religion shapes and orders the world of human thought and experience The book is designed especially for classroom use each chapter provided with suggested reading copious quotations from ancient texts and summaries The subject matter is treated by topic not according to individual religions so that the reader understands the essential points of similarity and difference between religious systems and how they model their universe **Revelation and Material Religion in the Roman East** Nathan Leach,Daniel Charles Smith,Tony Keddie,2023-11-30 This collection of essays from a diverse group of internationally recognized scholars builds on the work of Steven J Friesen to analyze the material and ideological dimensions of John s Apocalypse and the religious landscape of the Roman East Readers will gain new perspectives on the interpretation of John s Apocalypse the religion of Hellenistic cities in the Roman Empire and the political and economic forces that shaped life in the Eastern Mediterranean The chapters in this volume examine texts and material culture through carefully localized analysis that attends to ideological and socioeconomic contexts expanding upon aspects of Friesen s research and methodology while also forging new directions The book brings together a diverse and international set of experts including emerging voices in the fields of biblical studies Roman social history and classical archeology and each essay presents fresh critically informed analysis of key sites and texts from the periods of Christian origins and Roman imperial rule Revelation and Material Religion in the Roman East is of interest to students and scholars working on Christian origins ancient Judaism Roman religion classical archeology and the social history of the Roman Empire as well as material religion in the ancient Mediterranean more broadly It is also suitable for religious practitioners within Christian contexts *The Bloomsbury Handbook of*

Material Religion in the Ancient Near East and Egypt Nicola Laneri, Sharon R. Steadman, 2023-06-29 With contributions spanning from the Neolithic Age to the Iron Age this book offers important insights into the religions and ritual practices in ancient Egyptian and Near Eastern communities through the lenses of their material remains The book begins with a theoretical introduction to the concept of material religion and features editor introductions to each of its six parts which tackle the following themes the human body religious architecture the written word sacred images the spirituality of animals and the sacred role of the landscape Illustrated with over 100 images chapters provide insight into every element of religion and materiality from the largest building to the smallest amulet This is a benchmark work for further studies on material religion in the ancient Near East and Egypt *Music in Religious Cults of the Ancient Near East* John Arthur Smith, 2020-11-09 Music in Religious Cults of the Ancient Near East presents the first extended discussion of the relationship between music and cultic worship in ancient western Asia The book covers ancient Israel and Judah the Levant Anatolia Mesopotamia Elam and ancient Egypt focusing on the period from approximately 3000 BCE to around 586 BCE This wide ranging book brings together insights from ancient archaeological iconographic written and musical sources as well as from modern scholarship Through careful analysis comparison and evaluation of those sources the author builds a picture of a world where religious culture was predominant and where music was intrinsic to common cultic activity *Religiosity, Secularity and Pluralism in the Global East* Fenggang Yang, Francis Jae-ryong Song, SAKURAI Yoshihide, 2019-06-24 This special issue includes 11 articles from the Inaugural Conference of the East Asian Society for the Scientific Study of Religion It offers theoretical and methodological reflections and covers various religions in different East Asian societies and diasporic communities **The Reception of 'Abdu'l-Bahá in Britain** Brendan McNamara, 2020-10-26 In exploring Abdu l Bah s visits to Britain Brendan McNamara expands the jigsaw of our knowledge of how the east came west More importantly by exploring the visits through the motives of those that received him The Reception of Abdu l Bah in Britain East Comes West demonstrates that the cultic milieu thesis is incomplete Focusing on a number of well known Edwardian Protestant reformers the book demonstrates that the arrival of eastern forms of religions in Britain penetrated more mainstream Christian forms This process is set within significant developments in the early formation of the study of religions the rise of science and orientalism All these elements are shown to be linked together Significantly the work argues that the advent of World War One changed the direction of new forms of religion leading to a forgetfulness that has lasted until the present time *The Gaze of the West and Framings of the East* S. Nair-Venugopal, 2012-05-09 This volume explores Western attitudes towards the phenomenon of Easternization drawing upon Eastern perspectives and examining the impact upon contemporary culture to argue that Easternization is another type of globalization *East-west*, 1927 *The American Bibliography of Slavic and East European Studies for 1994* Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of

scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs **East-West Symbioses** Eugene Eoyang, 2019-03-15 This book explores the encounters between East and West studying how they get along These exchanges involve deliberate exoticizations and incommensurabilities as well as creative fusions such as Matteo Ricci a Jesuit monk in the late 16th early 17th centuries who learned Chinese in Beijing well enough to compose works in Chinese and Octavio Paz the Mexican Nobel Laureate who admired Chinese civilization The book also considers the effect of the West on Asian countries the cases of Japan and Turkey who tried to modernize by becoming more Western and the examples of China and Korea who adopted Western forms of theatre to advance a distinctly Asian aesthetic It will appeal to anyone seeking more than a superficial understanding of the encounters between East and West Christianity and the Religions of the East Richard W. Rousseau, 1982 Religiosity in East and West Sarah Demmrich, Ulrich Riegel, 2020-11-06 The book discusses the theoretical and methodological challenges of an interculturally valid sociology of religion and provides insights into the autochthonous socio religious research in Muslim societies and Asian countries In this way it links discourses that have so far taken place primarily independently of one another The book goes back to a conference in Münster that questioned the Western foundation of empirical religiosity research which reaches its limits in the non American and non European context but also with regard to orthodox forms of faith in the Western context **The East-West Dimension** David Krus,

Religions Of The Eastwest Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religions Of The Eastwest has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religions Of The Eastwest has opened up a world of possibilities. Downloading Religions Of The Eastwest provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religions Of The Eastwest has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religions Of The Eastwest. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religions Of The Eastwest. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religions Of The Eastwest, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religions Of The Eastwest has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
