(Second Edition.).* Sri Ram SHARMA (F.H.Hist.Soc.),1962      A History of State and Religion in India Ian Copland,Ian Mabbett,Asim Roy,Kate Brittlebank,Adam Bowles,2013-05-02 Offering the first long duration analysis of the relationship between the state and religion in South Asia this book looks at the nature and origins of Indian secularism It interrogates the proposition that communalism in India is wholly a product of colonial policy and modernisation questions whether the Indian state has generally been a benign or disruptive influence on public religious life and evaluates the claim that the region has spawned a culture of practical toleration The book is structured around six key arenas of interaction between state and religion cow worship and sacrifice control of temples and shrines religious festivals and processions proselytising and conversion communal riots and religious teaching doctrine and family law It offers a challenging argument about the role of the state in religious life in a historical continuum and identifies points of similarity and contrast between periods and regimes The book makes a significant contribution to the literature on South Asian History and Religion      *TAJ MAHAL - SHRINE OF LIES* IZ,2023-06-06 A lover or a hater a saint or a satan a liberator or an oppressor Was he a protector of the weak the saviour of their lives or just another arch nemesis of their rights and lives Who was Shah Jahan truly This extensively researched book will answer all these mysteries It sheds light onto the dark and atrocious past of Emperor Shah Jahan Ruler of the Mughal Empire which historians and society have completely ignored It shows how the Taj Mahal has worked as a blanket under which the darkest deeds of Shah Jahan have been buried This book puts a big question mark on the legacy of Shah Jahan and the Taj Mahal as we know it today      **A History of Christianity in Asia, Vol. II** Samuel Hugh Moffett,2014-07-30 The story of Christianity in the West has often been told but the history of Christianity in the East is not as well known The seed was the same the good news of Jesus Christ for the whole world which Christians call the gospel But it was sown by different sowers it was planted in different soil it grew with a different flavor and it was gathered by different reapers It is too often forgotten that the faith moved east across Asia as early as it moved west into Europe Western church history tends to follow Paul to Philippi and to Rome and on across Europe to the conversion of Constantine and the barbarians With some outstanding exceptions only intermittently has the West looked beyond Constantinople as its center It was a Christianity that has for centuries remained unashamedly Asian A History of Christianity in Asia makes available immense amounts of research on religious pluralism of Asia and how Christianity spread long before

the modern missionary movement went forth in the shelter of Western military might Invaluable for historians of Asia and scholars of mission it is stimulating for all readers interested in Christian history

The Promise of Salvation Martin Riesebrodt, 2010-02-15 Why has religion persisted across the course of human history Secularists have predicted the end of faith for a long time but religions continue to attract followers Meanwhile scholars of religion have expanded their field to such an extent that we lack a basic framework for making sense of the chaos of religious phenomena To remedy this state of affairs Martin Riesebrodt here undertakes a task that is at once simple and monumental to define understand and explain religion as a universal concept Instead of propounding abstract theories Riesebrodt concentrates on the concrete realities of worship examining religious holidays conversion stories prophetic visions and life cycle events In analyzing these practices his scope is appropriately broad taking into consideration traditions in Judaism Christianity Islam Buddhism Daoism and Shinto Ultimately Riesebrodt argues all religions promise to avert misfortune help their followers manage crises and bring both temporary blessings and eternal salvation And as The Promise of Salvation makes clear through abundant empirical evidence religion will not disappear as long as these promises continue to help people cope with life

Sharma,2012-01-02 Is Hinduism a missionary religion Merely posing this question is a novel and provocative act Popular and scholarly perception both ancient and modern puts Hinduism in the non missionary category In this intriguing book Arvind Sharma re opens the question Examining the historical evidence from the major Hindu eras the Vedic classical medieval and modern periods Sharma s investigation challenges the categories used in current scholarly discourse and finds them inadequate emphasizing the need to distinguish between a missionary religion and a proselytizing one A distinction rarely made it is nevertheless an illuminating and fruitful one that resonates with insights from the comparative study of religion Ultimately concluding that Hinduism is a missionary religion but not a proselytizing one Sharma s work provides us with new insights both on Hinduism and the consideration of religion itself
