

Religious Kings in the Sheepfold

PAUL GRIER

Paul Grier is a third-generation member of the Church of Christ. In 1971, when he and his wife, Velda, received the baptism of the Holy Spirit in the bedroom of their East Texas home, their lives were drastically changed. Soon Paul and Velda, along with their two teenaged sons, left behind the comfort of their home, church, family, and a prosperous business to begin full-time ministry.

In 1975, after one year of training and two years on staff at a Dallas Bible school, the Griers began to pastor and teach in Texas churches.

In 1980, the family moved to Africa, teaching in Bible schools and at conferences. The revelation contained in this book was expanded upon and enriched through their experiences. Their ministry has since spread to several other nations. The Griers' home base is now the Ambassadors for Christ Church in Burnet County in the Texas hill country.

Religious Kings In The Sheepfold:

Religious Kings in the Sheepfold Paul Grier, 1993 Religion and Ideology in Assyria Beate Pongratz-Leisten, 2015-09-25
Addressing the relationship between religion and ideology and drawing on a range of literary ritual and visual sources this book reconstructs the cultural discourse of Assyria from the third through the first millennium BCE Ideology is delineated here as a subdiscourse of religion rather than as an independent category anchoring it firmly within the religious world view Tracing Assur's cultural interaction with the south on the one hand and with the Syro Anatolian horizon on the other this volume articulates a northern cultural discourse that even while interacting with southern Mesopotamian tradition managed to maintain its own identity It also follows the development of tropes and iconic images from the first city state of Uruk and their movement between myth image and royal inscription historiography and myth and myth and ritual suggesting that with the help of scholars key royal figures were responsible for introducing new directions for the ideological discourse and for promoting new forms of historiography **Religious Remembrancer**, 1917 **Northrop Frye's Notebooks and**

Lectures on the Bible and Other Religious Texts Northrop Frye, 2003-01-01 In the third published volume of Canadian literary critic Frye's 1912-91 77 holograph notebooks the material is mostly from the 1970s when he was writing the first of his books on the Bible The Great Code However it begins with Notebook Three from the late 1940s in which he writes primarily on religious themes It concludes with Notebook 23 from the middle 1980s written between his first and second book on the Bible and one from the 1960s devoted largely to his reading of Dante's Purgatorio and the first ten cantos of the Paradiso Altogether the volume contains 11 notebooks three sets of typed notes and a transcription of 24 lectures on The Mythological Framework of Western Culture in 1981-82 Annotation c 2003 Book News Inc Portland OR booknews.com
