Emotional Intelligence for Religious Leaders John Lee West,Roy M. Oswald,Nadyne Guzmán,2018-08-24 Religious leaders require tremendous skill in emotional intelligence yet their training very rarely addresses how to develop the practical skills needed from self awareness to resilience Emotional Intelligence Religious Leaders draws on the latest research in business psychology and theology to offer religious leaders the information and tools they need to increase their emotional intelligence and enhance their relationships communication and conflict management skills spirituality and overall well being The book offers both a deep understanding of how to develop emotional intelligence and also prescriptive insights about how to practice it that will be helpful for religious leaders in many settings including congregational ministry lay ministry spiritual direction pastoral counseling and more

Religious Leaders and Conflict Transformation Nukhet A. Sandal,2017-02-16 Religious dimension of contemporary conflicts and the rise of faith based movements worldwide require policymakers to identify the channels through which religious leaders can play a constructive role While religious fundamentalisms are in the news every day we do not hear about the potential and actual role of religious actors in creating a peaceful and just society Countering this trend Sandal draws attention to how religious actors helped prepare the ground for stabilizing political initiatives ranging from abolition of apartheid South Africa to the signing of the Lome Peace Agreement Sierra Leone Taking Northern Ireland as a basis and using declarations and speeches of more than forty years this book builds a new perspective that recognizes the religious actors agency showing how religious actors can have an impact on public opinion and policymaking in today s world

The Routledge Companion to Leadership John Storey,Jean Hartley,Jean-Louis Denis,Paul 't Hart,David Ulrich,2016-09-13 Leadership has never been more important and divisive than it is today The idea and discourse of the leader remains a critical factor in organizational and societal

performance but there is evident tension between the persistent focus on the critical importance of individual leaders and the increasing emphasis on collective leadership The Routledge Companion to Leadership provides a survey of the contentious and dynamic discipline of leadership This collection covers key themes in the field including advances in leadership theory leadership in a range of contexts and geographies leadership failure leadership process and leadership development Topics range from micro studies to wider political analyses of leadership taking in unusual but important aspects such as portrayals of leadership in architecture media and science fiction Contributions from 61 internationally renowned authors from 16 countries make available the full range of perspectives approaches and insights on the idea of leadership Providing both a social sciences and a psychological approach these go beyond common themes to offer diverse perspectives on such topics as emotion and leadership portrayals of leadership This volume situates leadership debates and evidence within contemporary leadership crises while ensuring that the explorations of the issues are of enduring relevance With wide and critical coverage of the key topics and potent contextualization of themes in current events The Routledge Companion to Leadership is the ideal resource for graduate study in leadership

Alternative Islamic Discourses and Religious Authority Dr Carool Kersten, Dr Susanne Olsson, 2014-01-28 Like anywhere else the present day Islamic world too is grappling with modernity and postmodernity secularisation and globalisation Muslims are raising questions about religious representations and authority This has given rise to the emergence of alternative Islamic discourses which challenge binary oppositions and dichotomies of orthodoxy and heterodoxy continuity and change state and civil society It also leads to a dispersal of authority a collapse of existing hierarchical structures and gender roles This book further argues that the centre of gravity of many of these alternative Islamic discourses is shifting from the Arabic speaking heartland towards the geographical peripheries of the Muslim world and expatriate Muslims in North America and Europe At the same time in view of recent seismic shifts in the political constellation of the Middle East the trends discussed in this book hold important clues for the possible direction of future developments in that volatile part of the Muslim world
