Religious Lives Jesus:

Religious Life Loan Le, 2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live

Schleiermacher's Influences on American Thought and Religious Life, 1835-1920 Jeffrey A. Wilcox, Terrence N. Tice, Catherine L. Kelsey, 2014-10-23 Here freshly researched unprecedented stories regarding modern American thought and religious life show how the scholar Friedrich Schleiermacher 1768 1834 provides ongoing influence still They describe his influence on universal rights American religious life theology philosophy history psychology interpretation of texts community formation and interpersonal dialogue Schleiermacher is an Einstein like innovator in all these areas and more This work contrasts chiefly evangelical liberal figures with others between circa 1835 and the 1920s It also looks ahead to several careers extended well into the twentieth century and offers numerous characterizations of Schleiermacher's thought In six tightly organized parts fourteen expert historians chronologically discuss the following 1 Methodist leaders 1766 1924 2 Stuart Bushnell Nevins and Hodge 3 Restorationists Transcendentalists women leaders Schaff and Rauschenbusch 4 Clarke Mullins Carus and Bowne 5 Dewey Royce Ames Knudson Brown Fosdick Cross Jones and Thurman within contemporary contexts Unexpectedly John Dewey lies at the epicenter of the narrative and Harry Emerson Fosdick and Howard Thurman bring it to its climax Recently evidence displays a broadening influence advancing rapidly The sixth part of the book surveys modern historiography Schleiermacher on history and comparative method and on psychology as a basic scientific and philosophical field That section also provides a critical survey of histories of modern theology and offers concluding questions and answers The three editors contribute twenty of the thirty one chapters

QUANTUM RELIGION Enlarging from the Inside Out These times are scary but also hope filled scary because of degraded nature but hope filled because global religion is coming to new self understanding In a word religion means relationship good news is experienced in relationships Life itself is good news because it has built in intelligence that can avoid hurtful relationships and can choose sustainable relationships instead Global relationship religion is waking up to the tragic misdirection of imperial top down control in contrast to the ordered direction of organic life growing and enlarging from within Growing from the inside out happens incrementally with experience a little bit at a time But the good news is that consciousness of experience the ground of faith is cumulative by trial and error and reveals what is sustainable and what is not Organic relationships originated minutely but have grown to the point of being self reflective in the human person Essential to growth is change as experience has shown But political forces of self interest compete to create self serving webs of relationships that intend to dominate and control The monopoly control of Christian churches has been centered in Rome under pope kings The violence of imperial overreach came to a head in medieval times and the weight of oppression so heavy at that time drove people to rebel and demand change Denominational Christianity today is made up of reform factions of original Roman Catholicism In the present time the coming apart of imperial Roman Catholicism is happening with the resignation of Emeritus Pope Benedict XVI and with the election of Pope Francis I For the first time in the history of the Roman Catholic Church it is opening up to the organic nature of life including humankind and the incremental nature of relationships growing bit by bit from within not from the top down Cosmic nature informs all relationships with the possibility and necessity of continuity and holding together from within The mentality of dominion culture underlies the waste of nature by colonial overreach and corporate capitalism The consciousness of love grounds in the universal understandings of common wellbeing and expands in the incremental growth of complexity consciousness The affirming harmony of intentional relationships is the good news of personal social wellbeing and the condition of an uplifting and sustainable future The personal search for self identity takes on new meaning in light of understanding religion as common organic relatedness in Cosmic Earth evolution The possibility of religions coming together on grounds of universal understandings is real given the wide open potentials of communication and the continuity of diverse life inside the webs of organic evolution Beyond the benefits of the personal uplift of consciousness QUANTUM RELIGION provides cohesive

insights for bringing communities to a higher sense of religion and civility and the necessary sensitivity that secures natural ecologies for future wellbeing

QUANTUM RELIGION is the good news of rising consciousness

The Pleasantness of a Religious Life Matthew Henry, 1715

Between Saint James and Erasmus: Studies in Late-Medieval Religious Life - Devotion and Pilgrimage in the Netherlands Jan van Herwaarden, 2021-10-25 This volume is divided into four sections late medieval devotion in the Netherlands medieval Christian pilgrimage the medieval cult of St James the Great and Erasmiana Variety and coherence sound the keynote in the title and the contents of the book Religious concepts and expressions of religious faith such as pilgrimages and indulgences are representative of late medieval Christianity In this book they refer specifically to the medieval cult of St James the Great while for Erasmus they were an object of his critical consideration The whole book can be read in the light of the debate about the tension between an appreciation for outward signs of faith and the inward experience of religious belief which Erasmus considered an absolute necessity
