**Jerry William Frost**

## **Religious Perspectives On War Christia:**

Orthodox Christian Perspectives on War Perry T. Hamalis, Valerie A. Karras, 2017-12-15 Many regions of the world whose histories include war and violent conflict have or once had strong ties to Orthodox Christianity Yet policy makers religious leaders and scholars often neglect Orthodoxy's resources when they reflect on the challenges of war Through essays written by prominent Orthodox scholars in the fields of biblical studies church history Byzantine studies theology patristics political science ethics and biology *Orthodox Christian Perspectives on War* presents and examines the Orthodox tradition's nuanced and unique insights on the meaning and challenges of war with an eye toward their contemporary relevance This volume is structured in three parts Confronting the Present Day Reality Reengaging Orthodoxy's Tradition and Constructive Directions in Orthodox Theology and Ethics Each exemplifies the value of interdisciplinary reflection on war and the potential for the Eastern Orthodox tradition to enhance ecumenical and interfaith discussions surrounding war in both domestic and international contexts The contributors do not advance a single account of the meaning of war or a comprehensive and normative stance purporting to be the Orthodox Christian teaching on war Instead this collection presents the breadth and depth of Orthodox Christian thought in a way that engages Orthodox and non Orthodox readers alike In addition to offering fresh resources for all people of good will to understand prevent and respond faithfully to war this book will appeal to Christian theologians who specialize in ethics to libraries of academic institutions and to scholars of war peace studies international relations and Orthodox thought Contributors Peter C Bouteneff George Demacopoulos John Fotopoulos Brandon Gallaher Perry T Hamalis Valerie A Karras Alexandros K Kyrou Aristotle Papanikolaou Elizabeth H Prodromou Nicolae Roddy James C Skedros Andrew Walsh and Gayle E Woloschak

**Religious Perspectives on War** David R. Smock, 2002 If when why and how to fight a war In the case of the Gulf War that debate encompassed three faiths Christianity Islam and Judaism and the debate has acquired new dimensions in the aftermath of the September 11 attacks and the war on terrorism In this volume Jews Muslims and Christians with very diverse views address such issues as the just war doctrine explaining their differences and finding often surprising common ground This new edition reprints the full text of the first edition A new preface describes the differences and similarities between the Gulf War and the war against al Qaeda Taliban Also included is an introduction explaining the just war doctrine a glossary of terms and an expanded and updated Suggestions for Further Reading

**Religious Perspectives on War** David R. Smock, 1992 If when why and how to fight a war In the case of the Gulf War that debate encompassed three faiths Christianity Islam and Judaism and the debate has acquired new dimensions in the aftermath of the September 11 attacks and the war on terrorism In this volume Jews Muslims and Christians with very diverse views address such issues as the just war doctrine explaining their differences and finding often surprising common ground

*Christian Perspectives on Politics* J. Philip Wogaman, 2000-01-01 Minister Wogaman updates his comprehensive discussions on the meaning and importance of politics the history of Christian political thought and church state relations the

legislation of social morality and criminal justice issues      *A History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace: The Bible to 1914* Jerry William Frost, 2004 Frost Swarthmore College has written widely about peace and Quakers Here he compiles perspectives from the major world religions on war and peace for general readers who are not specialists in the history of religions the evolution of wars the relationship between the two but are interested in how faith communities in the past dealt with issues similar to those in effect now In addition he says particular chapters could be used in undergraduate courses and seminars Volume two focuses on what it calls a century of wars from World War I into the post Cold War era The two volumes are paged together and the index and bibliography for both are contained in each Amazon      *Christian Attitudes to War, Peace, and Revolution* John Howard Yoder, Theodore J. Koontz, Andy Alexis-Baker, 2009-04 One of the most important thinkers on just war and pacifism describes analyzes and evaluates various patterns of thought and practice in Western Christian history      **Who Would Jesus Kill?** Mark Allman, 2008 In *Who Would Jesus Kill War Peace and the Christian Tradition* Dr Mark J Allman asks a provocative timely and timeless question Readable and thought provoking *Who Would Jesus Kill* Provides an overview of approaches to war and peace within the Christian tradition The author invites students to reflect on their own views as he examines in detail the topics of holy war just war and pacifism An appendix further explores the issues of war and peace from Jewish and Muslim perspectives Provided by publisher      **Enemy Combatants, Terrorism, and Armed Conflict Law** David K. Linnan, 2008-01-30 With a renewed emphasis on national and homeland security the United States is once again seeking to balance the needs of the state with both the rights of its citizens as well as those of other nations This book represents an interdisciplinary approach to the legal dilemmas borne out by the war on terror against the specific background of Afghanistan Iraq and this new kind of conflict It is a strong contribution to a broader debate visible since 9 11 which will remain in the public eye for the foreseeable future It addresses the overlap between religion ethics armed conflict and law within the context of the current conflict While many issues in areas such as intelligence reconciliation of civil liberties dealing with terrorist threats and the permissible bounds of interrogation treatment of prisoners and laws governing armed conflict have long standing precedents under domestic and international law this war has challenged even long standing legal interpretations The contributors to this volume explore those precedents and contemporary challenges to them Now that traditional wars between nation states are no longer the rule the terrorist threat has gained credence popularly terrorism and its claimed breeding ground in failed states linked in practice to issues of intervention on the territory of states harboring such groups In military circles the idea of armed struggle between modern military forces and what were formerly called guerillas has now largely been replaced by asymmetric warfare and the concept of intelligence and preventive action interchangeably within U S borders and overseas Opposing views contemplate that different and presumably lower legal standards may apply in internal armed conflicts Such legal issues are visible under current circumstances of asymmetric warfare in conjunction with questions about prisoner

status and detentions including the permissible bounds of interrogation versus torture following the Abu Ghraib prison scandal in Iraq but also the treatment at the Guantanamo Bay facility of alleged Al Qaeda captives from Afghanistan All of the contributors in this book explore the changing circumstances against which these contentious new legal issues now unfold The experts strike no consensus Indeed one of the work s many strengths can be attributed to the fact that the many facets of the ongoing debate are represented herein The Living Church ,1967 **Forgiveness & Reconciliation**

Raymond G. Helmick,Rodney Petersen,2018-01-24 This book brings together a unique combination of experts in conflict resolution and focuses on the role forgiveness can play in the process It deals with theology public policy psychological and social theory and social policy implementation of forgiveness This book is essential for libraries scholars conflict negotiators and all people who hope to understand the role of forgiveness in the peace process The book s first section explores how ideas like forgiveness and reconciliation are moving out from the seminary and academy into the world of public policy and how these terms have been used and defined in the past The second section looks at forgiveness and public policy One of the chapters by Donald W Shriver Jr addresses forgiveness in a secular political forum The third section of the book draws us to a more thorough analysis of the relationship between forgiveness and reconciliation from voices in the academic and theological community and the final section highlights the work of practitioners currently working with religion public policy and conflict transformation particularly in areas such as Ireland and Africa Contributors include Desmond M Tutu Rodney L Petersen Miroslav Volf Stanley S Harakas Raymond G Helmick SJ Joseph V Montville Douglas M Johnston Donna Hicks Donald W Shriver Jr Everett L Worthington Jr John Paul Lederach Ervin Staub Laurie Anne Pearlman John Dawson Audrey R Chapman Olga Botcharova Anthony da Silva SJ Geraldine Smythe OP Andrea Bartoli Ofelia Ortega and George F R Ellis

**The United States Institute of Peace Journal** ,1993-10 **A History of Christianity in the United States and Canada** Mark A. Noll,1992-08-11 Author Mark Noll presents the unfolding drama of American Christianity with accuracy and skill from the first European settlements to ecumenism in the late 20th Century This work has become a standard in the field of North American religious history **Christian Nationalism in the United States** Mark T. Edwards,2018-07-05 This book is a printed edition of the Special Issue Christian Nationalism in the United States that was published in Religions

**Being Christian After the Desolation of Gaza** Bruce Norman Fisk,J. Ross Wagner,2025-08-12 What explains the fervent support among America s Christians for Israel s murderous assault on Gaza s Palestinians Dying children cry beneath the rubble doctors testify to atrocities journalists and medics face sniper fire experts cry genocide Jewish Americans decry Israel s ethnic cleansing protesting college students jeopardize their careers Yet millions of Americans who profess allegiance to Jesus continue defending the desolation of Gaza or refuse to speak against it In these essays you will read stories and hear cries from Christians American Latin American Jewish Palestinian who have spent years listening laboring and praying for a durable equitable peace between Palestinians and their Jewish neighbors Their perspectives have formed

over years in the land through lingering encounters hard conversations and troubling personal experiences Disagree with them if you must but first hear them out and consider why so many of Israel s Christian partisans have confused a love for the Jewish people with a defense of the apocalypse Israel has unleashed since October 7 2023 It may be too late to save Gaza s millions from starvation amputation displacement and death Is it too late to repent of our complicity Too late to save our own souls How should we be Christian after the desolation of Gaza Chapter contributors Mercy Aiken Yousef Kamal AlKhouri Daniel Bannoura Donald D Binder Gary M Burge David M Crump Rob Dalrymple Anton Deik Bruce N Fisk Suzanne Watts Henderson Lisa Loden Lamma Mansour Amy Yoder McGloughlin Benjamin Norquist Ruth Padilla DeBorst and J Ross Wagner

**Christian Perspectives on the Role of the State, Justice, and Taxation** Robert F. van Brederode, 2025-07-19 This book Christian Perspectives on the Role of the State Justice and Taxation examines the historical and ongoing influence of Christian ethical thought on taxation governance and distributive justice Building on themes introduced in Political Philosophy and Taxation Springer 2022 which focused on secular perspectives this sequel shifts attention to the contributions of Christian thinkers from Medieval times to the present The book explores key questions surrounding the role of the state the relationship between the state and its subjects the moral right to tax and what constitutes fairness in taxation It investigates how Christian ethical teachings have shaped Western political philosophy particularly in the context of distributive justice and evaluates their relevance in contemporary discussions By analyzing the intersection of theology ethics and political philosophy this book provides a deeper understanding of how Christian traditions have influenced historical notions of justice fairness and governance It offers insights into how these principles can inform modern policy debates and ethical considerations in taxation This book serves as a valuable resource for scholars students and professionals interested in religious ethics political philosophy and public policy It invites readers to reflect on the enduring impact of Christian thought on concepts of justice and the responsibilities of the state

**Christian Perspectives on Being Human** J. P. Moreland, David M. Ciochi, 2015-01-26 While there is a unity to truth from God s perspective there are nevertheless many different ways of knowing studying and defining that truth Thus the task of integration is the task of relating theology and other disciplines in such a way that one articulates and defends a comprehensive unified Christian worldview Christian Perspectives on Being Human is a vital step in that essential process of integration In this unique anthology colleagues from various departments at Biola University undertake an important multidisciplinary approach to integration J P Moreland and David Ciochi represent philosophy in this discussion Robert Saucy theology Sherwood Lingenfelter anthropology Nancy Duvall and Keith Edwards psychology Walt Russell and Scott Rae New Testament and medical ethics and Klaus Issler Christian education

**War, Peace, and Violence: Four Christian Views** Paul Copan, 2022-09-13 In a world of war terrorism and constant threats to global stability how should Christians honor Jesus Christ Four experts in Christian ethics political philosophy and international affairs present four different views of just war nonviolence Christian realism and

church history orienting readers to today's key positions

THE VIETNAM WAR: CHRISTIAN PERSPECTIVES William B. Erdmans, 1967      **Modernity, the Environment, and the Christian Just War Tradition** Mark Douglas, 2022-05-26 In this volume Mark Douglas presents an environmental history of the Christian just war tradition. Focusing on the transition from its late medieval into its early modern form, he explores the role the tradition has played in conditioning modernity and generating modernity's blindness to interactions between the natural and the political. Douglas criticizes problematic myths that have driven conventional narratives about the history of the tradition and suggests a revised approach that better accounts for the evolution of that tradition through time. Along the way, he provides new interpretations of works by Francisco de Vitoria and Hugo Grotius and provocatively the Constitution of the United States of America. Sitting at the intersection of just war thinking, environmental history, and theological ethics, Douglas's book serves as a timely guide for responses to wars in a warming world as they increasingly revolve around the flashpoints of religion, resources, and refugees.

Faith and War David E. Settje, 2011 Throughout American history, Christianity has shaped public opinion, guided leaders in their decision making, and stood at the center of countless issues. To gain complete knowledge of an era, historians must investigate the religious context of what transpired, why it happened, and how. Yet too little is known about American Christianity's foreign policy opinions during the Cold and Vietnam Wars. To gain a deeper understanding of this period, 1964-75, David E. Settje explores the diversity of American Christian responses to the Cold and Vietnam Wars to determine how Americans engaged in debates about foreign policy based on their theological convictions. Settje uncovers how specific Christian theologies and histories influenced American religious responses to international affairs, which varied considerably. Scrutinizing such sources as the evangelical Christianity Today, the mainline Protestant Christian Century, a sampling of Catholic periodicals, the African Methodist Episcopal Church, the Southern Baptist Convention, and the United Church of Christ, Faith and War explores these entities' commingling of religion, politics, and foreign policy, illuminating the roles that Christianity attempted to play in both reflecting and shaping American foreign policy opinions during a decade in which global matters affected Americans daily and profoundly.

## Whispering the Techniques of Language: An Psychological Quest through **Religious Perspectives On War Christia**

In a digitally-driven earth where monitors reign supreme and immediate conversation drowns out the subtleties of language, the profound strategies and mental nuances hidden within words often go unheard. Yet, nestled within the pages of **Religious Perspectives On War Christia** a fascinating fictional treasure sporting with raw thoughts, lies a fantastic quest waiting to be undertaken.
