**Religious Values at the Threshold of the Third Millennium** Francis A. Eigo, 1999-01-01 *Religious Values in the Sacraments* Henry Johnstone Wotherspoon, 1928 **Values - Politics - Religion: The European Values Study** Regina Polak, Patrick Rohs, 2023-07-18 This open access book analyses the international data of the European Values Study EVS 1990 2017 with a focus on the impact of religious on political values from empirical as well as theoretical perspectives i.e. sociology political and cultural studies philosophy ethics theology and the law It interprets results from interdisciplinary perspectives including the viewpoints of social ethics sociology and cultural studies law and practical theology In the political and public as well as media debates of the European Union the recourse to above all European and also Christian values has played a central and controversial role in the field of politics and religion for several decades This collection is a contribution to a qualified discourse on values in Europe by providing empirical hermeneutical and ethical criteria for a responsible use of the concept of values In addition to a comparison of political value systems in Western and Eastern Europe and the possible role of religion in this context the book also deals with topics such as f i solidarity economics and values value formation and law and values Additionally specific population groups such as the socio culturally marginalized strata are examined more closely Besides current scientific analyses and interpretations of interest to researchers from various disciplines this book also offers valuable impulses and suggestions for various multipliers in political civil society and religious organisations as well as a sound overview for graduate students *Special Religious Education in Australia and its Value to Contemporary Society* Zehavit Gross, Suzanne D. Rutland, 2021-02-22 This book explores the advantages of and challenges concerning Special Religious Education SRE in multicultural Australia and argues for the need for General Religious Education GRE as well Through the lens of the most recent scholarship and drawing on an in depth qualitative study and specific case studies the book examines the current debate on the role of religious education within government schools It addresses key concepts of values education spirituality health and wellbeing and cultural and religious identity It analyses why it is important to retain SRE together with GRE as government policy It explores highly relevant controversial and contested issues regarding SRE including the 30% of Australia's population who declare themselves as having no religion and brings fresh insights to the table While secularization has increased in both the national and international spheres there has also been an increase in fundamentalism within religious beliefs Events such as the September 11 terror attacks and the more recent mass shootings by white supremacists and eco fascists in Christchurch New Zealand and Pittsburgh and San Diego in the USA are reminders that religion is still a major actor in the twenty first century This poses new challenges for the relationship between church and state and demonstrates the need to revisit the role of religious education within government schools While the importance of GRE is generally acknowledged SRE has increasingly come under attack by some researchers and teacher and parent bodies as being inappropriate and contradictory to the values of the postmodern world On the other hand the key

stakeholders from all the faith traditions in Australia wish to retain the SRE classes in government schools The book addresses this burning issue and shows that it is relevant not only for Australia but also globally **Values, Religion, and Culture in Adolescent Development** Gisela Trommsdorff,Xinyin Chen,2012-08-27 This volume presents multidisciplinary perspectives on the role of cultural values and religious beliefs in adolescent development **The Value of Work in Contemporary Society** Dominika Polkowska,2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 The concept of work has several definitions but they all share the idea of a purposeful conscious activity The notion generally refers to the expending of energy and effort through a set of coordinated activities aimed at producing something useful or to achieve the objectives it pursues The book takes the reader to a journey across the evolving meanings of work and the influence of these new meanings over the labour market over the years The reader can find there descriptions of concepts and trends in work The adopted research and analytical perspectives allow the exploration of multiple approaches to this issue The particular attention is put on the work family relations because regardless of the geography all people operate in these two main life dimensions The issues related to values and ethics in work are also presented in this book *The Philosophy of Religion 1875-1980* Alan P.F. Sell,2012-10-01 This volume provides an overview of the relation between secular philosophy and philosophical theology over a one hundred year period Beginning with idealism the study proceeds through the rise of realism the advent of logical positivism the development of analytical philosophy the resurgence of scholasticism and existentialism the contributions of encounter theology and of process thought to specific questions of the existence of God and religious language Religious Tolerance Through Humility James Kraft,David Basinger,2008 While many ground religious tolerance on a sense of unity or enrichment resulting from religious diversity the acclaimed scholars contributing to this volume place under scrutiny a fascinating alternative proposal for a pathway to religious tolerance that the serious consideration of religious diversity tends to reveal the weakness of support many have for their religious commitments and that the humility produced tends to result in religious tolerance The authors illuminate the debate within philosophy about the way beliefs are supported the controversy between internalism and externalism and disagreement about how humility and tolerance are related **Research in the Social Scientific Study of Religion, Volume 24** ,2013-05-30 Research in the Social Scientific Study of Religion continues to offer a place for the publication of theoretical and empirical papers related to the broad area of how the social sciences understand religion Two papers in the general section add important contributions to the fields of faith development and spirituality The use of special sections has enabled particular topics to be dealt with in detail and shows how information that is gathered incrementally can help make great advances in a field Spirituality alongside religion features as the key independent variable in many of the nine papers of the special section in this volume Social scientific approaches have sought to show links between the experiences of health well being or disease and individual differences in religiosity and or spirituality **The Politics of Social Cohesion** Nils Holtug,2021 The

Politics of Social Cohesion examines the impact of immigration on social cohesion and egalitarian redistribution Holtug argues that immigration can have a positive impact on the social values and ideals that tend to promote cohesion and equality

**Essays on Culture, Religion and Rights** Peter Jones, 2020-10-09 Culture and religion are overlapping phenomena cultures are normally understood to subsume religions and religions are very often central to cultures The two are particularly closely associated when we focus on the kinds of difference that generate issues for public policy The world has always been culturally and religiously diverse but recent movements of population have intensified the internal diversity of societies That increased diversity has presented societies with a number of pressing questions How much should cultural differences matter Can they and should they be treated impartially Should they receive equal recognition and what sort of recognition might that be Are cultural and religious differences at odds with human rights thinking or do universal human rights demand respect for those differences When the demands of a religious faith clash with those of a society's rules which should take precedence Should the religious have to endure whatever burdens their beliefs bring their way or should they be accommodated so that their religious faith does not become a source of social disadvantage Should they have to put up with unwelcome treatments of their beliefs or should they be protected from the offensive and the disrespectful These are some of the many issues examined in Culture Religion and Rights
