Animal Soundscapes in Anglo-Norman Texts Liam Lewis, 2022 A redefinition of the animal's relationship to sound and language in French texts from medieval England The barks hoots and howls of animals and birds pierce through the experience of medieval texts In captivating episodes of communication between species a mandrake shrieks when uprooted from the ground a saint preaches to the animals and a cuckoo causes turmoil at the parliament of birds with his familiar call This book considers a range of such episodes in Old French verse texts including bestiaries treatises on language the Life of Saint Francis of Assisi and the Fables by Marie de France aiming to reconceptualize and reinterpret animal soundscapes It argues that they draw on sound to produce competing perspectives forms of life and linguistic subjectivities suggesting that humans owe more to animal sounds than we are disposed to believe Texts inviting readers to listen and learn animal noises to seek spiritual consolation in the jargon of birds or to identify with the speaking wolf create the conditions for an assertion of human exceptionalism even as they simultaneously invite readers to question such forms of control By asking what it means for an animal to cry make noise or speak in French this book provides an important resource for theorizing sound and animality in multilingual medieval contexts and for understanding the animal's role in the interpretation of the natural world

People of the Bible Uncensored Dr. David Stoop, 2011-09-16 Stories in the Bible demonstrate how God works through the lives of ordinary very human people just like us For millennia the stories of the Patriarchs along with several women have been told from generation to generation in the Jewish community shaping how God's chosen people understand their relationship with him In *People of the Bible Uncensored* modern Christians can get to know these legendary characters and the God who worked in and through them Readers will be introduced to David who wrestled with sexual temptation and Abraham who found it just as difficult to wait on God's timing as Christians sometimes do today As they begin to see the ancients for who they really were readers will be encouraged and challenged to trust the God who can accomplish extraordinary things through the unlikely of people

Religion, Gender, and Industry Peter S Forsaith, Geordan Hammond, 2012-05-31 Questions have been raised in recent decades about the place of women in the eighteenth and nineteenth centuries in church and society during a time of vast industrial change These topics are broad but can be seen in microcosm in one small area of the English Midlands the parish of Madeley Shropshire in which Coalbrookdale became synonymous with the industrial age Here the evangelical Methodist clergyman John Fletcher 1729-1785 ministered between 1760 and 1785 among a population including Roman Catholics and Quakers as well as people indifferent to religion For nearly sixty years after his death two women

Fletcher's widow and later her protégé had virtual charge of the parish which became one of the last examples of Methodism within the Church of England. Through examining this specific locality with its potential for religious tension and great social significance, this multidisciplinary collection of essays engages with developing areas of research. In addition to furthering knowledge of Madeley parish and its relation to larger themes of religion, gender, and industry in eighteenth-century Britain, the impact of the Fletchers in nineteenth-century American Methodism is examined.

A Man Of One Book? Donald A. Bullen, 2007-12-01 John Wesley claimed to be a man of one book, and early Wesley scholarship accepted uncritically that the Bible was his supreme authority. In the late twentieth century, American Wesley scholars discussed what has been termed the Wesley Quadrilateral: the authority of the Bible, tradition, reason, and experience, and this to some extent helps explain the method by which Wesley read and interpreted the Bible. However, modern biblical reader-response criticism has drawn attention to the central role of the reader in his/her interpretation of scriptural texts. Donald Bullen argues that Wesley came to the Bible as a reader with the presuppositions of an eighteenth-century High Church Arminian Anglican in which tradition he had grown up. He then found his beliefs confirmed in the scriptural text. Claiming to base all his beliefs on the Bible, he found himself in controversy with others who made similar claims but came to different conclusions. The implications of this are explored in depth.

John Henry Newman and the Development of Doctrine Stephen Morgan, 2021-11-26 John Henry Newman and the Development of Doctrine provides an analysis of the attempts by John Henry Newman to account for the historical reality of doctrinal change within Christianity in the light of his lasting conviction that the idea of Christianity is fixed by reference to the dogmatic content of the deposit of faith. It argues that Newman proposed a series of hypotheses to account for the apparent contradiction between change and continuity that this series begins much earlier than is generally recognized and that the final hypothesis he was to propose contained in *An Essay on the Development of Christian Doctrine* provides a methodology of lasting theological value and contemporary relevance. Stephen Morgan establishes the centrality of the problem of change and continuity in theology to Newman's theological work as an Anglican, its part in his conversion to Catholicism, and its contemporary relevance to Catholic theology. It also surveys the major secondary literature relating to the question, with particular reference to those works published within the last fifty years. Additionally, Morgan considers the legacy of the *Essay* as a tool in Newman's theology and in the work of later theologians, finally suggesting that it may offer a useful methodological contribution to the contemporary Catholic debate about hermeneutical approaches to the Second Vatican Council and post-conciliar developments in doctrine.

Practicing Imperfection Charles T. Dupree, 2016-12-13 To know life is to look at it honestly. *Practicing Imperfection* is a candid exploration of one person's move from being addicted to praise and perfection to becoming more comfortable in his own skin. Through humor and a healthy dose of sarcasm, *Practicing Imperfection* shares the journey of Episcopal priest Charles Dupree in developing a consistent, sustainable meditation practice. Dupree describes how the ancient practice of meditation can bring about a healthier, happier, more awakened

existence and what for him has been a healing balm in a busy world and demanding vocation Drawing from childhood experiences a recent sabbatical and the experiences of serving as a parish priest Dupree examines some of life's larger questions As an Episcopal priest he is clearly religious but also wholeheartedly spiritual Uniting those seemingly conflicted qualities he helps us see that we are all looking for the same thing freedom from that which no longer serves us In our modern world it is difficult to carve out the space to examine what is going on in our lives and minds meditation is a way to create that space This is a book for people who want to be released from the pressures of being better smarter or more successful and those who want to lighten up and be a fuller participant in life On Foot to Canterbury Ken

Haigh, 2021-10-05 Setting off on foot from Winchester Ken Haigh hikes across southern England retracing one of the traditional routes that medieval pilgrims followed to the shrine of Saint Thomas Becket at Canterbury Cathedral Walking in honour of his father a staunch Anglican who passed away before they could begin their trip together Haigh wonders Is there a place in the modern secular world for pilgrimage On his journey he sorts through his own spiritual aimlessness while crossing paths with writers like Anthony Trollope John Keats Jane Austen Jonathan Swift Charles Dickens and of course Geoffrey Chaucer Part travelogue part memoir and part literary history On Foot to Canterbury is engaging and delightful My father didn't need this walk not the way I do For him it would have been a fun way to spend some time with his son He had I begin to realize a talent for living in the moment Perhaps a pilgrimage would help me find happiness Perhaps I could walk my way into a better frame of mind and somehow along the road to Canterbury I would find a new purpose for my life It was worth a shot Audio edition from PRH available from Audible Kobo Google and Apple Books Looking to St. Francis John

Bohrer, Joseph Stoutzenberger, 2014-06-01 Even before he died his contemporaries honored Francis the poor man of Assisi as a saint He has lost none of his appeal for people today even our new pope has taken the name of this great saint That's because the message of Francis for us is quite simply the message of Jesus This book looks not only at Francis' life and times but also helps us see how we can take on his spirituality in dealing with the challenges in our lives and in the world today The authors shed light on Francis' love of poverty his rejection of violence his call to reform the Church his reaction to suffering and his sacramental vision of life all the while challenging us to see how fully living out the radical call of the gospel gives us joy and answers the problems besetting our world today Prophets in Their Own Country Aviad M. Dick, 2021-08-24

On October 30 1947 the House Committee on Un American Activities concluded the first round of hearings on the alleged Communist infiltration of the motion picture industry Hollywood was ordered to clean its own house and ten witnesses who had refused to answer questions about their membership in the Screen Writers Guild and the Communist party eventually received contempt citations By 1950 the Hollywood Ten as they quickly became known which included writers directors and a producer were serving prison sentences ranging from six months to one year Since that time the members of the Hollywood Ten have been either dismissed as industry hacks or eulogized as Cold War martyrs but never have they been discussed in terms of their professions *Radical Innocence A Critical Study of the Hollywood Ten* is the first study to focus on the work of the Ten their short stories plays novels criticisms poems memoirs and of course their films Drawing on myriad sources including archival materials unpublished manuscripts black market scripts screenplay drafts letters and personal interviews Bernard F Dick describes the Ten's survival tactics during the blacklisting and analyzes the contributions of these ten individuals not only to film but also to the arts *Radical Innocence* captures the personality of each of the Ten including the arrogant Herbert J Biberman the witty Ring Lardner Jr the patriarchal Samuel Ornitz the compassionate Adrian Scott and the feisty Dalton Trumbo *Perspectives in Pentecostal Eschatologies* Peter Althouse, Robby Waddell, 2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right **Edward Dmytryk** Fintan McDonagh, 2021-07-21 Edward Dmytryk was one of the so called Hollywood Ten jailed for contempt of Congress for refusing to testify before the House Un American Activities Committee in 1947 Finding himself blacklisted after his prison sentence and unable to operate under a pseudonym he took the step of testifying and naming names to the Committee His career resumed to considerable commercial success but also to prolonged and bitter criticism from the left and persistent mistrust from the right Acknowledged as one of the key figures in the development of the film noir genre having directed one of its first films *Murder My Sweet* Dmytryk has otherwise frequently been sidelined in critical studies because of the controversy This book is the first to critically evaluate each of the dozens of films he made between the 1930s and the 1970s including *The Young Lions* *Crossfire* and *The Caine Mutiny* among many others **John Wesley and the Education of Children** Linda A. Ryan, 2017-11-06 Scholars have historically associated John Wesley's

educational endeavours with the boarding school he established at Kingswood near Bristol in 1746. However his educational endeavours extended well beyond that single institution even to non Methodist educational programmes. This book sets out Wesley's thinking and practice concerning child rearing and education particularly in relation to gender and class in its broader eighteenth century social and cultural context. Drawing on writings from Churchmen Dissenters economists philosophers and reformers as well as educationalists this study demonstrates that the political religious and ideological backdrop to Wesley's work was neither static nor consistent. It also highlights Wesley's eighteenth century fellow Evangelicals including Lady Huntingdon John Fletcher Hannah More and Robert Raikes to demonstrate whether Wesley's thinking and practice around schooling was in any way unique. This study sheds light on how Wesley's attitudes to education were influencing and influenced by the society in which he lived and worked. As such it will be of great interest to academics with an interest in Methodism education and eighteenth century attitudes towards gender and class.
