**A Search for Meaning in Victorian Religion** Jeffrey D. Lavoie, 2014-11-05 Christian mystic astrologer and spiritualist Charles Carleton Massey 1838 1905 underwent an eclectic spiritual journey that resulted in a series of articles letters and booklets that have largely been neglected by modern society Massey was a child of privilege formally trained as a barrister of law at the Westminster School and the son of the English Minister of Finance for India He devoted his life to solving the metaphysical mysteries of existence leading him into the world of religious philosophy that placed him in the middle of a crossroads between Victorian science religion and philosophy Beginning his journey as a Spiritualist Massey continued on a course that brought him into the Theosophical Society eventually becoming the founding president of its British branch going through the ranks of the Society of Psychical Research and ultimately into his final role as a Christian mystic This indispensable work combines Massey's collected writings with never before published letters organized topically in order to define Massey's unique world view for a new generation of readers This book covers a range of topics from the nature of God to the microcosm and macrocosm to Satanism and reincarnation all the while allowing the reader a rare glimpse into Victorian England and the social and religious issues of this time period The recollections recorded in this book though written over a hundred years ago are dealt with in such a simple yet profound way that remain relevant to modern spiritual seekers of all types

*We Played With Fire* Catherine Barter, 2021-02-04 Winner of the Young Quills Historical Fiction Award Nominated for the Carnegie Medal Maggie has witnessed impossible things But no one believes her and now her family has taken her away to spend the winter upstate in a remote freezing farmhouse Bored and angry Maggie and her younger sister Kate start to play tricks rapping on the floorboards above their parents bedroom cracking their toes under the table and telling tales about noises in the night Then the house starts to make sounds of its own Neither Maggie nor Kate can explain it but it seems as though someone or something is trying to speak to them Inspired by the incredible true tale of the Fox Sisters the girls who made their fortune in nineteenth century America by speaking to ghosts

*Haunted Visions* Charles Colbert, 2011-05-10 Spiritualism emerged in western New York in 1848 and soon achieved a wide following due to its claim that the living could commune with the dead In *Haunted Visions* Spiritualism and American Art Charles Colbert focuses on the ways Spiritualism imbued the making and viewing of art with religious meaning and in doing so draws fascinating connections between art and faith in the Victorian age Examining the work of such well known American artists as James Abbott McNeill Whistler William Sydney Mount and Robert Henri Colbert demonstrates that Spiritualism played a critical role in the evolution of modern attitudes toward creativity He argues that Spiritualism made a singular contribution to the sanctification of art that occurred in the latter half of the nineteenth century The faith maintained that spiritual energies

could reside in objects and thus works of art could be appreciated not only for what they illustrated but also as vessels of the psychic vibrations their creators impressed into them. Such beliefs sanctified both the making and collecting of art in an era when Darwinism and Positivism were increasingly disenchanting the world and the efforts to represent it. In this context, Spiritualism endowed the artist's profession with the prestige of a religious calling in doing so it sought not to replace religion with art but to make art a site where religion happened.

*The Theosophical Society* Jeffrey D. Lavoie, 2012 This peer-reviewed study represents a culmination of years of research into the history of the Theosophical Society. In this unique project which combines biographies with source analyses, Jeffrey D. Lavoie records a detailed history of the early Theosophical Society and examines its relationship with the modern Spiritualist movement between the years 1875-1891. Special attention has been paid to some of the neglected figures associated with these organizations including Arthur Lillie the Gnostic occultist and early critic of the Theosophical Society, the Davenport Brothers the Spiritualist mediums who developed many of the standard elements which became associated with modern Spiritualism, Alfred Wallace the prominent scientist Spiritualist and supposed member of the Theosophical Society and many others. This work will appeal to a wide array of readers including those interested in modern religious movements, Western Esotericism, South Asian history and Victorian studies.

**American Spirits** Barb Rosenstock, 2025-04-15 CAN THE DEAD TALK TO THE LIVING Discover the astonishingly true story of Maggie Kate and Leah Fox, the Civil War era sisters and teen mediums who created the American séance. A real life ghost story for young adult readers interested in the supernatural, American history and women's rights. Rap Rap Rap The eerie sound was first heard in March of 1848 at the home of the Fox family in Hydesville, New York. The family's two daughters, Kate and Maggie, soon discovered that they could communicate with the spirit that was making these uncanny noises. He told them he had been a traveling peddler who had been murdered. This strange incident and the ones that followed generated a media frenzy beyond anything the Fox sisters could have imagined. Kate and Maggie managed or perhaps manipulated by their elder sister Leah became famous spirit mediums giving public exhibitions and advising other celebrities of their day. But were the Fox sisters legitimate? In the years that followed their rise, the Civil War killed roughly 1 in 4 soldiers, increasing the demand for contacting the dead. However, media campaigns against the sisters gathered steam as well. This thrilling and mysterious true story from veteran author Barb Rosenstock, Caldecott Honor winner, will spark teens' interest in American history, encourage media literacy and reveal insights into the Civil War era, fake news and women's rights.
