OF SAUDI ARABIA  
Sarah Yizraeli

# Remaking Of Saudi Arabia

**Sarah Yizraeli**

## **Remaking Of Saudi Arabia:**

**The Remaking of Saudi Arabia** Sarah Yizraeli, 1997-12 Offers a detailed analysis of the debate within Saudi Arabia's royal family that led to the transformation of the kingdom from a tribal confederation to a modern nation state. Follows the clash between King Saud's traditional style of authoritarian rule and the reformism of Prince Faysal and describes how Faysal institutionalized the power monopoly of the royal family and established a modern administrative structure that discouraged greater political participation. Includes bandw maps and lists of members of the royal family and of the Council of Ministers during the 1950s and 1960s. Annotation copyrighted by Book News Inc Portland OR

**The Remaking of Saudi Arabia** Sarah Yizraeli, 1998-12 In the middle of this century a crucial debate took place within the royal family of Saudi Arabia between King Saud and Crown Prince Faysal. When the dust had settled the kingdom had been remade into a modern state even as the grip of the royal family tightened. Saudi stability still rests upon the foundations laid in that crucial decade. This book offers a comprehensive and documented analysis of the royal debate which ended in the transformation of the kingdom from a tribal confederation into a nation state.

**The Middle East in 1958** Jeffrey G. Karam, 2020-09-17 The revolutionary year of 1958 epitomizes the height of the social uprisings, military coups and civil wars that erupted across the Middle East and North Africa in the mid twentieth century. Amidst waning Anglo-French influence, growing US-USSR rivalry and competition and alignments between Arab and non-Arab regimes and domestic struggles, this year was a turning point in the modern history of the Middle East. This multi and interdisciplinary book explores this pivotal year in its global, regional and local contexts and from a wide range of linguistic, geographic, academic specialties. The contributors draw on declassified and multilingual archives, reports, memoirs and newspapers in thirteen country-specific chapters, shedding new light on topics such as the extent of Anglo-American competition after the Suez War, Turkey's efforts to stand as a key pillar in the regional Cold War, the internationalization of the Algerian War of Independence and Iran and Saudi Arabia's abilities to weather the revolutionary storm that swept across the region. The book includes a foreword from Salim Yaqub which highlights the importance of Jeffrey G. Karam's collection to the scholarship on this vital moment in the political history of the modern middle east.

**The History of Saudi Arabia** Wayne H. Bowen, 2024-10-17 Build an understanding of a country undergoing dramatic and accelerating changes in this new edition of *The History of Saudi Arabia*. Taking readers from the Saudi Arabia of pre-Islamic times to the present day, this revised edition in the *Histories of Modern Nations* series examines how the current efforts to transform the Kingdom fit into the long history of the region. The Arabian Peninsula, the birthplace of Islam, has a long heritage of multiple intersecting civilizations. In recent years, major events in Saudi Arabia have left a mark not only within the region itself but also around the world. The country continues to undergo significant developments as the government led by Crown Prince Muhammad bin Salman aims to end its reliance on fossil fuels and build a dynamic society without bringing into question its authoritarian

political system national security structure and absolute monarchy Bring your knowledge up to date with revised information based on new findings and historiography on the political military religious economic and diplomatic history of the country In addition this book discusses events such as The rise of Muhammad bin Salman known as MBS as the new crown prince under his father King Salman who took the throne in 2015 Vision 2030 a set of reforms designed to create a revived society a robust economy and a more vital national state The Saudi intervention in Yemen as part of the new King s foreign policy Goals to diversify the economy from oil to tourism and biotechnology Reforms impacting the status of women and the roles of the religious police

Saudi Arabia David Commins, 2025-03-11 A major new history of Saudi Arabia from its eighteenth century origins to the present day Saudi Arabia is one of the wealthiest countries in the world a major player on the international stage and the site of Islam s two holiest cities It is also one of the world s only absolute monarchies How did Saudi Arabia get to where it is today In this comprehensive account David Commins narrates the full history of Saudi Arabia from oasis emirate to present day attempts to leap to a post petroleum economy Moving through the ages Commins traces how the Saud dynasty s reliance on sectarianism foreign expertise and petroleum to stabilize power has unintentionally spawned secular and religious movements seeking accountability and justice He incorporates the experiences of activists women religious minorities Bedouin and expatriate workers as the country transformed from subsistence agrarian life to urban consumer society This is a perceptive portrait of Saudi Arabia s complex and evolving story and a country that is all too easily misunderstood

*Divided City* Kai Bird, 2010-07-08 Crossing Mandelbaum Gate is a vivid memoir of an American boy growing up in the midst of the Arab Israeli conflict three major wars and three decades of political upheavals in the Middle East Set in Jerusalem 1956 1958 Beirut 1970 Saudi Arabia 1962 1965 Amman and Cairo 1965 1967 Bird s book explains through a blend of memoir and history why the Western experience in the Middle East has been so turbulent Through Bird s Zelig like presence the reader experiences the Suez War of 1956 the June 1967 War and the Black September hijackings of 1970 that led to the Jordanian Civil War Bird s memoir shows how all of these momentous events led to the rise and tragic downfall of a secular Arab nationalist ethos only to be replaced by the rise of a fundamentalist politically reactionary Islamist movement The narrative history tells the stories of such illuminating figures as life long Jerusalem resident George Antonius author of *The Arab Awakening* and his charismatic wife Jordan s King Hussein and his CIA connections the businessman Salem bin Laden Osama s older brother and a family friend Saudi kings Faisal and Khalid President Nasser of Egypt and Leila Khaled the striking young Palestinian radical who hijacked one of the Black September planes The son of a U S Foreign Service officer Kai Bird spent his formative years with the Arabs but he ended up marrying the only daughter of two Holocaust survivors This Shoah survival story becomes a part of Bird s own personal narrative and provides him with a deeper understanding of the historical relationship between the destruction of European Jewry and the Arab Israeli conflict This extraordinary memoir by a Pulitzer prize winning historian sheds new light on all the wars of the Middle East fought in

the name of identity      **Education System in Saudi Arabia** Md. Muddassir Quamar,2020-12-17 This book is a comprehensive study on the education system of Saudi Arabia placing the reforms and changes it has undergone in the past two decades within the context of the historical evolution of the education system An education system cannot be seen in isolation of the society it plays a significant role in shaping the individual state and the society that in turn have a bearing on the education system and its evolution Therefore this book locates Saudi education in the backdrop of the changes in the society how they have facilitated or hindered the education reforms and how the education reforms have impacted the society The book does not ignore the immediate trigger for the beginning of a comprehensive reforms process but goes beyond it to find much deeper socio political and economic rationales that paved the way for the reforms It provides a nuanced understanding of the interplays of various socioeconomic as well as political factors that have shaped the education system in Saudi Arabia      *Succession In Saudi Arabia* J. Kechichian,2001-08-02 The stability of the Kingdom of Saudi Arabia remains critical to Western security and economic interests This crucial study focuses on generation change and identifies individuals with greatest leadership potential examines their political social and religious views      **Social Change in the Gulf Region** Md Mizanur Rahman,Amr Al-Azm,2023-03-21 This open access book comprising thirty nine chapters divided into social cultural economic and political spheres offers a unique opportunity to dive into the complex dynamic and sometimes contradictory transformation of Gulf societies in the last few decades Whilst the Gulf region has at times been seen as impervious to this natural phenomenon of transformation timeless never changing deeply rooted in its ancient tribal customs and traditions and able to blend past and present seamlessly without suffering the wrenching trauma of change this is clearly not the case and the region is not immune to the inevitable forces of social change There is no doubt today that the social change sweeping the Gulf has been profound affecting almost every aspect of life in the Gulf societies This volume has an encyclopedic value as the chapters collectively offer multifaceted and multidisciplinary perspectives to understand social change in the Gulf region Through these chapters the role of economic and educational transformation and the impact of social media migration and urbanization have in driving social change in the Gulf societies is examined in detail with a focus on their directions magnitudes and relevant policy options It also considers how COVID 19 is affecting the lives of the people in the Gulf This book bridges gaps in the understanding of the rapid pace of social change in the Gulf offering practical solutions for policy interventions It is of interest to scholars and students in Middle Eastern studies specifically as well as sociology media studies migration studies and educational policy      Leadership Development in Saudi Arabia Fahad F.H. Alanazi,Charles Harvey,Tom McGovern,Mairi Maclean,2025-06-30 Leadership Development in Saudi Arabia offers a comprehensive examination of the role of leadership development in expanding capabilities for national economic development accelerating realization of the ambitious goals of Vision 2030 the country s blueprint for socioeconomic transformation Based on nine case studies of leading Saudi companies this book explores how and why firms invest in

leadership development and assesses its current state in Saudi Arabia. It provides insights into both organizational talent building and the country's journey toward economic diversification. The book stands out as one of the first contextually rich in-depth studies of leadership development in a non-Western context, particularly within the ambitious framework of Saudi Arabia's Vision 2030. Through interviews with senior executives and leadership professionals, the book provides actionable recommendations for improving leadership development practices. Readers will benefit from detailed case studies and empirical data that highlight how leadership programs can drive business growth and national economic progress. It is essential reading for academics, leadership development professionals, policymakers, and business leaders interested in understanding how leadership development supports economic growth in Saudi Arabia and how it might play an even bigger role in the future. It proposes developing fresh approaches to widening the pool of leadership talent, building on the distinctive strengths of Islamic Leadership practices.

*Crossing Mandelbaum Gate* Kai Bird, 2010-04-20. From the Pulitzer Prize-winning coauthor of *American Prometheus*, the inspiration for the Academy Award-winning film *Oppenheimer*. Now with a new introduction, Kai Bird's fascinating memoir of his early years spent in Israel, Jordan, Egypt, Saudi Arabia, and Lebanon provides an original and illuminating perspective into the Arab-Israeli conflict. In 1956, four-year-old Kai Bird, son of a charming American diplomat, moved to Jerusalem with his family. Kai could hear church bells and the Muslim call to prayer and watch as donkeys and camels competed with cars for space on the narrow streets. Each day on his way to school, Kai was driven through Mandelbaum Gate, where armed soldiers guarded the line separating Israeli-controlled West Jerusalem from Arab-controlled East Jerusalem. Bird would spend much of his life crossing such lines as a child in Jerusalem, Saudi Arabia, and Egypt, and later as a young man in Lebanon. In *Crossing Mandelbaum Gate*, a narrative that rips along like a spy novel, *The New York Times Book Review* Bird's retelling of events such as Suez in 1956, the Six Day War of 1967, and Black September in 1970 are as clear and fresh as yesterday. *The Spectator* (UK) Bird vividly portrays emblematic figures like George Antonius, author of *The Arab Awakening*, Jordan's King Hussein, the Palestinian hijacker Leila Khaled, Salem bin Laden, Saudi King Faisal, President Nasser of Egypt, and Hillel Kook, the forgotten rescuer of more than 100,000 Jews during World War II. Bird, his parents sympathetic to Palestinian self-determination, and his wife, the daughter of two Holocaust survivors, has written a kaleidoscopic and captivating Publishers Weekly personal history of a troubled region and an indispensable addition to the literature on the modern Middle East.

*Centers of Power in the Arab Gulf States* Kristian Coates Ulrichsen, 2024-02-01. How are authority and influence accumulated and wielded across the six Gulf states? Mixing theoretical and empirical insights and utilising both historical and contemporary examples, this book offers a comparative analysis of military, political, economic, and religious power in Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and the UAE, as well as of the power of narrative. While many volumes examine each of these states individually, *Centers of Power in the Arab Gulf States* assesses the Arabian Peninsula as a whole, filling a significant gap in the literature. It surveys the myriad factors which have influenced the emergence of these

states societies and political economies which have become increasingly assertive actors in today's global order Exploring domestic regional and transnational pressures Kristian Coates Ulrichsen sheds light on the varying concepts of power and authority the different forms they take the ways they are projected and the practical constraints on their exercise From whom does power derive Is it something different from influence and ambition Is decision making top down or bottom up or a mixture of both From bureaucrats to scholars and from royals to opposition figures Coates Ulrichsen uncovers the power relations shaping the Gulf today

**The Contemporary Middle East in an Age of Upheaval** James L. Gelvin, 2021-05-18 The US invasion of Iraq in 2003 and the Arab uprisings of 2010-11 left indelible imprints on the Middle East Yet these events have not reshaped the region as pundits once predicted With this volume top experts on the region offer wide ranging considerations of the characteristics continuities and discontinuities of the contemporary Middle East addressing topics from international politics to political Islam hip hop to human security This book engages six themes to understand the contemporary Middle East the spread of sectarianism abandonment of principles of state sovereignty the lack of a regional hegemonic power increased Saudi Iranian competition decreased regional attention to the Israel Palestine conflict and fallout from the Arab uprisings as well as offers individual country studies With analysis from historians political scientists sociologists and anthropologists and up to date discussions of the Syrian Civil War impacts of the Trump presidency and the 2020 uprisings in Lebanon Algeria and Sudan this book will be an essential guide for anyone seeking to understand the current state of the region

*Arabs at War* Kenneth Michael Pollack, 2004-01-01 Assesses the military performances of Iraq Egypt Jordan Libya Saudi Arabia and Syria from the first military engagements between Egypt and Israel to the 1991 Gulf War

*Regime Stability in Saudi Arabia* Stig Stenslie, 2012-08-21 This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession Presenting a new and refreshing theoretical approach that links elite integration with regime stability the author shows that the kingdom's royal elite is far more integrated than it has generally been given credit for Based on extensive field work inside Saudi Arabia the book offers a detailed up to date survey and assessment of all the key sectors of the elites in the country The author examines how the succession process has been used in highly different circumstances including deposition assassination and death by old age and demonstrates how regime stability in Saudi Arabia rests on the royal family's ability to unite and to solve the challenge of succession He offers a strong analysis of intra ruling family mechanisms and dynamics in this notoriously private royal family and addresses the question of whether as the number of royals rapidly grows the elite is able to remain integrated Providing a rare insight into the issues facing the royal family and ruling elite in Saudi Arabia this book will be of great interest to scholars and students of Middle Eastern politics and Saudi Arabia in particular

**Saudi Arabia in the New Middle East** F Gregory Gause, III, F. Gregory Gause, 2011 The United States relationship with Saudi Arabia has been one of the cornerstones of U S policy in the Middle East for decades Despite their substantial

differences in history culture and governance the two countries have generally agreed on important political and economic issues and have often relied on each other to secure mutual aims The 1990 91 Gulf War is perhaps the most obvious example but their ongoing cooperation on maintaining regional stability moderating the global oil market and pursuing terrorists should not be downplayed Yet for all the relationship s importance it is increasingly imperiled by mistrust and misunderstanding One major question is Saudi Arabia s stability In this Council Special Report sponsored by the Center for Preventive Action F Gregory Gause III first explores the foundations of Riyadh s present stability and potential sources of future unrest It is difficult not to notice that Saudi Arabia avoided significant upheaval during the political uprisings that swept the Middle East in 2011 despite sharing many of the social and economic problems of Egypt Yemen and Libya But unlike their counterparts in Cairo Sanaa and Tripoli Riyadh s leadership was able to maintain order in large part by increasing public spending on housing and salaries relying on loyal and well equipped security forces and utilizing its extensive patronage networks The divisions within the political opposition also helped the government s cause This is not to say that Gause believes that the stability of the House of Saud is assured He points out that the top heirs to the throne are elderly and the potential for disorderly squabbling may increase as a new generation enters the line of succession Moreover the population is growing quickly and there is little reason to believe that oil will forever be able to buy social tranquility Perhaps most important Gause argues the leadership s response to the 2011 uprisings did little to forestall future crises an opportunity for manageable political reform was mostly lost Turning to the regional situation Gause finds it no less complex Saudi Arabia has wielded considerable influence with its neighbors through its vast oil reserves its quiet financial and political support for allies and the ideological influence of salafism the austere interpretation of Islam that is perhaps Riyadh s most controversial export For all its wealth and religious influence however Saudi Arabia s recent record has been less than successful It was unable to counter Iranian influence in post Saddam Iraq it could not prevent Hezbollah taking power in Lebanon and its ongoing efforts to reconcile Hamas and the Palestinian Authority have come to naught The U S Saudi relationship has unsurprisingly been affected by these and other challenges including Saudi unhappiness with Washington s decision to distance itself from Egyptian president Hosni Mubarak the lack of progress on the Israeli Palestinian peace process and Iran For its part the United States is unhappy with the Saudi intervention in Bahrain and Saudi support for radical Islamists around the region and the world The two traditional anchors of the U S Saudi relationship the Cold War and U S operation of Riyadh s oil fields are Gause notes no longer factors It is no wonder he contends that the relationship is strained when problems are myriad and the old foundations of the informal alliance are gone It would be far better Gause argues to acknowledge that the two countries can no longer expect to act in close concert under such conditions He recommends that the United States reimagine the relationship as simply transactional based on cooperation when interests rather than habit dictate Prioritizing those interests will therefore be critical Rather than pressuring Riyadh for domestic

political reform or asking it to reduce global oil prices Gause recommends that the United States spend its political capital where it really matters on maintaining regional security dismantling terrorist networks and preventing the proliferation of nuclear weapons There have been few relationships more important to the United States than that with Saudi Arabia and it is vital that as it enters a new phase the expectations and priorities of both countries are clear In Saudi Arabia in the New Middle East Gause effectively assesses the challenges and opportunities facing Saudi Arabia and makes a compelling argument for a more modest businesslike relationship between Washington and Riyadh that better reflects modern realities As the United States begins reassessing its commitments in the Greater Middle East this report offers a clear vision for a more limited but perhaps more appropriate and sustainable future partnership *The Gulf States in International Political Economy* Kristian Coates Ulrichsen, 2016-05-02 Kristian Coates Ulrichsen documents the startling rise of the Arab Gulf States as regional powers with international reach and provides a definitive account of how they have become embedded in the global system of power politics and policy making Power and Succession in Arab Monarchies Joseph A. Kechichian, 2008 As Arab leaders play an increasingly important role on the world stage they also face new and complex challenges at home challenges that could affect both regional and regime stability Power and Succession in Arab Monarchies provides an essential compendium of information regarding the politically charged issue of succession in Bahrain Jordan Kuwait Morocco Oman Qatar Saudi Arabia and the United Arab Emirates Based on scarce source material and a wide range of inside information this exhaustive reference traces the rise of each ruling family outlines key constitutional developments provides details on current rulers and their approaches to succession discusses potential contenders to power The appendixes supply a chronological list of rulers for each monarchy as well as the text of decrees private letters and constitutional provisions related to succession The New Sectarianism Geneive Abdo, 2017 The ensuing clash between Islamism and Nationalism Shi'a and Sunni and other factions within these communities

## Reviewing **Remaking Of Saudi Arabia**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Remaking Of Saudi Arabia**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

### **Remaking Of Saudi Arabia Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Remaking Of Saudi Arabia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Remaking Of Saudi Arabia has opened up a world of possibilities. Downloading Remaking Of Saudi Arabia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Remaking Of Saudi Arabia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Remaking Of Saudi Arabia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Remaking Of Saudi Arabia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Remaking Of Saudi Arabia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Remaking Of Saudi

Arabia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
