

"The best book I've read on affirmative action."
—SUSAN ESTRICH, University of Southern California

THE Remedy

*Class, Race, and
Affirmative Action*

WITH A NEW PREFACE BY THE AUTHOR

RICHARD D. KAHLENBERG

Remedy Class Race And Affirmative Action

**C. Vincent Samarco, Stephen L.
Muzzatti**

Remedy Class Race And Affirmative Action:

The Remedy Richard D. Kahlenberg, 1996-05-30 In a sweeping and damning analysis Kahlenberg examines how the rationale for affirmative action has moved inexorably away from its original commitment to remedy past discrimination and instead has become a means to achieve racial diversity even if that means giving preference to upper middle class blacks over poor whites Such perverse outcomes he shows have undermined the moral legitimacy of affirmative action which is supposed to benefit the truly disadvantaged not the well to do If Bill Cosby s kids are given preferences in college admissions and employment opportunities while a coal miner s kids are shut out then something has gone very wrong But Kahlenberg goes beyond simple criticism to outline how a class based system of affirmative action would work and why the objections often raised turn out to be red herrings Moreover he pays particular attention to the impact of such a policy on the African American community showing that because blacks are disproportionately poor they would still continue to reap a disproportionate share of the benefits but without engendering resentment or feelings of injustice within the white community The problem of race is not going to disappear anytime soon but *The Remedy* provides a way to cut the Gordian knot over affirmative action without sacrificing or compromising American ideals

The Sex Obsession Janet R. Jakobsen, 2023-04-11 *The Sex Obsession* connects perversity and possibility in American politics

Controversies in Equal Protection Cases in America Anne Richardson Oakes, 2016-03-03 This collection engages with current issues on equal protection in the USA as seen from the perspectives of leading academics in this area Contributors with a range of perspectives interrogate the legal theoretical and factual assumptions which shape case law and consider the extent to which they satisfactorily address contemporary concerns with social hierarchies and norms Divided into five parts the study focusses on the connections between equal protection jurisprudence discrimination in its contemporary manifestations the implications of identity politics and the moral and political conceptualizations of equality that represent the parameters of debate Drawing on historical analysis and disciplinary insights of the social sciences the book bridges the gap between theory and practice The themes presented and analyses developed are among some of the most contentious currently in America and will be of interest not just to lawyers and legal academics but also to inter disciplinary social science researchers including sociologists economists and political scientists

College and the Working Class Allison L. Hurst, 2012-03-26 What are the meanings experiences and impact of college for working class people The author of this book addresses the two questions what is college like for working class students and what is college for the working class In *The Other Three Percent* the author draws on a wealth of previous research to tell the stories of five very different working class college students as they apply to enter successfully navigate and complete college Through these stories readers will learn about the obstacles working class students face and overcome the costs and effectiveness of higher education as a mechanism of social mobility and the problems caused on our college campuses by our reticence to meaningfully confront the

class divide Readers will be invited to compare their own experiences of higher education with those of the students here described and to evaluate their own institutions openness towards working class students through a series of checklists provided in the book s conclusion Allison L Hurst is Assistant Professor in the Department of Sociology at Furman University in Greenville South Carolina She is a member of the Association of Working Class Academics

The New Color Line Paul Craig Roberts, Lawrence M. Stratton, Jr., 1997-05-01 In *The New Color Line* authors Paul Craig Roberts and Lawrence M Stratton boldly challenge the affirmative action policies that have governed America for the past thirty years The authors show that equality under the law has given way to legal privileges based on race and gender Liberal society is being lost along with the presumption of goodwill that is the basis of democracy *The New Color Line* offers an explanation for these ironic outcomes judicial and regulatory edicts have taken the place of statutory law accountable to the people and coercion has replaced persuasion This happened because elites regarded democracy as the problem not the solution

Higher Admissions Nicholas Lemann, 2024-09-17 How to make American higher education fairer In the 1930s American colleges and universities began to screen applications using the SAT a mass administered IQ descended standardized test The widespread adoption of the test accompanied the development of the world s first mass higher education system and served to promote the idea that the United States was becoming a meritocracy in which admission to selective higher education institutions would be granted to those who most deserved it In *Higher Admissions* Nicholas Lemann reflects on the state of America s aspirational meritocracy and the enduring value and meaning of standardized testing Lemann writes that the anticipation of the Supreme Court s 2023 decision banning affirmative action plus the Covid pandemic led hundreds of universities to stop requiring standardized admissions tests now many colleges and universities are reinstituting test requirements The country is preoccupied with the admissions policies of the most selective universities but Lemann redirects our attention to an alternate path that American higher education could have taken and can still take one that emphasizes selective admission less and a significant upgrade of the entire higher education system more Lemann argues that to improve the state of higher education overall we should focus not on the narrow chokepoint of admission to highly selective colleges but on efforts to create as much meaningful opportunity for flourishing in our vast higher education system for as many people as possible The book includes thoughtful and challenging responses from Marvin Krislov Patricia G ndara and Prudence Carter

The African American Predicament Christopher H. Foreman, 2010-12-01 As the 20th century ends the fate of the African American community remains a central and hotly contested focus of our national political discourse Although American race relations and the structure of opportunities facing most African Americans have dramatically improved in recent decades daunting challenges and questions remain This book examines the vexing reality of racial conditions in America today improved overall but far more complicated than they used to seem and in important respects continually depressing Thirteen provocative and timely essays by some of the most highly respected experts in the nation present thoughtful and often

competing assessments of African American progress and of the prospects for its further enhancement The authors examine the educational achievement disparities and education policy choices confronting black America the track record of faith based organizations in improving poor inner city communities the continuing impediments to residential integration and data based arguments for continuing affirmative action programs The final chapter discusses the feasibility of reaching beyond race to build stronger political coalitions for racially progressive policies In addition to the editor the authors include Edward G Carmines Linda Darling Hammond John J DiIulio Jr Henry Louis Gates Jr Nathan Glazer Jay P Greene Jennifer L Hochschild Christopher Jencks Phillip Klinkner Glenn C Loury Orlando Patterson Paul E Peterson Meredith Phillips Rogers Smith Paul M Sniderman Abigail Thernstrom and Stephan Thernstrom *American History, Race and the Struggle for Equality* Masaki Kawashima, 2016-12-16 Powerfully synthesizing major currents in the field this book addresses the issue of inequality across American politics and society using race as a lens for the exploration of major themes in American history It considers the concept of race as a social construction against the background of the historical struggles for fairness in a society based on the framework of democracy whose principle is that majority s consent be necessary for the fulfillment of justice Foregrounding problems of race capital and political economy it particularly examines the connections between race and class the relationship of slavery and national politics and the distinctive intellectual framework that Americans have developed to discuss race Offering a detailed account of civil rights legislation an overview of immigration law and policy and comprehensive overviews of debates about affirmative action immigration and the causes and solutions to racialized urban poverty this book emphasizes what is distinctive about the United States and offers a unique comparative framework for thinking about America s racial past **An Introduction to Capitalism** Paul Swanson, 2012-12-07 Embedded in an historical account of the development of U S capitalism up to the present day this book gives the reader a thorough description of the major aspects of the U S economy as well as a theoretical understanding of the overall economy A particular focus of this book is how free markets work in capitalism and the interrelationship between markets and the government Of particular interest in the current economic situation is the question of what can the government do to get the economy going again Underlying the standard economics text today is the fundamental belief that leaving markets as free as possible will lead to the ideal economy Directly opposing this approach this book takes a critical stance toward free markets Rather than viewing markets as the ideal solution to almost all economic problems this book argues that markets are not always the answer On the contrary they are often the problem and must be corrected by government action Related to this critical stance and in a further departure from current economics texts this book takes an explicitly Keynesian approach to the macro economy Rejecting the free market approach which dominates both micro and macro economics today this book offers a fresh perspective on economics and the economy today **Schools and Society** Jeanne H. Ballantine, Joan Z. Spade, 2008 Presents the most recent theories research terms concepts ideas and histories on educational leadership and

school administration as taught in preparation programs and practiced in schools and colleges today Low-Income Students and the Perpetuation of Inequality Gary A. Berg, 2016-05-13 Drawing upon quantitative data gathered from the U S Census and U S Department of Education as well as interviews with students from a variety of socio economic and ethnic backgrounds Low Income Students and the Perpetuation of Inequality examines the question of who really benefits from public higher education It engages with questions of social capital opportunity funding and access to education presenting a rich discussion of social mobility the value of college education and the impact of education upon the redistribution of income A thorough exploration of the real impact of college on American society this volume will appeal to social scientists with interests in education social capital social stratification class and social mobility **Theories of American Culture, Theories of American Studies** Winfried Fluck, 2003 The Imperative of Integration Elizabeth Anderson, 2013-04-21 A powerful new argument for reviving the ideal of racial integration More than forty years have passed since Congress in response to the Civil Rights Movement enacted sweeping antidiscrimination laws in the Civil Rights Act of 1964 the Voting Rights Act of 1965 and the Fair Housing Act of 1968 As a signal achievement of that legacy in 2008 Americans elected their first African American president Some would argue that we have finally arrived at a postracial America but The Imperative of Integration indicates otherwise Elizabeth Anderson demonstrates that despite progress toward racial equality African Americans remain disadvantaged on virtually all measures of well being Segregation remains a key cause of these problems and Anderson skillfully shows why racial integration is needed to address these issues Weaving together extensive social science findings in economics sociology and psychology with political theory this book provides a compelling argument for reviving the ideal of racial integration to overcome injustice and inequality and to build a better democracy Considering the effects of segregation and integration across multiple social arenas Anderson exposes the deficiencies of racial views on both the right and the left She reveals the limitations of conservative explanations for black disadvantage in terms of cultural pathology within the black community and explains why color blindness is morally misguided Multicultural celebrations of group differences are also not enough to solve our racial problems Anderson provides a distinctive rationale for affirmative action as a tool for promoting integration and explores how integration can be practiced beyond affirmative action Offering an expansive model for practicing political philosophy in close collaboration with the social sciences this book is a trenchant examination of how racial integration can lead to a more robust and responsive democracy **Reflections from the Wrong Side of the Tracks** C. Vincent Samarco, Stephen L. Muzzatti, 2006 The essays in this collection challenge the predominant image of working class people in higher education by providing a series of analyses and personal commentaries from a wide range of working class academics Reflections From the Wrong Side of the Tracks imparts a critical and substantial narrative about what it means to be from the working class and work in academe Handbook of Education Politics and Policy Bruce S. Cooper, James G. Cibulka, Lance D. Fusarelli, 2014-11-10 This revised edition of the Handbook of

Education Politics and Policy presents the latest research and theory on the most important topics within the field of the politics of education Well known scholars in the fields of school leadership politics policy law finance and educational reform examine the institutional backdrop to our educational system the political behaviors and cultural influences operating within schools and the ideological and philosophical positions that frame discussions of educational equity and reform In its second edition this comprehensive handbook has been updated to capture recent developments in the politics of education including Race to the Top and the Common Core State Standards and to address the changing role politics play in shaping and influencing school policy and reform Detailed discussions of key topics touch upon important themes in educational politics helping leaders understand issues of innovation teacher evaluation tensions between state and federal lawmakers over new reforms and testing and how to increase student achievement Chapter authors also provide suggestions for improving the political behaviors of key educational groups and individuals with the hope that an understanding of political goals governance processes and policy outcomes may contribute to ongoing school reform

Encyclopedia of Law and Society
David S. Clark, 2007-07-10 Introduction to and survey of the field of law and society Includes interdisciplinary perspectives on law from sociology criminology cultural anthropology political science social psychology and economics *Black Conservatives in the United States* Godfrey Mwakikagile, 2006 This work is an examination of the black conservative phenomenon in the United States in contemporary times The author looks at the role black conservatives play in American politics and at their attempts to have an impact on the lives of black Americans also known as African Americans Subjects covered include perspectives black conservatives share on issues such as affirmative action racism poverty self reliance welfare drugs crime and illegitimacy among blacks the criminal justice system and how it affects blacks and why black conservatives differ with other blacks on those issues It is also a critique of *The Bell Curve* a book that has inflamed passions especially among blacks and of the views some black conservatives have expressed on racial IQ differences which have fueled debate on this highly explosive subject The author also looks at the policy and philosophical differences and at differences in perceptions between black conservatives and their brethren in the black community Why do black conservatives oppose affirmative action Why do they support the Republican party Why don t they have much support in the black community Those are just some of the issues addressed in this book The author writes from personal experience after living and interacting with African Americans of all ideological stripes for more than 30 years His interest in Black America spans the ideological spectrum and covers other aspects of life including relations between Africans and African Americans He has written a book about those relations in which he also addresses the black conservative phenomenon in the United States Like all his others books *Black Conservatives in the United States* is intended for members of the general public and the academic community

Civil Rights Journal , 1997 *An Intellectual in Public* Alan Wolfe, 2010-05-06 A new collection of essays from one of the most courageous and honest thinkers writing today proof that the spirit of the free ranging public intellectual

is still very much alive Newsday Alan Wolfe is one of liberalism's last and most loyal sons His mind is naturally decent and diversified large enough and fair enough to contain both conviction and doubt His profound respect for real people does not interfere with his profound respect for real thought The criticism that he practices is I fear a dying art but it is also one of the glories of American democracy Leon Wieseltier New Republic Alan Wolfe is one of America's indispensable essayists On a broad range of topics race religion politics the marketplace the university and more he combines a scholar's erudition with a historian's feel for the past and a journalist's keen attunement to the shifting patterns of the current scene Above all he is a true writer graceful but fearless who ponders the deep questions so often ignored in the clamor of our ongoing civic conversation Anyone who wonders what the term public intellectual really means will find the answer in fact many answers in this scintillating collection Sam Tanenhaus Vanity Fair

The Many Faces of Evil Kenneth Cauthen, 1997 Cauthen a nationally recognized authority in the fields of theology and ethics tackles some of mankind's most intractable issues trying to help us understand the nature of evil in all of its manifestations He attempts to create a Biblically rooted framework wherein we can interpret the meaning of suffering and the relationship of God to human anguish Some consider his positions controversial but all who examine them will be uplifted and have their faith strengthened Cauthen has written from his heart from his heart from his personal experience and has woven together philosophical and theological insights into the nature of evil with personal testimonies of strength endurance and survival This book deserves to be read by anyone who is struggling with the ambiguity of evil in their lives Dr James H Evans Jr President The Divinity School Rochester New York

Remedy Class Race And Affirmative Action Introduction

Remedy Class Race And Affirmative Action Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Remedy Class Race And Affirmative Action Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Remedy Class Race And Affirmative Action : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Remedy Class Race And Affirmative Action : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Remedy Class Race And Affirmative Action Offers a diverse range of free eBooks across various genres. Remedy Class Race And Affirmative Action Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Remedy Class Race And Affirmative Action Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Remedy Class Race And Affirmative Action, especially related to Remedy Class Race And Affirmative Action, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Remedy Class Race And Affirmative Action, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Remedy Class Race And Affirmative Action books or magazines might include. Look for these in online stores or libraries. Remember that while Remedy Class Race And Affirmative Action, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Remedy Class Race And Affirmative Action eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Remedy Class Race And Affirmative Action full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Remedy Class Race And Affirmative Action eBooks, including some popular titles.

FAQs About Remedy Class Race And Affirmative Action Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Remedy Class Race And Affirmative Action is one of the best book in our library for free trial. We provide copy of Remedy Class Race And Affirmative Action in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Remedy Class Race And Affirmative Action. Where to download Remedy Class Race And Affirmative Action online for free? Are you looking for Remedy Class Race And Affirmative Action PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Remedy Class Race And Affirmative Action. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Remedy Class Race And Affirmative Action are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Remedy Class Race And Affirmative Action. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Remedy Class Race And Affirmative Action To get started finding Remedy Class Race And Affirmative Action, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Remedy Class Race And Affirmative Action So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Remedy Class Race

And Affirmative Action. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Remedy Class Race And Affirmative Action, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Remedy Class Race And Affirmative Action is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Remedy Class Race And Affirmative Action is universally compatible with any devices to read.
