illustrated with 200 color photos and ten maps *Mike Royko: The Chicago Tribune Collection 1984-1997* Mike Royko, 2014-11-04 Mike Royko The Chicago Tribune Collection 1984 1997 is an expansive new volume of the longtime Chicago news legend's work. Encompassing thousands of his columns, all of which originally appeared in the Chicago Tribune, this is the first collection of Royko's work to solely cover his time at the Tribune. Covering politics, culture, sports, and more, Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaperman. Organized chronologically, these columns display Royko's talent for crafting fictional conversations that reveal the truth of the small-minded in our society. From cagey political points to hysterical take-downs of meatball sports fans, Royko's writing was beloved and anticipated anxiously by his fans. In plain language, he tells it like it is on subjects relevant to modern society. In addition to his columns, the book features Royko's obituary and articles written about him after his death, telling the tale of his life and success. This ultimate collection is a must-read for Royko fans, longtime Chicago Tribune readers, and Chicagoans who love the city's rich history of dedicated and insightful journalism.

When I Come Home Michael Grant, 2011-06-28 Life is good for Nancy Cavanaugh. She's happily married with three young children and one on the way. The only serious rift between her and her husband Connor is a debt-ridden farm in Ireland that Connor inherited from his father. He has dreams of one day going back there to work the farm and raise their children there. But Nancy wants no part of it. Then tragedy strikes. Just four days after the baby is born, Connor is killed in an accident, and Nancy's life is abruptly turned upside down. Then a second blow: a letter from Connor's sister stating she intends to take over the farm. The farm is Connor's legacy to his children, and she will not allow it to be taken away from them. She will fight for the farm through the Irish courts. But there's one problem: she'll have to go back to Ireland to do it. Then World War II interrupts her plans. Like millions of other American women, Nancy goes to work in a factory for the duration of the war. When the war ends, she books passage. Just before she sets sail, Neil, Connor's best friend, asks her to marry him. Stunned by this sudden proposal, she promises to give him an answer when she comes home. In Ireland, she meets Sean Garrett, a childhood sweetheart, further complicating her feelings for Neil. As the fight for the farm makes its way through the courts, Nancy knows she will be forced to make a wrenching decision: if she wins, keep the farm and raise the children there, or go back to the states. For Neil and Sean, the two men who love her, her decision means everything.
