Remember The Poor:

Remember the Poor Bruce Longenecker, 2010-11-12 Combining historical exegetical and theological interests Bruce Longenecker here dispels the widespread notion that Paul had little or no concern for the poor Longenecker's analysis of Greco Roman poverty provides the backdrop for a compelling presentation of the importance of care for the poor within Paul's theology and the Jesus groups he had established Along the way Longenecker calls into question a variety of interpretive paradigms such as Steven J Friesen's 2004 poverty scale and offers a fresh vision in which Paul's theological resources are shown to be both historically significant and theologically challenging Remember the Poor Robert Elkington, 2006-07 Poverty continues to be a growing global crisis but Christians can dramatically help alleviate this suffering by emulating the teachings of Christ Remember the Poor attempts to awaken North American Christians to the plight of the poor and their responsibility to minister to these people To address this worldwide epidemic author Rob Elkington focuses on four key themes including the following The state of the poor in the twenty first century Biblical material that addresses poverty The role of the church in North America The role of the church globally through strategic partnerships Remember the Poor provides current statistical data on the state of the poor across the globe and examines the biblical material that shows how God encourages us to love the poor Elkington also offers practical suggestions on how Christians can minister through their local church to those stricken by poverty Ministering to the poor can be one of life's greatest blessings Take a stand to end poverty in our world and let the power of Jesus Christ move you to serve Him in all that you do Remember the Poor will show you how to make a difference *The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3)* C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky **The Earthen Vessel and Christian Record & Review**, 1846 **Three Versions of Judas** Richard G. Walsh, 2016-04-01 Judas Iscariot known for his betrayal of Jesus is a key figure in the Gospel narratives As an insider become outsider Judas demarcates Christian boundaries of good and evil Three Versions of Judas examines the role of Judas in Christian myth making The book draws on Jorge Luis Borges Three Versions of Judas to present three Judases in the Gospels a Judas necessary to the divine plan a Judas who is a determined outsider denying himself for God's glory and a Judas who is demonic Exploring the findings of biblical criticism and artistic responses to Judas Three Versions of Judas offers an analysis of the evil necessarily inherent in Christian
