**Remember the Skylark's Song?.** Evelyn Gordon,1974      **Skylark Lounge** Nigel Cox,2000 In the middle of his life Jack Grout found himself abducted by aliens There were other things His wife left him His son came one night to the Skylark Lounge the pool hall Jack bought after throwing in his job in newspaper advertising and punched him And there was the mistreatment for melanoma But what Jack really needed to know was why the aliens who had first taken him when he was nine years old and shown him his life in unbearably vivid close up had returned      Skylark Philip Furia,2024-05-01 Skylark is the story of the tormented but glorious life and career of Johnny Mercer and the first biography of this enormously popular and influential lyricist Raised in Savannah Mercer brought a quintessentially southern style to both his life in New York and to his lyrics which often evoked the landscapes and mood of his youth Moon River In the Cool Cool Cool of the Evening Mercer also absorbed the music of southern blacks the lullabies his nurse sang to him as a baby and the spirituals that poured out of Savannah s churches and that cool smooth lyrical style informed some of his greatest songs such as That Old Black Magic Part of a golden guild whose members included Cole Porter and Irving Berlin Mercer took Hollywood by storm in the midst of the Great Depression Putting words to some of the most famous tunes of the time he wrote one hit after another from You Must Have Been a Beautiful Baby to Jeepers Creepers and Hooray for Hollywood But it was also in Hollywood that Mercer s dark underside emerged Sober he was a kind generous and at times even noble southern gentleman when he drank Mercer tore into friends and strangers alike with vicious abuse Mercer s wife Ginger whom he d bested Bing Crosby to win suffered the cruelest attacks Mercer would even improvise cutting lyrics about her at parties During World War II Mercer served as Americas s troubadour turning out such uplifting songs as My Shining Hour and Ac cent tchu ate the Positive He also helped create Capitol Records the first major West Coast recording company where he discovered many talented singers including Peggy Lee and Nat King Cole During this period he also began an intense affair with Judy Garland which rekindled time and again for the rest of their lives Although they never found happiness together Garland became Mercer s muse and inspired some of his most sensuous and heartbreaking lyrics Blues in the Night One for My Baby and Come Rain or Come Shine Mercer amassed a catalog of over a thousand songs and during some years had a song in the Top Ten every week of the year the songwriting equivalent of Joe DiMaggio s hitting streak but was plagued by a sense of failure and bitterness over the big Broadway hit that seemed forever out of reach Based on scores of interviews with friends family and colleagues and drawing extensively on Johnny Mercer s letters papers and his unpublished autobiography Skylark is an important book about one of the great and dramatic characters in 20th century popular music      **The Skylark. Being an Elegant Collection of the Best and Newest Songs in the English Language** ,1800      Skylark Alice O'Keeffe,2021-11-18 SKYLARK plunges the reader headfirst into a vivid heady world where passion and betrayal collide Beautifully written immersive and ultimately enraging it s a must read for anyone who has ever wanted to change the world

Erin Kelly Alice O Keeffe deftly renders the shocking truth of the spy cops scandal into a moving tale of love identity and betrayal Essential reading Jake Arnott Skylark is a book of profound psychological perception which conjures with deft precision the atmosphere of the anti roads movement in all its fierce tender idealism I couldn t put it down Jay Griffiths Their ideals brought them together but how closely should you follow your heart It s the mid 90s and rebellion is in the air Skylark is an activist a raver a tree dweller a world changer Handsome dependable Dan appears on the scene offering her the security she has never had When they fall in love she shows him a new way to live he will never be the same But Dan has a secret which Skylark must never ever know A secret so powerful that its fault lines run from their ordinary council flat right up to the highest echelons of the state Their story is the story of Britain s undercover police As Skylark comes to doubt not only Dan s commitment to their shared ideals but his very identity she finds herself asking can you ever really know the person you love **Bird Therapy** Joe Harkness,2019-06-13 Longlisted for the 2020 Wainwright Prize I can t remember the

last book I read that I could say with absolute assurance would save lives But this one will Chris Packham Fabulously direct and truthful filled with energy but devoid of self pity I was impressed and enchanted Highly recommended Stephen Fry Succeeds triumphantly in articulating with great honesty what it is like to suffer with a mental illness and in providing strategies for coping Mail on Sunday When Joe Harkness suffered a breakdown in 2013 he tried all the things his doctor recommended medication helped counselling was enlightening and mindfulness grounded him But nothing came close to nature particularly birds How had he never noticed such beauty before Soon every avian encounter took him one step closer to accepting who he is The positive change in Joe s wellbeing was so profound that he started a blog to record his experience Three years later he has become a spokesperson for the benefits of birdwatching spreading the word everywhere from Radio 4 to Downing Street In this groundbreaking book filled with practical advice Joe explains the impact that birdwatching had on his life and invites the reader to discover these extraordinary effects for themselves **Once a Week** Eneas Sweetland
