Author Grant Andrew Barlow **Poetry from the Heart** Cynthia Folston-Williams, 2018-03-17 Despite unfathomable emotional pain betrayal by loved ones and a vicious cycle of yearning for outwardly love and attention healing of the heart is possible This book is not just words penned to make someone feel good Poetry from the Heart is a book of deeply personal expressions that reveal many of my life experiences and the deliberate obstacles that God allowed me to go through to heal myself and to help heal others Some of the poems were directly inspired by the Holy Spirit This is the first of several books God put in me In the process of writing this book I found answers to questions that I had for years God told me years ago that I would write poetry and that it would get published in a book that would provide me with answers to many question I had It would also open my eyes about why certain things happened in my life As I wrote the poems God allowed the mysteries to unfold And just as He told me I would I found the answers that blessed me The poem Where is God When it Hurts is the one that inspired me most and triggered the birthing of this book I went through a vivid time in my life that the only way healing came was through writing what I was feeling Out of the writings came Poetry from the Heart For this I am so grateful I pray that this book will be a blessing to every hand that holds it and every soul that receives it May it bring wholeness and healing to every part of you and help to lay the foundation for discovering the answers to questions that you too have pondered in your heart and never shared with anyone BUT GOD HE THOUGHT I WAS WORTH SAVING To God be the Glory *Poetry for Those Who Are Hurting* Cynthia McClaskey, 2012-03-27 This book is a collection of poems that reflect the struggles that take place in a person s heart when all the foundations upon which they have come to rely are disintegrated the effects of religious bondage on the family relationships when everything a person has come to believe is found to be rooted in lies and doctrines of men not truth when one s faith is challenged and all those that you thought were friends become alien and even enemies because of doctrinal differences and beliefs the battles that rage in the mind when gossip and slander become prevalent in the church And lastly how church leaders use their position as a cloak of righteousness to mask their evil ways The message that is ultimately conveyed is that despite all these things we all go through difficult times because of abuse by others the church church leaders and close friends but God is always there to see you through He will walk beside you when no one else will He will strengthen and guide you even amidst a faltering faith He will extend to each and every one of us his

compassion grace forgiveness and love while religion tells us we are castaways for leaving the church Lectures on the Sacred Poetry of the Hebrews; Translated from the Latin by G. Gregory. ...
