

# *In Loving Memory of a special Grandad*

*The day you left and gained your wings  
my heart just broke in two  
I wish you could have stayed with me  
But Heaven needed you*

*You left me with the memories  
And I love you dearly still  
No matter how much time goes by  
You know I always will*

*You were a very special person  
With kindness in your heart  
And the love we had together  
Grows stronger now we're apart*

*I know I cannot bring you back  
Although I wish it everyday  
But a piece of me went with you  
The day you went away*

### **The Garden of Lost**

**Remembering** Billy Conn, 2017-01-26 Memories are tricky. What if the memory is of something that happened more than ninety years ago? When does a memory that won't leave you alone become a haunting? Who is the tearfully pleading child whose voice she hears time and time again? The young volunteer on a reminiscence project is slowly drawn into the ever changing and uncertain world of the woman he visits. At first he is fascinated by the quirky and quixotic view of the previous century seen through the eyes of this former journalist. He struggles with her bewildering preoccupation with ideas of consciousness and self and the role that memory might play. He has to work hard to keep up with the peppering of episodes that have abandoned any sense of linearity in time in the lottery of her lucidity. Slowly her concern with what she thought she saw becomes his obsession gradually submerging him in her world till neither of them is any longer sure if he is from her past or present is a fiction or an aspect of a psychosis.
